*Heaven's Gate* Benjamin E Zeller, Robert W Balch, 2014-10-31 The captivating story of the religious group focused on transcending humanity and the Earth and seeking salvation in the literal heavens on board a UFO 2015 Best Book Award from the Communal Studies Association In March 1997 thirty nine people in Rancho Santa Fe California ritually terminated their lives To outsiders it was a mass suicide To insiders it was a graduation This act was the culmination of over two decades of spiritual and social development for the members of Heaven s Gate In this fascinating overview Benjamin Zeller not only explores the question of why the members of Heaven s Gate committed ritual suicides but interrogates the origin and evolution of the religion its appeal and its practices By tracking the development of the history social structure and worldview of Heaven s Gate Zeller draws out the ways in which the movement was both a reflection and a microcosm of larger American culture The group emerged out of engagement with Evangelical Christianity the New Age movement science fiction and UFOs and conspiracy theories and it evolved in response to the religious quests of baby boomers new religions of the counterculture and the narcissistic pessimism of the 1990s Thus Heaven s Gate not only reflects the context of its environment but also reveals how those forces interacted in the form of a single religious body In the only book length study of Heaven s Gate Zeller traces the roots of the movement examines its beliefs and practices and tells the captivating story of its people The most thorough work on the cult of Heaven s Gate that is presently available Choice *Heaven For Everyone* Kapil Yadav, 2021-07-06 After she lost her husband her house Chandni moved to a place where even animals live a better life than humans *Heaven For Everyone* is the story of a mother and her daughter who while going through hell wants to escape their present life and are willing to do anything for their share of heaven This short story inspired from true events will shock you in the end **Ripples from Heaven** Earl Doughty, 2005 *Ripples from Heaven* is a playful but potentially deadly tale of a race against the clock to rendezvous a stranded human alien with his mother ship Disillusioned with life teenage Hanna Kimbrow stumbles upon John Tobias who brings a message of prophecy fulfillment the Great Tribulation is soon coming to the world With the Army closing in Hanna s instincts kick into high gear The only way to freedom is for them to run She risks her life imprisonment or being kidnapped by religious fanatics foreign governments and the FBI For the sake of love adventure and a quest for her place in this world it s her chance to find happiness and God From Corsicana to Dallas they shake world s foundation of faith Fresh out of high school Hanna Kimbrow stumbles upon John Tobias a visitor from another world His mission is to prove that his people are Biblical cousins of the human race but he becomes stranded NASA has discovered and seized his pod laboratory effectively ending his chances of returning to the mother ship With few options available to him John faces the daunting task of convincing Hanna that he really does come from another planet Living under the foster care of the Gabler family in Corsicana Texas Hanna has spent the past year trying to find her place in this world She can see no light at the end of the tunnel and feels utterly abandoned by her mother and God With her good looks musical

talent and genius IQ her future should be bright but she doesn't see it that way Being loved is all she has ever truly desired and yet she has shut down letting no one in In her estimation men are the lowest members of the food chain Even so this stranger from outer space has pricked her subconscious She is immediately infatuated with John Trapped in the woods behind the Gabler farm John has little chance of eluding a U S Army and NASA recovery team Unbeknownst to Hanna he carries with him the means to stop any aggressors but his orders and Christian beliefs prohibit him from harming anyone for the sake of the mission Even if he could escape where would he go Hanna knows all too well what it is to be alone Her survival instincts kick in and with her rebellious spirit she throws caution to the wind and takes it upon herself to rescue John Commandeering her foster father's SUV she and John flee to her old stomping grounds in Dallas Whether John figures out a way to return home or becomes a resident of this planet his best chance for fair treatment is to tell his story to the media Under Hanna's leadership and street savvy John utilizes his technology to release a remarkable video The strategy pays off in preventing the FBI or Secret Service from hiding him away if they could catch him but the world wide firestorm that results is more than he or Hanna bargained for They become instant celebrities and every political group and religious entity on the planet wants a piece of the action Hanna and John spend every waking and sleeping moment together Their opposite personalities are a match made in heaven He begins to wonder what his life will be without her and she doesn't want life without him Still the mission must take priority over personal feelings They spend a week in a tender fun filled and hazardous romp that will seal their destinies to an unimagined conclusion

**Heaven** Clive Alando Taylor, 2023-01-26 They say what happens in heaven also happens on earth and vice versa and so on earth as it is in heaven and so forth for as much as we often like to paraphrase in saying that such above is also such below and so below is also such above as do we often recognise along with real worldly events that as we try to distinguish whether it is life that imitates art or indeed whether it is art that imitates life that as much as we have learnt to mimicry or to interpret our portrayal of the world as we know it and experience it then surely we must acknowledge that life is not forever and yet still we believe that it shall become so As it is only by God's grace that we have forever held this humble belief in our minds even though it may have dampened the amusement of our senses and yet still it has also allowed us to transcend towards the seeking such knowledge if only to acquire the wisdom in becoming all knowing For as much we may search and seek out for a heaven upon the earth still we often look towards the sky along with the faith and the hope that we may come to discover such a place of awesome reverence and wonder which has always been attributed with many a name and many a title some of which I have hastened to mention here i.e Paradise Nirvana Valhalla Elysium and Tiandao amongst with many more and yet still we believe this heaven to be the spiritual abode and resting place of our heavenly souls As H O M E Heaven Offers Many Examples and yet still I can only contend to think and to believe that such a heavenly realm which has always found itself to be such a prominent and worthy place within our hearts must also endeavour to be one that we are inspired to compose and to write

about and must also be one that we are ready to carve and to paint about and must also be one that we ready to build and to strive about if only to nurture as we plant and as we grow upon reflection whilst striving towards this heaven ideal
