Heavens of Earth Mark Holloway,1966 **American Studies** Jack Salzman,American Studies Association,1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 **The Making of Urban America** John William Reps,2021-10-12 This comprehensive survey of urban growth in America has become a standard work in the field From the early colonial period to the First World War John Reps explores to what extent city planning has been rooted in the nation s tradition showing the extent of European influence on early communities Illustrated by over three hundred reproductions of maps plans and panoramic views this book presents hundreds of American cities and the unique factors affecting their development

Robert Owen and the Owenites in Britain and America (Routledge Revivals) John Harrison,2009-09-10 Robert Owen and the Owenites were associated with the rise of an early industrial society in Britain and with the development of an agricultural frontier society in the United States during the first half of the nineteenth century This book originally published in 1969 was the first to use both British and American source material and tells the story of Robert Owen and the movement associated with his name from the standpoint of comparative social and intellectual history The book directs new light on Owenism and at the same time illuminates general problems of the history of social movements and social change in modern societies Imagined Australia Renata Summo-O'Connell,2009 From Terra Nullius to Land of Opportunities and Last Frontier the European dream has constructed and deconstructed Australia to feed its imagination of new societies At the same time Australia has over the last two centuries forged and re invented its own liaisons with Europe arguably to carve out its identity From the arts to social sciences to society itself a complex dynamic has grown between the two continents in ways that invite study and discussion A transnational research group has begun its collective investigation project of which this first volume is the outcome The book is a substantial multidisciplinary collection of current research and offers critical perspectives on culture literature and history around themes at the heart of the Imagined Australia project The essays instigate reflection discovery and discussion of how reciprocal imagining between Australia and Europe has articulated itself and ways and dimensions in which a relationship between communities imagined and not has unfolded **After Eden** Conrad Eugene Ostwalt,1990 The transformation of the American sense of religious identity and destiny that occurred toward the end of the nineteenth century and the beginning of the twentieth is illustrated through a literary and cultural analysis of the fiction of Willa Cather and Theodore Dreiser American Freethought David C. Hoffman,2025-06-17 This book traces the history of the freethought movement to discover the strategies that allowed it to endure and succeed in a fervently religious nation It argues that this movement was successful because it united people with a wide variety of

religious outlooks including deists pantheists Unitarians Universalists spiritualists transcendentalists Humanists agnostics and atheists behind the idea that religion is freer and the state is more just when the government refrains from religious involvement

Models of the Kingdom Howard A. Snyder, 2001-07-23 Christians often misunderstand one another when they refer to the kingdom of God They may ask Is it here on earth In our hearts In our churches Over the years best selling author Howard Snyder has been helping pastors and church leaders understand kingdom terminology Now he explains in eight models how the kingdom or reign of God has been and may be conceived Snyder explains with biblical texts and illustrations from church history If you are a pastor or church leader you will find guidance for building new kingdom communities in your congregation as well as ways to relate kingdom theology to global crises with the environment and our economy

Revolution, Romanticism, and the Afro-Creole Protest Tradition in Louisiana, 1718-1868 Caryn Cossé Bell, 1997-02-01 With the Federal occupation of New Orleans in 1862 Afro Creole leaders in that city along with their white allies seized upon the ideals of the American and French Revolutions and images of revolutionary events in the French Caribbean and demanded Libert Egalit Fraternit Their republican idealism produced the postwar South's most progressive vision of the future Caryn Cossé Bell in her impressive sweeping study traces the eighteenth century origins of this Afro Creole political and intellectual heritage its evolution in antebellum New Orleans and its impact on the Civil War and Reconstruction

Heaven on Earth R. Alan Streett, 2013-04-01 The future hope of heaven is pulled into the here and now in this illuminating description of the kingdom of God Popular teacher and author R Alan Streett exposes half truths about the kingdom that many believers have unwittingly accepted He contrasts these with the testimony of Scripture Jesus inaugurated the kingdom of God on the earth it has already begun As ambassadors of the kingdom we are to fulfill our responsibilities and enjoy its benefits here and now Salvation does not culminate with the soul escaping the body and living forever in heaven Our bodies will eventually be transformed and we will live with God on a restored earth The church is like an embassy of heaven in a foreign country In their life together believers demonstrate kingdom realities to the world Readers will find hope and direction in this fresh presentation of the historic teaching on the kingdom

