Kant's Critical Religion Stephen R. Palmquist,2019-06-11 This title was first published in 2000 Applying the new perspectival method of interpreting Kant he expounded in earlier works Palmquist examines a broad range of Kant's philosophical writings to present a fresh view of his thought on theology religion and religious experience **The Encyclopedia of Angels** Rosemary Guiley,2004 An encyclopedia describing and giving the history of angels from the time when the earth was created forward using texts from Hebrew Arabic ancient and contemporary works *Spiritual Crisis* Fransje de Waard,2013-07-22 The American comedienne Lily Tomlin once observed with surprise that we call it praying when we talk to God and schizophrenia when God talks back to us In this book people speak about inner experiences in which they perceived themselves and the world so differently that they thought they were going mad Experiences of existential voids heights and depths freezing wastes and silences of pure energy love and fear oneness and chaos They found no explanation in science or religion traditional standards of normality and morality brought them no further than madness and heresy From sheer necessity they learned to steer by a sort of inner compass and began to tap unconventional resources This gave their experience on balance the depth and dynamism of a spiritual transformation which they would not have wanted to miss Since 1994 such spiritual crises have acquired an official place in psychiatric diagnostics namely as non pathological episodes Knowledge and insight fall substantially short however both in professional circles and among the public at large In this book the author shows how transpersonal psychology interprets such crises as the growing pains of

human consciousness This wider perspective transcends the traditional individual frameworks of the life sciences parallel to the earlier shift of classical mechanics to quantum physics At a time that resounds with demands for meaningfulness and which seems engrossed in a holistic model of reality this book sets about giving a place within this perspective to the phenomenon of the spiritual crisis
