Heavenly Worship from the Book of Revelation Esther Phillips-Dwyer, 2017-05-22 To truly appreciate the worship of our Lord God Almighty and of the Lamb God's only Begotten Son Jesus Christ we must believe and confess that Jesus is Lord Further we must also believe that God raised Him from the dead It is only then that we can fully participate in true heavenly worship from the Book of Revelation God does not only want us to sing a couple songs of praise as we worship Him Instead we can experience heavenly worship from the Book of Revelation as we are taken into God's throne room while being filled with His Blessed Holy Spirit and engage in heavenly worship This is what God requires true heavenly worship while we are here on earth In heaven we will worship our Lord forever Therefore why wait until heaven to worship according to the Book of Revelation Rather let us begin to worship with heavenly worship from the Book of Revelation while we are still on the earth for God is seeking true worshippers to worship Him

Parkin,2017-10-21 Raelynn in her quest to deepen her worship experience stumbled upon the significance of the Tabernacle of David and how it would manifest in the earth today through worship As the revelation unfolded she saw a pattern emerge and how the Glory of the Latter House would usher in the King of Kings in His Return Within these pages she will take you through the three tabernacles as well as the Feasts and reveal the Lord Jesus Christ through them She will show you in vivid detail the prototype and its significance today in the Church and to the Jewish nation You will discover the Glory in the Last Hour Church that will surpass even the Glory recorded in Solomon s Temple **Heaven Awaits** Michael Youssef,2024 Is

Keener,2010-03-01 Keener s

commentary explores the Jewish and Greco Roman settings of John more deeply than previous works paying special attention to social historical and rhetorical features of the Gospel It cites about 4 000 different secondary sources and uses over 20 000 references from ancient literature *Eschatology and the Use of Psalms in Hebrews* Seth Whitaker,2025-06-12 Seth

Whitaker argues that the Psalm texts function as the structural and theological backbone of Hebrews from start to finish and that few scholars have examined the use of Psalms outside of quotations or connected the author of Hebrews use of Psalms with his broader eschatological outlook Whitaker suggests that the author s eschatology is his dominating exegetical assumption allowing numerous psalms to be read with multiple meanings Whitaker further suggests that Psalms for the author of Hebrews not only provide messianic material for his exegetical commentary but also speak to a deeper interpretive

tradition that is detectable through scriptural allusions shared motifs and narrative structures Whitaker examines three passages of Hebrews 1 5 13 12 18 28 and 13 15 which correspond to three perceived gaps in scholarship the relationship between quoted texts the author's cultural encyclopedia and the function of scriptural allusions By focusing on Psalms and the eschatological nature of the author of Hebrews exegesis Whitaker concludes that readers will be better suited to situate Hebrews in relation to other Second Temple and early Jewish interpretive traditions

My Kingdom is Not of This World Joshua Immanuel, Throughout history many Christians have embraced a vision of God's kingdom that encourages active participation in influencing and transforming the world around them Was this vision shared by the New Testament writers or the earliest Christians To find out we must delve into the Biblical narrative concerning the kingdom of God and its relationship to the present world My Kingdom is Not of This World develops a Biblical theology of God's kingdom and its cosmic struggle against a kingdom of darkness It explores the Bible's cosmology and the unfolding narrative of this conflict throughout the Bible Delving into this narrative reveals a recurring theme of sinful humanity collusion with cosmic darkness to build an earthly utopian kingdom instead of awaiting God's heavenly kingdom Understanding the Biblical vision of God's kingdom and the nature of this present world is of utmost importance It has profound implications for the Christian life and our interactions with the world

experience in participating in various mode of worship by the main denominations Anglican Methodist Roman Catholic and Charismatic In a subtle way he corrected critics who are biased or prejudiced about other mode of worship To quote All denominations in Christianity worship God in a slightly different way but rather each does it in accordance with Gods word In no way can these denominations operate in the same order of worship because the Bible makes a clear distinction on the different methods of worship which I believe is the order of Heaven He was able to bring out the diversified talents in which Christians made music a thing of joy in Gods houseeach unique to its own task The book is informative inspirational and stimulating It is highly recommended for theologians students as well as lay people It can be appealing to Christians and Non Christians as all will be exposed to the wonderful revelation of The Riches of the Glory of God Blanche O O Macauley Director Institute of Educational and Extra Mural Studies Fourah Bay College University of Sierra Leone As I read this book my trust confidence and belief in the finished work of Jesus Christ on the cross increased considerably Salvation plan is so explicit in this book that I believe that whosoever reads this book his faith and trust in the finished work of Christ will be increased Victor B Macauley Retired Engineer National Power Authority Freetown Sierra Leone Riches of His Glory a rich text of Gods assurance of love in showing how He rescued man from darkness into his marvellous light Olivet C R Williams Editor Mum Sydney Australia The author clearly explained in this masterpiece work of the art of writing the eternal plan of God in rescuing mankind from the state of eternal condemnation to eternal victory in Christ His message is so clear and direct that whosoever reads it would be in the position to make a decisive change in the way of life in order to attain glory both now and in heaven with God It is a book of eternal value not to be missed Marjorie B R J Hughes Retired self employed Freetown Sierra Leone The book is informative inspirational and stimulating It is highly recommended for theologians students as well as lay people It can be appealing to Christians and Non Christians as all will be exposed to the wonderful revelation of The Riches of the Glory of God Blanche O O Macauley Director IEES FBC USL Sierra Leone Man disobeyed God Almighty who created him and hence he suffered agony and misery However God in his mercy sent Jesus to redeem man and grant him eternal life if he accepts what God has done The story of mercy and restoration is worth reading Magnus Williams has not only made new the timeless story of sin but has also reminded readers that salvation though free is available if they fully accept God in their lives The story of salvation is never old Dr Stephen N Macauley Coordinator of Learning Lowell Bennion Center University of Utah USA

