History and Becoming Craig Lundy, 2012-05-15 This book demonstrates how Deleuze's philosophy provides us with a novel and important notion of historical creativity that is a way of thinking about history as an ontological force of creativity

Uncovering Music of Early European Women (1250-1750) Claire Fontijn, 2020-04-28 *Uncovering Music of Early European Women 1250 1750* brings together nine chapters that investigate aspects of female music making and musical experience in the medieval and early modern periods Part I Notes from the Underground treats the spirituality of women in solitude and in community Parts II and III Interlude and Music for Royal Rivals respond to Joan Kelly's famous feminist question and suggest that women of a certain stature did have a Renaissance Part IV Serenissime Sirene plays with the notion of the allure of music and its risks in Venice during the Baroque The process of uncovering requires close listening to women's creative endeavors in an ongoing effort to piece together equitably the terrain of early music Contributors include Cynthia J Cyrus Claire Fontijn Catherine E Gordon Laura Jeppesen Eva Kuhn Anne MacNeil Jason Stoessel Elizabeth Randell Upton and Laurence Wuidar An invaluable book for college students and scholars interested in the social and cultural meanings of women in early music

Things Seen and Unseen Orion Edgar, 2016-04-18 The philosophy of Maurice Merleau Ponty was developing into a radical ontology when he died prematurely in 1961 Merleau Ponty identified this nascent ontology as a philosophy of incarnation that carries us beyond entrenched dualisms in philosophical thinking about perception the body animality nature and God What does this ontology have to do with the Catholic language of incarnation sacrament and logos on which it draws In this book Orion Edgar argues that Merleau Ponty's philosophy is dependent upon a logic of incarnation that finds its roots and fulfillment in theology and that Merleau Ponty drew from the Catholic faith of his youth Merleau Ponty's final abandonment of Christianity was based on an understanding of God that was ultimately Kantian rather than orthodox and this misunderstanding is shared by many thinkers both Christian and not As such Merleau Ponty's philosophy suggests a new kind of natural theology one that grounds an account of God as ipsum esse subsistens in the questions produced by a phenomenological account of the world This philosophical ontology also offers to Christian theology a route away from dualistic compromises and back to its own

deepest insight *Supreme Court* , **Sparks of Divine Glory: A Practical Study of the Attributes of God** C. Matthew McMahon,2022-03-16 Is there a good reason to study the doctrine of God Knowing God or not knowing God has eternal consequences to it The Savior came to explain the Father John 1 18 and he said that eternal life is knowing God and knowing Jesus Christ whom God sent John 17 3 Such a knowledge must include something more than a mere knowledge of facts It must show a relationship of those facts one to another and how they relate as a whole to the life of the believer Such a study must show what the spiritual benefits are to the redeemed which then turns to the spiritual experience they have as they grow in Christ This volume deals with the application of the knowledge of God and how the doctrine of God should be a practical every day consideration in the life of the redeemed believer McMahon covers all the revealed Biblical attributes and perfections of God which also include some not generally considered He covers that God is incomprehensible Trinitarian glorious a pure spirit self sufficient simple unified impassible immutable infinite omnipresent eternal invisible omniscient all wise light truth free holy good faithful love gracious merciful longsuffering sovereign omnipotent righteous just wrathful jealous and eminently beautiful He ends with a concluding chapter on how the Christian should always be rejoicing in God s majesty **The Mind's Ascent to God by a Ladder of Created Things** Saint Roberto Francesco Romolo Bellarmino,1925

How to Know You're Going to Heaven John Ankerberg,John Weldon,2014 Most Christians experience doubts at times about their salvation and that uncertainty can be alarming But either salvation is eternally secure from the moment of genuine faith or it isn t And no subject is more important than the assurance that you can know at this very moment that you possess eternal life How to Know You re Going to Heaven provides the undeniable and compelling biblical proof to resolve any uncertainty about your eternal destiny As you encounter the infinite treasure and wonder of Jesus Christ and all He has accomplished for you on the cross you will experience joy and lasting freedom once and for all forever *Against Continuity* Kleinherenbrink Arjen Kleinherenbrink,2018-12-03 Against Continuity is the first book to demonstrate that the beating heart of Gilles Deleuze s philosophy is a systematic ontology of irreducible singular entities This requires a radical break with decades of Deleuzian orthodoxy according to which Deleuze s metaphysics revolves around the dissolution of discrete entities into a continuous world of flows and events With reference to all of Deleuze s work including published and untranslated seminars as well as the recently published *Lettres et autres textes* Arjen Kleinherenbrink critically compares Deleuze s ontology to seven related contemporary thinkers Levi Bryant Maurizio Ferraris Markus Gabriel Manuel DeLanda Graham Harman Tristan Garcia and Bruno Latour These comparisons establish Deleuze as an important precursor to object oriented speculative realism and open up exciting new avenues of thought for critics and supporters of Deleuze alike **Galatians, Ephesians, Philippians** Mark J. Edwards,Thomas C. Oden,2005-12-07 Paul s letters to the Galatians Ephesians and Philippians have struck an indelible impression on Christian tradition and piety In this ACCS volume the expository voices of Jerome Origen Augustine Chrysostom Ambrosiaster Theodoret Marius Victorinus and Theodore of Mopsuestia speak again

