Heir's Journey of Promise David O. Daulton, 2014-07-24 Very often the Father gives to His children special presents They are given along with thousands of other blessings on a daily basis and if we are truly honest with ourselves and look at these presents we will be all the more grateful This is an account based on the facts presented in the Bible and largely on the prophetic Scriptures I realize that many in the church those who claim to be Christians will not allow themselves to believe on these Scriptures This is heartbreaking for I believe this will be to their great harm This book will try to convince the reading Christian of how truly dear he or she is to the Father and how He longs for us to be close to Him in His Son And no it isn't inspired but God did through His Word turn the lights on This is more than a bedtime story for children of all ages My hope is that it will be a great encouragement for though we may grow a bit weary in our journey we still enjoy the good fight We are very dear to the One who has already won it and He looks forward to greeting us on the other side And men everywhere should seek Him with a new zeal for He will soon rise to shake violently the earth Even so come Lord Jesus
