photographs and interviews with living members of the institute and their survivors A sweeping history told with the drama of fiction The Master Plan is at once horrifying transfixing and monumentally important to our comprehension of how something as unimaginable as the Holocaust could have progressed from fantasy to reality Pringle's engrossing book explores a little known corner of Nazi history the story of the Ahnenerbe rich in such bizarre characters ridiculous theories and colorful anecdotes Massively researched and engagingly written The Daily Telegraph SS 1 Hugh Thomas, Walter Hugh Thomas, 2001 This work is an exploration of the web of secret deals and international intrigue concerning the death and body of Heinrich Himmler Hugh Thomas reveals not only where the real body is buried but also identifies the other bodies The Private Heinrich Himmler Katrina Himmler, 2016-03-08 The English translation of the letters of Heinrich Himmler and his wife recently authenticated by the Bundesarchiv and serialized in Die Welt At the end of World War II it was assumed that the letters of Heinrich Himmler were lost Yet sixty years after Himmler's capture by British troops and subsequent suicide the letters mysteriously turned up in Tel Aviv and in early 2014 excerpts were published for the first time by the Israeli newspaper Yediot Aharonot providing a rare if jarring glimpse into the family life of one of Hitler's top lieutenants while he was busy organizing the mass extermination of the Jews It was generally held that Himmler once appointed head of the SS blended seamlessly into the Nazi hierarchy The image that emerges however is more subtle Himmler is seen here as a man whose observations can often be characterized by their unpleasant banality a man whose obsession with family life ran alongside a brutal detachment from all things human a serial killer who oversaw the persecution and extermination of all Jews and other non Aryans and those opposed to the regime His letters remove any doubt that he was the architect of the Final Solution and a man who was much closer to Hitler than many historians previously thought The letters in this edition were arranged by Katrin Himmler the great niece of Heinrich and Marga Himmler and Michael Wildt a renowned expert on the Nazi regime who also provide historical context to the letters and their author The entire work was translated by Thomas S Hansen and Abby J Hansen Masters of Death Richard Rhodes, 2007-12-18 In Masters of Death Pulitzer Prize winning author Rhodes gives full weight for the first time to the Einsatzgruppen's role in the Holocaust These special task forces organized by Heinrich Himmler to follow the German army as it advanced into eastern Poland and Russia were the agents of the first phase of the Final Solution They murdered more than 1.5 million men women and children between 1941 and 1943 often by shooting them into killing pits as at Babi Yar These massive crimes have been generally overlooked or underestimated by Holocaust historians who have focused on the gas chambers In this painstaking account Pulitzer Prize winning author Richard Rhodes profiles the eastern campaign's architects as well as its ordinary soldiers and policemen and helps us understand how such men were conditioned to carry out mass murder Marshaling a vast array of documents and the testimony of perpetrators and survivors this book is an essential contribution to our understanding of the Holocaust and World War II **The Iron Heart Reinhard Heydrich**

Johana Connor, Reinhard Tristan Eugen Heydrich known to the Nazis as The Blond Beast and to others as Hangman Heydrich was the main architect of Hitler's Final Solution and one among the main architects of the Holocaust in which the Nazis intended to destroy the entire Jewish population of Europe Heydrich was a cold calculating manipulator without empathy Heydrich was described as a guy with ruthless brave and cold intelligence for whom truth and goodness had no fundamental significance Heydrich's attitude was so icy and cold blooded that even other Nazis found it unsettling He joined the Nazi party in June 1931 and became a member of the SA a gang of thugs that engaged in street fights and bar brawls with communists He stood out as one of Nazi Germany's cruelest and most heinous mass killers Both those who worked for Heydrich and those unlucky enough to be subjected to his influence feared him Heydrich's primary responsibility was the murder of many Jews and other enemies of the Reich A monument was built in memory of Heydrich's killers by their surviving comrades Even though Heydrich was assassinated in 1942 at the age of 38 his influence permeated every aspect of Nazi Germany One of the most vicious Nazi war criminals of the Holocaust the man who believed it was his job to save the world from intellectual and moral degradation has gained notoriety since the war Was this to be the leader of the third reich or hatred towards the Jews Get yourself the book to know the brutal stories of the blond beast who drove the anti Jewish policies

Heinrich Himmler Max Williams, 2014 I was following orders The answer most commonly quoted by SS men accused of atrocious crimes after Germany had surrendered in 1945 But who gave those orders Who was the mastermind behind the sophisticated machinery which allowed men from normal family backgrounds to kill on such a scale The right man at the right time fate steered Heinrich Himmler to take control of an organization destined to carry out Hitler's racial policies This study not only sets out in detail how Heinrich Himmler's daily routine allowed him to implement Nazi strategy but it also provides illustrations of the man behind much of it both at work and at home Of all the personalities of history demonized by postwar writers Heinrich Himmler ranks among the most reviled His legacy is one of hatred violence and cold blooded murder on a vast scale A Jekyll and Hyde character variously described by his generation and those who followed as charming loyal polite a pedant an eccentric an organizational genius a fool a desk killer and a loving father The camera allows us into his world albeit temporarily and we can equate his busy but mostly mundane schedule with contemporary images frozen in time

REVIEWS text as engaging as the illustrations and highly recommend this marvelous book to all who think they've seen everything about Heinrich Himmler
