How to Sit on the Throne of the Godless God of the Seventh Day
Venerable Zen Master Vajra Karuna, 2020-06-17 Perhaps you've thought that the traditional ways of understanding God are lacking in resonance and relevance that there must be more to the concept of divinity than the anthropomorphic gender exclusionary ethically and logically problematic God of Christianity Judaism and Islam If so this beautiful book may be the path to enlightenment that you've been seeking Uthimaniyya or Trans Sufism embraces the idea that there is an ultimate spiritual experience called The Consciousness of the Eternal Now or Sitting on the Throne of God This experience is not dependent on any past religion instead it is realized through observing a mathematically mystical version of the Seventh Day the Throne Sabbath that is more compatible with a belief in God as everything and everything as God Since a God that is everything cannot have a personhood it is referred to as the impersonal God or the Godless God The Throne Sabbath is based on a radical reinterpretation of the biblical and quranic myth of the creation of the world in six days and a seventh day when the Creator rested Bible or retreated to His throne Quran Inspiring and transcendent How to Sit on the Throne of the Godless God is the guide you need to access a new viewpoint

his position to pass secret information to Jews and Christians about impending aktions and to sabotage Nazi plans Most notably he thwarted the annihilation of the Mir ghetto by arming hundreds of doomed Jews and organizing their escape and saved an entire Belorussian village from destruction Denounced Rufeisen escaped and found shelter in a convent where he converted to Catholicism Though a pacifist he spent the rest of the war fighting in a Russian partisan unit After the war Father Daniel as he is now known became a priest and a Carmelite monk Identifying himself as a Christian Jew and an ardent Zionist he moved to Israel where he challenged the Law of Return in a case that reached the High Court and attracted international attention Today he continues to devote himself to bridging the gap between Christians and Jews In the Lion s Den offers a stirring portrait of a Jewish rescuer during the Holocaust and its aftermath illuminating the intricate connections between good and evil cruelty and compassion and Judaism and Christianity

A Comparison of Egyptian Symbols with Those of the Hebrews Frédéric baron de Portal,1904

Finishing the Mysteries of Gods and Symbols Seven Star Hand,2010-09-17 Here is comprehensive proof that the symbolism of many ancient texts canons and concepts is an advanced and extremely ancient spiritual and philosophical technology that predates all extant religions and mystery schools Consequently here is proof beyond disproof that all three so called Faiths of Abraham are purposeful deceptions Accordingly related esoterica mystery schools and the New Age are rife with error caused by undue reliance upon the assertions of these religions and their leaders Throughout this book I present verifiable proof that ancient sages and prophets opposed religion and wisely never trusted religious leaders As comprehensive validation of this they redundantly encoded stunning proof of why throughout pivotal symbolic narratives and related concepts The ancient sages and prophets hid vital secrets from religious leaders throughout the previous several millennia When these decoded details are compared to the history words and deeds of these religions and their leaders they finally prove the truth about many long hidden things These religions have always purposely imposed ignorance based on the deceptive recasting of earlier symbolic concepts and narratives that also expertly encoded the keys to ancient wisdom as redundant proofs of the truth Arrogant religious leaders while hypocritically lecturing others about morality have long overlooked that the ancient sages and prophets were painfully aware of their then current and future misdeeds and deceptions and patiently and expertly prepared for them

Egyptian Wisdom in Other Jewish Writings Gerald Massey,2008-11-01 When the word Sheol in the Old Testament is rendered in English by the grave it is inadequate times out of number The Hebrew writers were not always speaking or thinking of the grave when they wrote of Sheol which has to be bottomed in Amenta the divine nether earth not simply in the tomb The grave is not identical with hell nor the pit hole with the bottomless pit The pangs and sorrows of Sheol like the purging pangs of the Romish purgatory have to be studied in the Egyptian Ritual from Egyptian Wisdom in other Jewish Writings It goes unappreciated by modern Egyptologists but it is

embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey's massive *Ancient Egypt The Light of the World* first published in 1907 and the crowning achievement of the self-taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs. Here Cosimo proudly presents Book 8 of *Ancient Egypt* in which Massey connects the stories of the Egyptians with the tales and lessons of the Hebrew prophets likening David to Osiris and the King of Glory and Lord of Hosts that is Yahweh to the sun god of astronomical mythology. With similar symbology of flocks and shepherds, light and darkness and immortality in an afterlife, it is impossible Massey argues not to see deep connections to and influences of Egyptian wisdom in that of the Hebrews. Peculiar and profound, this work will intrigue and delight readers of history, religion, and mythology.

