Hedi Slimane Berlin:

Hedi Slimane Hedi Slimane, 2003 Praise for Hedi Slimane's *Intermission* his first photo book If you thought Hedi Slimane's talents began and ended with tailoring you are so wrong his latest project *Intermission* shows off His Slimness's skills as a photographer Nylon Fresh from the latest season of menswear couture and his last book project an imaginative artist's book that melded photographs of draped fabrics with impossible materials here is Hedi Slimane's latest creation Here is Berlin heard not as the symphony of a large city but as a quiet emotive ballad Here is Berlin as Hedi Slimane has captured it photographing his surroundings his friends and the ordinary places where unglamorous lives are led in the German capital In intense photos that visualize a young generation's attitude toward life Slimane reveals the shared desire for something other than feelings of security and prefabricated ideas *Little Book of Berlin Style* Amelie Stanescu, 2025-09-04 With an international population bringing culture from all over the world a reputation for cool minimal style read black and a party scene where what you wear is everything Berlin has a reputation as one of the most stylish cities in the world From the turbulence of the early twentieth century to today's status as a beacon for artists writers and hedonists *Little Book of Berlin Style* is your fully illustrated guide to Europe's edgiest city From street style to the catwalk and from the club to the atelier over 100 images depict the buzzing fashion scene of this cult capital of contemporary fashion **David Bowie and**

Transmedia Stardom Ana Cristina Mendes, Lisa Perrott, 2020-05-21 Addressing the interart intertextual and intermedial dimensions of David Bowie's sonic and visual legacy this book considers more than five decades of a career invested with a star's luminosity that shines well beyond the remit of pop music The book approaches the idea of the star David Bowie as a medium in transit undergoing constant movement and change Within the context of celebrity studies the concept of stardom provides an appropriate frame for an examination of Bowie's transmedial activity especially given his ongoing iconic signification within the celestial realm While Bowie has traversed many mediums he has also been described as a medium which is consistent with the way he has described himself With contributions from a wide range of disciplinary areas and countries each chapter brings a fresh perspective on the concept of stardom and the conceptual significance of the terms mediation and navigation as they relate to Bowie and his career Containing a multitude of different approaches to the stardom and mediation of David Bowie this book will be of interest to those studying celebrity audio and visual legacy and the relationships between different forms of media It was originally published as a special issue of *Celebrity Studies*

Fashioning Indie Rachel Lifter, 2019-10-31 In 2005 British supermodel Kate Moss went to Glastonbury with her then boyfriend indie rocker Pete Doherty Their unwashed appearance captured widespread attention propelling the British indie music scene and its signature look slender bodies clad in skinny jeans to the center of popular fashion Using this fashionable watershed as a launching point *Fashioning Indie* narrates indie's evolution from a 1980s British music subculture into a 21st century international fashion phenomenon It explores the lucrative transformation of indie style first into high concept

