## Hebrew A Language Map:

**HEBREW a Language Map®** Kristine K. Kershul, 2001-05 Need help communicating in Hebrew This Language Map gives you immediate access to the key words and phrases Each Language Map provides over 1 000 essential words and phrases divided into easy categories like Meeting People Dining Out and Transportation You ll be able to find the right words and phrases to make yourself understood in an instant The laminated fold up map like format is convenient durable and a pleasure to use Weighing less than two ounces it will easily stuff into your briefcase handbag or backpack and come out looking great Also available from Bilingual Books Hebrew in 10 Minutes a Day with CD ROM     The Survey of Palestine Under the British Mandate, 1920-1948 Dov Gavish, 2005-01-28 This book is a historical study of the survey and mapping system of Palestine under the British Mandate It traces the background and the reasoning behind the establishment of the survey programme examines the foundations upon which the system was based and strives to understand the motivation of those who implemented it This study shows that the roots of the modern survey system of Palestine are to be sought in the Balfour Declaration and its implications regarding land in Palestine The land issue was at the core of the mapping of Mandatory Palestine and it remains as a core issue at the heart of the Israeli Palestinian dispute     *Mapping Worlds* Rob Kitchin, 2013-09-13 Social and cultural geography is practised by geographers from around the world However for various reasons including language and publishing traditions knowledge of the research being undertaken can often remain confined to those working within those countries This book draws together for the first time into one volume reports of social and cultural geography undertaken in several countries from around the world It provides an important overview of geographic ideas and traditions and the history of human geography more generally allowing comparison between countries and details of key studies and references As such the book will be of interest to geographers schooled in different national traditions and those interested in the production and history of geographic knowledge Entries are written in both English and the country s own national language     Rabbis, Language and Translation in Late Antiquity Willem F. Smelik, 2013-10-31 Exposed to multiple languages as a result of annexation migration pilgrimage and its position on key trade routes the Roman Palestine of Late Antiquity was a border area where Aramaic Greek Hebrew and Arabic dialects were all in common use This study analyses the way scriptural translation was perceived and practised by the rabbinic movement in this multilingual world Drawing on a wide range of classical rabbinic sources including unused manuscript materials Willem F Smelik traces developments in rabbinic thought and argues that foreign languages were deemed highly valuable for the lexical and semantic light they shed on the meanings of lexemes in the holy tongue Key themes such as the reception of translations of the Hebrew Scriptures multilingualism in society and rabbinic rules for translation are discussed at length This book will be invaluable for students of ancient Judaism rabbinic studies Old Testament studies early Christianity and translation studies     *World Mapping Today* Bob Parry, Chris Perkins, 2011-12-22 No detailed description available for World Mapping Today
