The Polish Lithuanian Commonwealth familiarized itself with Christian Hebraism in the first half of the 16th century In Search of the Genuine Word of God sketches out the process in three chapters The first one deals with the development of modern Hebrew studies in Western Europe the second gives an account of the academic and religious level of Hebrew scholarship in the Commonwealth in the 16th century and at the beginning of the 17th century and the third is devoted to Polish translations of the Hebrew Bible which were the most significant consequences of the reception of the West European Christian Hebraism in the Polish Lithuanian Commonwealth in Renaissance Knowledge of Hebrew would be spread in the Polish Lithuanian Commonwealth through personal contacts of magnates and church dignitaries with the Western European Hebrew experts through Jewish converts teaching Semitic languages through foreign studies at European universities and through books Polish Christian Hebraism was not creative local humanists and reformers who communicated with adherents of Judaism contributed but little to domestic Hebrew studies Only scholarly trends occasioned by different Christian confessions come to our notice Hebrew studies were undertaken within universities or religious movements The purpose was practical to have direct access to the original Hebrew Bible for the sake of theological disputes or to have proper translation tools for rendering the Scripture in Polish Creating Effective Blended Language Learning Courses Daria Mizza,Fernando Rubio,2020-10 Using an innovative framework this book provides the rationale strategies and tools to create optimal blended language learning courses Walking Together Through Life G. Herbert Livingston,2011-10-11 I am ninety four years of age and I have begun looking back over seventy four years of being an ordained minister I decided I should write a testimony of what God has done in the combined lives of my wife Maria and myself We were married for almost seventy two years when she died in 2009 This volume has the history of a long successful marriage At the beginning if the Great Depression both of our parents lost control of their farms and had to depend on the government for income Both of us were penniless farm teenagers Taking a clue from the Scriptures that often refers to the experiences of life as a walk we have used that term for our life together We started lives in the valley of poverty and moved uphill from one achievement to another This book is the story of that journey The main part of this book is a record of being a minister a professor and over two decades of retirement Without the expert assistance and encouragement of Maria this goal would not have happened