menswear and later into festival fashion a womenswear phenomenon that remade what indie looked like and provided a launching point to reimagine who the ideal subject of indie could be *Fashioning Indie* is essential reading for academic and popular audiences offering an original account of what happens when a subculture is incorporated into the commercial fashion system As the music and fashions of festivals face increasing scrutiny in debates about diversity and inclusion and the transformations of indie style coincide with the global expansion of the second hand retail sector the book offers also essential insights into the broader culture of popular fashion in the 21st century and the values that inform it *David Bowie and the Moving Image* Katherine Reed, 2022-12-15 The central image of David Bowie's *Life on Mars* could have been ripped from his own experience a child sits hooked to the silver screen reliving fantastical scenes played out on film Throughout his life Bowie was similarly transfixed by the power of film From his first film role in *The Image* to his final music video before his death *Lazarus* Bowie's musical output has long been intrinsically linked to images Analyzing Bowie's music videos planned film projects acting roles and depictions in film *David Bowie and the Moving Image* provides a comprehensive view of Bowie's work with film and informs our understanding of all areas of his work from music to fashion to visual art It enters the debate about Bowie's artistic legacy by addressing Bowie as musician actor and auteur **Fashion Film** Nick Rees-Roberts, 2018-12-13 The moving image has become a key marketing tool for luxury fashion central in enabling brands to shape their visual codes and extend their brand awareness *Fashion Film* is the first detailed study of the shifting shape of fashion imagery in the digital age investigating the role of the moving image in the promotion communication and spectacle of contemporary fashion Combining interdisciplinary analysis of cinema and digital culture this ground breaking book traces the emergence of fashion film in the 21st century through its historical roots in pre digital forms of photography experimental cinema mass media advertising and documentary film making right up to today's visual spread of contemporary fashion on video blogs online magazines and live streamed catwalk shows Examining collaborations between fashion designers and pioneering image makers such as Guy Bourdin Jean Paul Goode William Klein and Nick Knight the book highlights the critical tension between the fashion film conceived as a creative endeavour and as commercial enterprise *Fashion Film* also includes a parallel focus on factual representations of fashion through the recent rise of documentary fashion film that goes behind the scenes to follow the processes and personalities involved in making fashion Accessible and well illustrated *Fashion Film* will appeal to students and scholars of fashion film media photography celebrity sociology and cultural studies **In the Know** Nancy MacDonell, 2007 The ultimate crash course for every woman who wants to be cool presents an entertaining fact filled guide on how to navigate life with style and flair offering practical advice on everything from knowing why Jackson Pollock is important to which handbag can get you upgraded at the airport Original 40 000 first printing **Pious Fashion** Liz Bucar, 2017-09-04 For many Westerners the veil is the ultimate sign of women's oppression But Liz Bucar's take on Muslim women's clothing is a far cry from this attitude She invites readers to join her in three

Muslim majority nations as she surveys pious fashion from head to toe and shows how Muslim women approach the question What to wear with style *Pious Fashion* Elizabeth M. Bucar, 2017-09-04 Who says you can't be pious and fashionable Throughout the Muslim world women have found creative ways of expressing their personality through the way they dress Headscarves can be modest or bold while brand name clothing and accessories are part of a multimillion dollar ready to wear industry that caters to pious fashion from head to toe In this lively snapshot Liz Bucar takes us to Iran Turkey and Indonesia and finds a dynamic world of fashion faith and style Brings out both the sensuality and pleasure of sartorial experimentation Times Literary Supplement I defy anyone not to be beguiled by Bucar's generous hearted yet penetrating observation of pious fashion in Indonesia Turkey and Iran Bucar uses interviews with consumers designers retailers and journalists to examine the presumptions that modest dressing can't be fashionable and fashion can't be faithful Times Higher Education Bucar disabuses readers of any preconceived ideas that women who adhere to an aesthetic of modesty are unfashionable or frumpy Robin Givhan Washington Post A smart eye opening guide to the creative sartorial practices of young Muslim women Bucar's lively narrative illuminates fashion choices moral aspirations and social struggles that will unsettle those who prefer to stereotype than inform themselves about women's everyday lives in the fast changing diverse societies that constitute the Muslim world Lila Abu Lughod author of *Do Muslim Women Need Saving* Elle, 2003 **Anthology of a Decade** Hedi Slimane, 2011 French fashion designer Hedi Slimane began taking photographs long before he started making clothes as his recent Anthology of a Decade revealed I've always taken pictures he told former Interview magazine editor Ingrid Sischy almost like some people take notes or write down their thoughts This volume presents a collection of Slimane's black and white photographs taken in Moscow and Berlin portraits of young men at military academies on manoeuvres exercising or resting collectively or alone as well as still lifes and snow scenes taken in both cities This publication is revelatory both as a hitherto little known instance of Slimane's many talents and as an elucidation of his work in fashion The Great Fashion Designers Brenda Polan, Roger Tredre, 2020-01-09 Over the last 180 years designers have propelled fashion from an elite craft into a cornerstone of popular culture This brilliantly written guide to the lives and collections of 55 iconic fashion designers draws on the latest academic research and the best of fashion journalism including the authors own interviews with designers Beginning with 19th century couturier Charles Frederick Worth and concluding with the star names of the 2010s Polan and Tredre detail each designer's working methods and career highlights to capture the spirit of their times This beautifully illustrated revised edition features five new designer profiles Hedi Slimane Raf Simons Phoebe Philo Alessandro Michele and Demna Gvasalia It's also been updated throughout to reflect a fashion world in constant ferment with designers swapping jobs and fashion houses at unprecedented speed The industry has expanded into a global phenomenon and designers have emerged as true celebrities The Great Fashion Designers explores their passion and flair to show us fashion at its most inspirational *Tank*, Little Book of Celine Frances Solá-Santiago, 2025-06-05 Timeless elegant and

