

The Hedge Witch

She stays at home and tends her soil
The slugs and snails she aims to foil
No poison for her herbs and flowers
Only copper round the bowers

Her herbs are gathered with the dew
Mint and sage and feverfew
She carefully makes her witch's simples
For anything from colds to pimples!

Her food's a 'simmer on the stove
Gathered from her sunny grove
No meat or gristle in her pot
A sickly meat-eater she is not!

At night she flies out on her broom
To dance and sing beneath the moon
Watched only by her guardian cat
Awaiting patiently her well earned pat

Witch Lisa Lister, 2017-05-09. Reclaim your inner witch with the magical rituals, divination tools, spells, and ancient wisdom in this revolutionary book. A witch is a woman in her power. She is wise, a healer, someone who is aligned with the cycles of Mother Nature and the phases of the Moon. Yet for so long, the word witch has had negative connotations, being used as an insult, a slur, and to perpetuate fear. In this book, third-generation hereditary witch Lisa Lister explains the history behind witchcraft, why in past centuries the word witch has led women to be tortured, drowned, and burned at the stake, and why the witch is now waking once again in women across the world today. This book will help women to remember, reconnect, and reclaim the word witch and its power. It explores the many different versions of witchcraft and their core principles and practices and shares ancient wisdom made relevant for waking witches, including how to align your energy with the wheel of the year, the sabbats, and the cycles of the Moon. Connect with and trust your intuition. Use divination tools such as oracle cards, scrying, and rune reading. Cast circles, create altars, and set sacred space. Work with the elements of nature and use herbs and crystals. Discover and work with five different aspects of the witch: the Force of Nature, the Creatrix, the Healer, the Oracle, and the Sorceress. Rediscover your powers and manifest your reality with spell-casting. Lisa also shares her own journey to reclaiming the word witch, along with personal hands-on rituals and spells from her family lineage of gypsy witch magic.

Witchcraft Today - 60 Years On Trevor Greenfield, 2014-06-27. In the sixty years following the publication of Gerald Gardner's *Witchcraft Today*, new paths have appeared, and older ones emerged out of the shadow of repression and illegality to express with a new and more confident voice their beliefs and practice and share with a steadily growing audience their knowledge, their certainties, their questions, and their vision. This book is a celebration of some of the many paths that Witchcraft/Wicca has taken and of the journeys that people have embarked upon.
