The Horse Timothy C. Winegard, 2024-07-30 The International Bestseller An Amazon Best Book of the Month A Next Big Idea Club Must Read Book From New York Times bestselling author of *The Mosquito* the incredible story of how the horse shaped human history Timothy C Winegard s *The Horse* is an epic history unlike any other Its story begins more than 5 500 years ago on the windswept grasslands of the Eurasian Steppe when one human tamed one horse an unbreakable bond was forged and the future of humanity was instantly rewritten placing the reins of destiny firmly in human hands Since that pivotal day the horse has carried the history of civilizations on its powerful back For millennia it was the primary mode of transportation an

essential farming machine a steadfast companion and a formidable weapon of war Possessing a unique combination of size speed strength and stamina the horse dominated every facet of human life and shaped the very scope of human ambition And we still live among its galloping shadows Horses revolutionized the way we hunted traded traveled farmed fought worshipped and interacted They fundamentally reshaped the human genome and the world's linguistic map They determined international borders molded cultures fueled economies and built global superpowers They decided the destinies of conquerors and empires And they were vectors of lethal disease and contributed to lifesaving medical innovations Horses even inspired architecture invention furniture and fashion From the thundering cavalry charges of Alexander the Great to the streets of New York during the Great Manure Crisis of 1894 and beyond horses have shaped both the grand arc of history and our everyday lives Driven by fascinating revelations and fast paced storytelling *The Horse* is a riveting narrative of this noble animal's unrivaled and enduring reign across human history To know the horse is to understand the world *Chinese Art and Dynastic Time* Wu Hung, 2022-05-03 A sweeping look at Chinese art across the millennia that upends traditional perspectives and offers new pathways for art history Throughout Chinese history dynastic time the organization of history through the lens of successive dynasties has been the dominant mode of narrating the story of Chinese art even though there has been little examination of this concept in discourse and practice until now *Chinese Art and Dynastic Time* uncovers how the development of Chinese art was described in its original cultural sociopolitical and artistic contexts and how these narratives were interwoven with contemporaneous artistic creation In doing so leading art historian Wu Hung opens up new pathways for the consideration of not only Chinese art but also the whole of art history Wu Hung brings together ten case studies ranging from the third millennium BCE to the early twentieth century CE and spanning ritual and religious art painting sculpture the built environment and popular art in order to examine the deep rooted patterns in the historical conceptualization of Chinese art Elucidating the changing notions of dynastic time in various contexts he also challenges the preoccupation with this concept as the default mode in art historical writing This critical investigation of dynastic time thus constitutes an essential foundation to pursue new narrative and interpretative frameworks in thinking about art history Remarkable for the sweep and scope of its arguments and lucid style *Chinese Art and Dynastic Time* probes the roots of the collective imagination in Chinese art and frees us from long held perspectives on how this art should be understood Published in association with the Center for Advanced Study in the Visual Arts National Gallery of Art Washington DC

Frontiers of Heaven Stanley Stewart, 2006-02-01 Winner of the Thomas Cook Travel Book Award For the Chinese the Great Wall of China has defined much more than a physical barrier Over the centuries it has represented a psychological frontier within it lies the Celestial Kingdom the compass of all civilization Beyond lies a barbaric world of chaos and exile In *Frontiers of Heaven* author Stanley Stewart recounts his wanderings halfway across Asia The journey takes him from Shanghai to the banks of the Indus and along the way he encounters the modern Chinese for whom these regions beyond the

Essays in Medieval Chinese Literature and Cultural History Paul W. Kroll, 2023-06-09 This is one of a pair of volumes by Paul Kroll the companion volume deals with medieval Taoism and the poetry of Li Po Collecting eleven essays by this leading scholar of Chinese poetry the volume presents a selection of studies devoted to the medieval period centering especially on the T'ang dynasty It opens with the author's famous articles on the dancing horses of T'ang on the emperor Hsuan Tsung's abandonment of his capital and forced execution of his prized consort and on poems relating to the holy mountain Tai Shan with special attention to Li Po Following these are detailed examinations of landscape and mountain imagery in the poetry of the High T'ang period in the mid 8th century and of an extraordinary attempt made in the mid 9th century to recall in verse and anecdote the great days of the High T'ang The second section of the book includes two articles on birds notably the kingfisher and the egret in medieval poetry and four of Kroll's influential studies focusing on the verse form known as the fu or rhapsody especially drawing from the 3rd century poet Tsao Chih and the 7th century poet Lu Chao-lin

The Earth Walkers Helen Goldstein, 2019-08-25 The Earth Walkers is a story of the relationship of horses humans and planet earth It is a simple story that over time we as humans have complicated Once all three lived in harmony but humans viewed this as primitive savage or wild And so we began to make our existence together more civilized In our interference we began to lose respect for our planet and all that lived upon it including ourselves One of the three though remained steadfast throughout the story Horses except in their physical appearance have neither changed nor tried to change anything just being themselves constantly at our sides Tracing the story of the relationship from the beginning of time the unique bond between humans and horses is explored through different civilizations and cultures up to present day It tracks the journey of the two species and the effect they had on earth as they walked around it It also tells the story of how when in times of disruption chaos and imbalance earth has spoken to us giving us signs and horses have always been there guiding us to a path back home It is a path to a home on earth where all can live in harmony and at peace a path that we will hopefully choose to walk together once again