innovative Celine sits at the intersection of high fashion and minimal sophistication Beginning with the origins of the house in 1940s Paris and coming right up to Hedi Slimane s current stewardship Phoebe Philo s groundbreaking years at the brand are also covered in depth with every significant piece unpacked including the glove shoe furry sliders the pyjama shirt and the Trapeze bag With 100 stunning images and expert text Little Book of Celine tells the whole story of a sophisticated luxe sportswear brand whose designs have become cult classics

Taste, Consumption and Markets Zeynep Arsel,Jonathan Bean,2018-09-21 Taste is a core concept for the social sciences and an orienting notion in everyday practice It is of equal relevance to academics and laypeople alike Theorizations of taste are frequently multi disciplinary bringing an opportunity to cross fertilize ideas and concepts At the same time a reader challenged by the diverse body and dispersed nature of theories on taste needs guidance navigating the literature and framing areas of interest Until now those interested in an academic perspective on the concept have had to traverse a wide range of literature This is the first book that assembles a range of writings on taste from across disciplines to provide the reader with a sense of the emerging and expanding boundaries of this field of study Taste Consumption and Markets offers a comprehensive and up to date review of taste with an emphasis on how taste shapes boundaries subcultures and global culture complemented by an introduction that provides a scaffold for the reader and a concluding section that reflects on the past present and future of research on taste It shows the latest state of knowledge on the topic and will be of interest to students at an advanced level academics and reflective practitioners It addresses the topics with regard to the sociology of taste and consumption and will be of interest to researchers academics and students in the fields of consumer studies consumption ethics sociological perspectives on consumption and cultural studies

Queering Russian Media and Culture Galina Miazhevich,2022-02-27 This book explores how queerness and representations of queerness in media and culture are responding to the shifting socio political cultural and legal conditions in post Soviet Russia especially in the light of the so called antigay law of 2013 Based on extensive original research the book outlines developments historically both before and after the fall of the Soviet Union and provides the background to the 2013 law It discusses the proliferating alternative visions of gender and sexuality which are increasingly prevalent in contemporary Russia The book considers how these are represented in film personal diaries photography theatre protest art fashion and creative industries web series news media and how they relate to the traditional values rhetoric Overall the book provides a rich and detailed yet complex insight into the developing nature of queerness in contemporary Russia

deep learning for natural language processing and language modelling - Aug 15 2023

web sep 21 2018 the article presents an example of practical application of deep learning methods for language processing and modelling development of statistical language models helps to predict a sequence of recognized words and phonemes and can be used for improving speech processing and speech recognition

deep learning in natural language processing springerlink - Feb 26 2022

web deep learning in natural language processing home book editors li deng yang liu provides an up to date and comprehensive survey of deep learning research and its applications in natural language processing covers all key tasks and techniques of natural language processing

deep learning for natural language processing springerlink - Feb 09 2023

web jul 6 2021 deep learning is an extension of machine learning and artificial intelligence that teaches computers to learn from experiences the same as humans do many deep learning models are successfully deployed for various natural language processing tasks for the last few years

introduction to natural language processing and deep learning - Jun 01 2022

web jun 27 2018 natural language processing nlp is an extremely difficult task in computer science languages present a wide variety of problems that vary from language to language structuring or extracting meaningful information from free text represents a great solution if done in the right manner

deep learning for natural language processing o reilly media - Dec 07 2022

web gain insights into the basic building blocks of natural language processing learn how to select the best deep neural network to solve your nlp problems explore convolutional and recurrent neural networks and long short term memory networks

deep learning for natural language processing dl4nlp - Jul 14 2023

web this website offers an open and free introductory course on deep learning algorithms and popular architectures for contemporary natural language processing nlp the course is constructed holistically and as self contained as possible in order to cover all of the basics required for understanding current research

deep learning for natural language processing sciencedirect - Apr 11 2023

web jan 1 2018 abstract in this chapter we survey various deep learning techniques that are applied in the field of natural language processing we also propose methods for computing sentence embedding and document embedding both sentence embedding and document embedding are able to capture the distribution of hidden concepts in the