British author GERALD MASSEY 1828-1907 published works of poetry, spiritualism, Shakespearean criticism, and theology, but his best-known works are in the realm of Egyptology, including *A Book of the Beginnings* and *The Natural Genesis*. *In the Lion's Mouth* Joan Campion, 2000 Buy this book now only at the iUniverse.com bookstore. Order from bookstores everywhere in 4-6 weeks. *In the Lion's Mouth* tells the dramatic story of Gisi Fleischmann, the middle-aged widow who headed the Jewish relief and rescue efforts in Slovakia during the Holocaust. Frantic to stop deportations from their country and to save Jews throughout Europe, Gisi and her colleagues daringly explored a controversial question: Was it possible to bargain with the Nazis for lives?

Eliezer-Zusman of Brody Zvi Orgad, 2022-06-08 *Eliezer Zusman of Brody: The Early Modern Synagogue Painter and His World* discusses Jewish cultural and artistic migration from Eastern Europe to German lands in the first half of the eighteenth century. Focusing on Eliezer Zusman of Brody, who painted synagogues in the Franconia area, hitherto neglected biographical aspects and work methods of religious artisans in Eastern and Central Europe during the early modern period are revealed. What begins as a study of synagogue paintings in Franconia presents an unexpectedly intensive glimpse into the lives and sacred products of painters at the periphery of Jewish Ashkenazi existence.

Animal Metaphors and the People of Israel in the Book of Jeremiah Benjamin Foreman, 2011-10-06 Though interest in the use of metaphor in the Hebrew Bible has gained momentum in recent years, there is to date no investigation which concentrates exclusively on the animal metaphors in the book of Jeremiah. In this book, the author brings to light this neglected area of study by examining the language and imagery of the animal metaphors for the people of Israel in the book of Jeremiah. The contribution that these metaphors make to the theology of the book is given special attention, and since different interpretations have been given to many of the metaphors in question, the author resolves some of the questions regarding the meaning of these images in his in-depth study. Additionally, scholars have not tended to research metaphors for the nation of Israel, and thus this volume draws attention to a particular subject which has largely been overlooked. In chapter one, Foreman familiarizes the reader with the major theoretical approaches to metaphor and spells out the approach taken in his investigation. Eighteen metaphors are then thoroughly analyzed in chapters two

three and four These metaphors are grouped into three categories each of which constitutes a chapter pastoral metaphors mammal metaphors and bird metaphors Chapter five draws the results of the inquiry together This study reveals how animal metaphors make important theological claims about the nation of Israel and demonstrates that they are essential elements of the message of the book of Jeremiah Foreman s elucidation of the language and imagery of the animal metaphors for the people of Israel leads to a richer understanding of these metaphors and ultimately contributes to a more precise interpretation of the message of the book of Jeremiah as a whole

One or Two Translators? Bryan Beeckman, 2023-12-31 In 1946 Gillis Gerleman proposed a single translator for LXX Proverbs and LXX Job After he launched this hypothesis scholars have either confirmed or debunked this hypothesis Although attempts have been made to come up with an adequate answer to the question of a single translator for both Proverbs and Job scholars have thus far not reached consensus Moreover the attempts that have been made are not at all elaborate Thus the question remains unsolved This book tries to formulate an answer to the question of a single translator for both Proverbs and Job by examining the translation technique and theology of both books The translation technique of both books is analysed by examining the Greek rendering of Hebrew hapax legomena animal floral plant and herb names The theology is examined by looking at the pluses in the LXX version which contain and The results of these studies are compared with one another in order to formulate an answer to a single translator By doing so this book not only formulates an answer to a single translator for both LXX Proverbs and Job but also characterises their translation technique and theology in greater detail