with eloquence and intellectual acumen **Canceling Appointment with Death** Akintayo Emmanuel,2021-11-03 On March 11 2020 the World Health Organization declared COVID 19 a disease caused by a virus known as SARS CoV 2 a global pandemic The year 2020 was the year that brought global change that requires a global shift and we can t be tone deaf to it This shift demands we respond swiftly to the problems Novel coronavirus claimed its first victim in Wuhan Province of China In the blink of an eye the invisible enemy had soared and has taken the lives of thousands with no regard for social class race or status Those identified as the most powerful in the world were equally affected as money power and fame did nothing to stop the virus from spreading As of April 30 2021 about 3 17 million people died of COVID 19 worldwide Many wonder why God who is Love would allow humanity to go through these horrendous times The COVID 19 pandemic storm has revealed the debility of human beings and the perfection of our God God might not hurriedly change the situation but He uses the situation to change us God uses this time to test the faith of those genuinely serving and fully committed to Him In **Canceling Appointment with Death** COVID 19 Pandemic Tayo Emmanuel invites readers around the globe to learn how to dwell in the secret place of the Most High and how to build a personal Noah s Ark for the individual and the family at such a time as this This secret place of the Most High and Noah s Ark is never a place or a structure It is Jesus Christ who has established us inside a kingdom that cannot be shaken and who has all things under His perfect control working all things after the counsel of His own will How can every appointment with death including COVID 19 and other future pandemics be annulled Tayo Emmanuel offers us answers from the revelation of God s Word that all enemies have been placed under Jesus s feet including death the last enemy And the last days church of Jesus Christ the many membered body of Christ are the feet of Jesus Christ that will take Jesus the head of the body of Christ to every nation of the world to usher in the end of the old and the beginning of the new But now we see yet not all things put under him clearly shows that the Lord Jesus Christ through the power of His Holy Spirit is at work at this moment in history **Exploring Heavenly Places - Volume 9 - Travel Guide to the Width, Length, Depth and Height** Paul Cox,Barbara Parker,2018-02-27 As we explore the heavenly places the Holy Spirit is always our guide or in a sense our spiritual travel agent In this volume our exotic destinations are the width length depth and height of which the Apostle Paul wrote in the book of Ephesians The enemy is adept at producing corrupt imitations of God s perfect creation and these realms are no exception but the love of God in Christ Jesus our Lord always outweighs the worst destruction of evil Therefore we examine both the righteous and unrighteous versions sharing revelatory insights from the Lord regarding how to escape from the ungodly places and dwell in the righteous width length depth and height where we will enjoy the abundant blessings of God **Merleau-Ponty In Contemporary Perspectives** P. Burke,J. van der Veken,2012-12-06 Merleau Ponty in contemporary perspective this was the theme of the conference at the Institute of Philosophy Katholieke Universiteit Leuven K U L from 29 November to 1 December 1991 Thirty years after Merleau Ponty s untimely death it seemed appropriate to bring together scholars from Europe and from the United States of America to

reappraise his philosophy In fact a significant body of scholarship has emerged which would seem to attest to the continuing importance of his thought for a variety of disciplines within the humanities the social sciences and the philosophy of nature In the present volume Gary Brent Madison addresses the issue whether Merleau Ponty can be considered to be a classical philosopher The fact that his work is one of the highlights of the phenomenological tradition and is of continuing inspiration for researchers in various domains seems to justify that claim Yet it is the feeling of many of the contributors to this volume that the so called second Merleau Ponty is still not really known The unfinished state of *The Visible and the Invisible* and the cryptic condition of many of the Working Notes may be responsible for that More research should be done to uncover the unsaid of Merleau Ponty

lowe to a remark of Paul Ricoeur in his introduction to the work of G B Madison *La Phenomenologie de Merleau Ponty Une recherche des limites de la conscience* Paris Klincksieck 1973 p

Depth Effects Brooke Belisle,2024-01-09 In this bold rewriting of visual culture Brooke Belisle uses dimensionality to rethink the history and theory of media aesthetics With *Depth Effects* she traces A I enabled techniques of computational imaging back to spatial strategies of early photography analyzing everyday smartphone apps by way of almost forgotten media forms Drawing on the work of Maurice Merleau Ponty Belisle explores depth both as a problem of visual representation how can flat images depict a voluminous world and as a philosophical paradox how do things cohere beyond the limits of our view She explains how today's depth effects continue colonialist ambitions toward totalizing ways of seeing But she also shows how artists stage dimensionality to articulate what remains invisible and irreducible

Evolution of God Leonardo Wolfe,2021-02-24 This debut book boldly seeks to argue competitively in the same intellectual field as famous atheists such as RICHARD DAWKINS CHRISTOPHER HITCHENS and BERTRAND RUSSELL and to do so in the spirit and style of such famous Christian apologists as C S Lewis and RAVI ZACHARIAS drawing heavily on basic science history physics psychology paleontology anthropology archeology neurology child development and even science fiction It describes the evolution of the human brain in ancient hominids allowing humans to eventually conceive a non physical realm the spirit world and as the mind evolved intellectually from primitive animism to Christology God revealed himself gradually as the developing hominid brain became able to comprehend new ideas For Believers the author presents a new intellectually satisfying way to understand and defend the Bible For both Skeptics and Believers a worldview is offered that is spiritually meaningful and scientifically sound

The Commentaries of Origen and Jerome on St. Paul's Epistle to the Ephesians Ronald E. Heine,2002-12-05 This important study provides the first English translation of both the surviving fragments of Origen's Commentary on Ephesians and of the complete text of Jerome's Commentary on Ephesians The two translations are placed parallel to one another where they treat the same texts in Ephesians thus showing Jerome's extensive dependence on Origen's commentary By using collateral texts from other works of Origen Jerome and Rufinus the author is able to show Jerome's dependence on Origen in numerous passages in his commentary where the Greek text of Origen's commentary is lost The translation is accompanied

by Heine's illuminating commentary and a substantial introduction sets the works in their historical context. The book makes a significant contribution not only to scholarship on Origen and Jerome but also to the wider question of the interpretation of scripture in the early Christian centuries.
