G.K. Hall Bibliographic Guide to Latin American Studies Benson Latin American Collection, 1999 Place and Displacement in the Narrative Worlds of Jorge Luis Borges and Julio Cortázar Nataly Tcherepashenets, 2008 Place and Displacement in the Narrative Worlds of Jorge Luis Borges and Julio Cortázar engages the notions of place and displacement as heuristic devices for literary analysis of Borges's and Cortázar's narratives It maps out these authors' visions of place and displacement in some of their most famous texts locates the place of Borges's texts within Cortázar's fictional universe and delineates new routes in communication between different literary traditions and philosophical and anthropological discourses This book also suggests that the challenge of a strict opposition between place and displacement in Borges's and Cortázar's works is both representative and emblematic of a continuum of Latin American literature