The Second Coming of Christ Greg Hinnant, 2022-08-08 The second coming of Christ is the most anticipated consequential and controversial event since His Ascension For 2 000 years it has been loved hated dreaded and ignored Committed Christians have loved it sinners have hated it carnal Christians have dreaded it and lukewarm Christians have ignored it Thus it has been yearned for mocked feared and yawned at and yet debated ad nauseam But there it is in Jesus own immortal words I will come again John 14 3 Today a turbulent vortex of confusion and controversy swirls around just what Jesus meant and when He is coming This powerful new book by Greg Hinnant seeks to quell the

controversy and clarify the confusion by setting forth God's biblical prophetic plan for Christ's appearing, the rapture and the amazing divinely scheduled events that follow on earth and in heaven. It also offers much detailed practical biblical teaching on how to be prepared for the rapture. Finally, it closes with a very thorough, informative, concisely written comparison of the major Christian End Times views. Many books present biblical prophecies about Christ's Second Coming but offer little or no Christian living instructions. Others present excellent Christian living instructions but do not interpret End Times prophecy. Rich with abundant prophetic and Christian living instructions, this book is truly unique. You will not find another like it. Described as a comprehensive handbook for the preparation of the bride of Christ, it is a must-read for pastors, leaders, and anyone seriously desiring to be ready when Jesus suddenly appears to receive His church. **Early Christian Witnesses**

,2022-11-20 The articles and talks included in this collection cover fifty years of theological engagement, the primary focus being on education for ministry in Australia and abroad. Despite the diversity of topics such as hermeneutics, New Testament theology, preaching, ecumenical relations, and early church history, there is a connecting concern to listen to the unique voices of early Christian witnesses as foundational for the faith and the apostolic claims of the church in its present-day witness. The publication of these essays has been suggested for some time. Despite my reluctance to reissue articles written over a period of more than five decades, I have relented in the hope that there will be enough to engage the interest of a variety of readers and not only former students in seminaries and theological colleges in Australia and various places overseas. Included here are mainly articles written specifically for publication in journals but also lectures and talks to various groups of clergy, lay people, and theological students. Of prime concern has always been the explication of the Christian faith according to its earliest witnesses in the early church of apostles and martyrs. Faith remains attested and lived, approved, not proven. **The**

Hope of Heaven Sheila Walsh, 2024-10-22 Can heaven really give us hope here and now? We know we're supposed to look forward to heaven, and we certainly feel there must be something better than the pain, disappointment, and grief we experience in this world. But we still have so many questions about eternity: like, Is heaven real? What is heaven like? Will heaven heal our disappointments? Does everyone go to heaven? Will my pets be there? What will I look like in heaven? Will I see and know my family and friends? Beloved author Sheila Walsh takes you deep into Scripture to answer these questions and more. With great compassion and engaging personal stories, she encourages you to endure the trials of this life by keeping an eye on the glorious reality of our forever home. For anyone weary of this broken world, this vivid picture of our eternal future offers a hope that changes how we experience every day we spend alive on earth if we let it. **Apocalypse Against**

Empire Anthea Portier-Young, 2014-01-09 The year 167 B.C.E. marked the beginning of a period of intense persecution for the people of Judea as Seleucid emperor Antiochus IV Epiphanes attempted forcibly and brutally to eradicate traditional Jewish religious practices. In *Apocalypse against Empire*, Anthea Portier-Young reconstructs the historical events and key players in this traumatic episode in Jewish history and provides a sophisticated treatment of resistance in early Judaism.

Building on a solid contextual foundation Portier Young argues that the first Jewish apocalypses emerged as a literature of resistance to Hellenistic imperial rule In particular Portier Young contends the book of Daniel the Apocalypse of Weeks and the Book of Dreams were written to supply an oppressed people with a potent antidote to the destructive propaganda of the empire renewing their faith in the God of the covenant and answering state terror with radical visions of hope *NIVAC*

The Apocalypse Charles H. Talbert, 1994-01-01 In this concise and clearly written commentary Charles H Talbert brings to mainline Christians a fresh reading of the book of Revelation demonstrating that it is not only accessible but relevant for the modern day Christian According to Talbert the primary causes of the marginalized status of the book of Revelation by mainline Christians are threefold the apparent inaccessibility of its meaning the seeming impossibility of its pastoral application and its demonstrated susceptibility to abuse Talbert ably demonstrates that the book of Revelation was written to help the early Christians avoid assimilation into the larger pagan culture Talbert also gives full attention to the literature of the Greco Roman early Christian and early Jewish worlds as he examines the more mystical components of the narrative