Religious

Revolutionaries Robert C. Fuller, 2016-01-05 In this clever and entertaining look at the United States and religious freedom Robert C Fuller introduces us to religious revolutionaries who in very unique ways shaped American religious tradition and fought to establish new forms of spirituality Chronological in scope *Religious Revolutionaries* takes us from Puritanism and Calvinism in America's colonial period to present day belief systems We meet religious rebels who are widely recognized such as Thomas Jefferson the architect of our constitutional guarantee of religious freedom We meet Andrew Jackson Davis America's first trance channeler and forceful champion of the inner divinity of every person We are introduced to Mary Daly who openly confronted the sexist bias of most organized religion We also learn about trailblazers such as Phineas P Quimby who challenged the Protestant theology of his day and whose ideas became the foundation for Christian Science philosophy and James Cone the bold spokesperson for black power and black spirituality *Religious Revolutionaries* is a page turner that focuses on the people who shaped religion in the United States but it is also a captivating journey through the history of our diverse country

America's Communal Utopias Donald E. Pitzer, 2010-01-20 From the Shakers to the Branch Davidians America's communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965 including the long overlooked Catholic monastic communities and Jewish agricultural colonies Also featured are the Ephrata Baptists Moravians Shakers Harmonists Hutterites Inspirationists of Amana Mormons Owenites Fourierists Icarians Janssonists Theosophists Cyrus Teed's Koreshans and Father Divine's Peace Mission Based on a new conceptual framework known as developmental communalism the book examines these utopian movements throughout the course of their development before during and after their communal period Each chapter includes a brief chronology giving basic information about the group discussed An appendix presents the most complete list of American utopian communities ever published The contributors are Jonathan G Andelson Karl J R Arndt Pearl W Bartelt Priscilla J Brewer Donald F Durnbaugh Lawrence Foster Carl J Guarneri Robert V Hine Gertrude E Huntington James E Landing Dean L May Lawrence J McCrank J Gordon Melton Donald E Pitzer Robert P Sutton Jon Wagner and Robert S Weisbrot

Why Smart People Do Stupid Things Gene F. Ostrom, 2001-06-24 Why Smart People Do Stupid Things addresses a question that's frequently on our minds When Bill Clinton's affair with Monica Lewinsky was exposed many people were utterly astounded How could he Most of us were asking Answers aren't easy to come by because we have spent considerable time building on our strengths to the neglect of our dark side We aren't only puzzled when we see friends co-workers or public leaders engage in stupid unseemly unexplainable acts we are personally threatened by it If them why not still others or perhaps ourselves This book looks at numerous examples of apparently unexplainable stupidities with particular focus upon Richard Nixon and Bill Clinton Every mindless act doesn't turn out wrong There are occasions when the outcome greatly benefits us On the other hand there are many times when the result

goes against us to our disadvantage if not to the point of tragedy Why This book addresses the complex issues involved in making rational decisions including excusable error Analyses are offered in a readily understandable style Potential solutions are described The topic is of vital interest to us individually as well as to the nation The Point Loma Community in California Emmett A. Greenwalt, **Yes in Christ** Howard A. Snyder, 2011 The promises of God formed the basis of John Wesley's optimism of grace Wesley believed God not only could but in fact would fulfill all his promises to bring salvation to the nations to make new heavens and a new earth to liberate the whole creation from its bondage to decay Rom 8 21 This collection of essays by respected Wesleyan theologian Howard A Snyder reflects the spirit of Wesley's optimism of grace The first half of this collection offers an overview of Wesley's theology and practice particularly with regard to gospel mission and culture Part Two examines the inter dynamic between church renewal and global mission The collection also includes Wesleyan appraisals of Clark Pinnock's theology and the ecclesiology of Karl Barth Howard A Snyder serves as distinguished professor and chair of Wesley Studies at Tyndale Seminary in Toronto Ontario Canada Previously he was professor of history and theology of mission in the E Stanley Jones School of World Mission and Evangelism at Asbury Theological Seminary in Wilmore Kentucky from 1996 to 2006 He has also taught at United Theological Seminary Dayton Ohio and pastored in Chicago and Detroit He has written numerous books including *The Problem with Wineskins* IVP *The Radical Wesley* IVP and most recently *Populist Saints* B T and Ellen Roberts and *The Birth of Free Methodism* Eerdmans *Ways & Power Of Love* Pitirim A. Sorokin, 2015-10-22 *The Ways and Power of Love* was originally published in 1954 when Pitirim Sorokin was in the twilight of his career and leading the Harvard Research Center in Creative Altruism His elaborate scientific analysis of love with regard to its higher and lower forms its causes and effects its human and cosmic significance and its core features constitutes the first study on this topic in world literature to date Sorokin was the one absolutely essential twentieth century pioneer in the study of love at the interface of science and religion Bringing *The Ways and Power of Love* back into print allows a new generation of readers to appreciate Sorokin's genius and to move forward with his endeavor at a time when civilization itself continues to be threatened by a marked inability to live up to the ideal of love for all humankind It is certainly right to hope with Sorokin that progress in knowledge about love can move humanity forward to a better future Turning the sciences toward the study of love is no easy task but it can and must be done
