money Remember it takes a Village to raise a child **Knocking on Heaven's Door** Katy Butler,2013-09-10 In Knocking on Heaven's Door award winning journalist Katy Butler describes in vivid and poetic prose what happened to her family as her parents were moved from a ripe and vigorous old age toward a long and protracted phase of dying After suffering a stroke at age 78 Butler's father Jeffrey a retired professor was left entirely dependent on the care of his wife Butler's mother Six years later with a heartbeat managed by a pacemaker put in by an unthinking cardiologist Jeff's body had outlived his brain and his wife was exhausted sick and depleted from nearly a decade of full time caregiving When Butler and her mother appeal to doctors ethicists and lawyers for help getting the pacemaker turned off allowing Jeff a natural painless death rather than the extended diminished life provided by the pacemaker they are seen as monsters Knocking on Heaven's Door documents the rebellion brewing against a broken and morally adrift medical system that has morphed from saving lives to prolonging dying Butler shows how our culture turns to technology to solve the spiritual problem of death and how we are ignorant of the ancient and modern realities of dying Knocking on Heaven's Door is a profoundly moving expertly researched meditation that will serve as a map for the 78 million baby boomers caring for elderly parents facing a medical system that robs death of its sacredness and intensifies its suffering **Knock, Knock, Knocking On Heaven's Door** Tammy Lyons,2014-12-28 In the novel Knock Knock Knocking On Heaven's Door members of the 27 Club Janis Joplin Jimi Hendrix and Jim Morrison arrive in heaven They find themselves onstage at a talk show hosted by Jesus The three don't know why they're there or what's going on They doubt they should even be in heaven what with the lavish lifestyles that they've led which included sex drugs and rock n roll Eventually their humanity is called into question Their pasts come to haunt them and one by one the three relive their lives on earth Their old loves and pain are replayed before their eyes Jesus is toying with the artists getting His kicks as each of the guests experience misery Their tortured souls and losses only make them more human Are the musicians alive or dead Are they in heaven or hell One by one they question their existence and whether they will make it up the stairway to heaven **The End** Michael A. Moreland,2025-01-25 The spark that ignited my adventure into the words of God that fill these pages came to me at the funeral of my father fifteen years ago I realized that none of my five brothers were fully prepared for eternity in heaven I began doing Bible research to find some verses that I could share with my family to help get them better aligned with Jesus on a path to heaven My initial research begat more study which begat still more study I quickly found myself focusing on God's words regarding times of the end The premise of this text is to let God's words speak for themselves When organized by event or topic God's words become overwhelmingly clear and precise The threads of the end times have been woven throughout the Bible and history into a complex fabric revealing a beautiful image of God's love for man and His plans for eternity with man in the heavenly realm I sought Christ in His words and found Him in His words The words from the Bible highlighted in these pages weave a glorious prophecy the story of His return to gather all of us to Him for eternity in a new heaven on a new earth The time of the end is rapidly approaching Look around civilization and

Miracle Matthew Stephen Brown,2024-03-05 We may know Jesus as Lord and Savior but do we know him as Healer This book is for anyone asking for a miracle whether physical mental relational or spiritual and how to worship the Great Healer no matter if His answer is answer is yes no or wait If we understand anything about our culture it s that we desperately need healing Many people are quick to believe in an outrageous conspiracy before they will believe in Jesus and the miracle worker He is Throughout Scripture we see that He makes the blind see opens deaf ears restores life from death and so much more but what about you Do you believe that Jesus has the power to restore you to health and heal your wounds Throughout this book Matthew Stephen Brown leads readers on a spiritual journey designed to discover who Jesus is as Healer and explore many questions including Why do we believe in Jesus as Lord and Savior but not as Healer Why would a good God allow us to experience pain in the first place and maybe many times When we don t experience healing does that mean Jesus has failed or let us down Jesus cares about our physical needs but what healing in our lives is He most concerned about Combining personal stories biblical truth and wisdom and humor that puts people at ease and draws them in Pastor Matt Brown leads readers to worship a God who is not random not careless and who is never without cause especially when it comes to performing miracles Everyone can get behind a God who says yes But what about when God says no Or wait No matter what God s plan is for your life we can learn to trust and worship the Great Healer Stop Living for the Lord G.

Duane Lawrence,2022-02-22 This book is a far cry from the traditional Christian teaching If you have been born again it is important to know that with your new birth came a new life in other words a new identity As a result it is critically important to understand your new identity a perfect child of the living God Unfortunately too many Christians are not clear about what happens to them at the point of salvation Going to heaven and living a life that is pleasing to God is all they are typically taught This teaching motivates Christians to perform to gain Gods acceptance through the observance of Christian traditions such as church attendance tithing bible reading and clean living that often results in disappointment frustration and burn out In these pages you will discover two powerful facts revealed in the Bible First if you are a child of God you are no longer a sinner You do not sin and in fact you cannot sin Next since you are not a sinner you are perfect and he is already pleased
