

A scenic landscape at sunset or sunrise. A winding road leads through a field of tall grass towards a distant horizon. A bright sun is low on the horizon, creating a lens flare and casting a warm, golden glow over the scene. A faint rainbow is visible in the sky. The foreground shows a dark, rocky path with patches of snow or ice.

All the gods, all the heavens,
all the hells, are within you.

The Apocalypse Or Book of Revelations, Explained According to the Spiritual Sense, Wherein are Disclosed the Arcana Therein Foretold which Have Been Hitherto Hidden Emanuel Swedenborg,1896 *After the War*,2022

After the War is a new translation of the final part of the Mahabharata the great Sanskrit Epic poem about a devastating fraternal war In this aftermath of the great war the surviving heroes find various deaths ranging from a drunken debacle in which they kill many of their own comrades to suicide through meditation and finally magical transportation to both heaven and hell Bereaved mothers and widows on earth are comforted when their dead sons and husbands are magically conjured up from heaven and emerge from a river to spend one glorious night on earth with their loved ones Ultimately the bitterly opposed heroes of both sides are reconciled in heaven but only when they finally let go of the vindictive masculine pride that has made each episode of violence give rise to another Throughout the text issues of truth and reconciliation of the competing beliefs in various afterlives and of the ultimate purpose of human life are debated This last part of the Mahabharata has much to tell us both about the deep wisdom of Indian poets during the centuries from 300 BCE to 300 CE the dates of the recension of this enormous text and about the problems that we ourselves confront in the aftermath of our own genocidal and internecine wars The author a distinguished translator of Sanskrit texts including the Rig Veda the Laws of Manu and the Kamasutra puts the text into clear flowing contemporary prose with a comprehensive but unintrusive critical apparatus This book will delight general readers and enlighten students of Indian civilization and of great world literature
