food in the twentieth century At a time when stuffy French restaurants and soulless Continental cuisine prevailed Beard invented something strange and new the notion of an American cuisine Informed by previously overlooked correspondence years of archival research and a close reading of everything Beard wrote this majestic biography traces the emergence of personality in American food while reckoning with the outwardly gregarious Beard s own need for love and connection arguing that Beard turned an unapologetic pursuit of pleasure into a new model for food authors and experts Born in Portland Oregon in 1903 Beard would journey from the pristine Pacific Coast to New York s Greenwich Village by way of gay undergrounds in London and Paris of the 1920s The failed actor turned Manhattan canap hawker turned author and cooking teacher was the jovial bachelor uncle presiding over America s kitchens for nearly four decades In the 1940s he hosted one of the first television cooking shows and by flouting the rules of publishing would end up crafting some of the most expressive cookbooks of the twentieth century with recipes and stories that laid the groundwork for how we cook and eat today In stirring novelistic detail *The Man Who Ate Too Much* brings to life a towering figure a man who still represents the best in eating and yet has never been fully understood until now This is biography of the highest order a book about the rise of America s food written by the celebrated writer who fills in Beard s life with the color and meaning earlier generations were afraid to examine

HomeBaking Jeffrey Alford,Naomi Duguid,2016-10-21 Home baking may be a humble art but its roots are deeply planted On an island in Sweden a grandmother teaches her granddaughter how to make slagbrot a velvety rye bread just as she was taught to make it by her grandmother many years before In Portugal village women meet once each week to bake at a community oven while the large stone oven heats up children come running for sweet sugary flatbreads made specially for them In Toronto Naomi makes her grandmother s recipe for treacle tart and Jeffrey makes the truck stop cinnamon buns he and his father loved From savory pies to sweet buns from crusty loaves to birthday cake from old world apple pie to peanut cookies to custard tarts these recipes capture the age old rhythm of turning simple ingredients into something wonderful to eat HomeBaking rekindles the simple pleasure of working with your hands to feed your family And it ratchets down the competitive demands we place on ourselves as home cooks Because in striving for professional results we lose touch with the pleasures of the process with the homey and imperfect with the satisfaction of knowing that you can as a matter of course prepare something lovely and delicious and always have a full cookie jar or some homemade cake on hand to offer Jeffrey Alford and Naomi Duguid collected the recipes in HomeBaking at their source from farmhouse kitchens in northern France to bazaars in Fez They traveled tens of thousands of miles to six continents in search of everyday gems such as Taipei Coconut Buns Welsh Cakes Moroccan Biscotti and Tibetan Overnight Skillet Breads They tasted interpreted photographed and captured not just the recipes but the people who made them as well Then they took these spot on flavors of far away and put them side by side with cherished recipes from friends and family closer to home The result is a collection of treasures cherry strudel from Hungary stollen from Germany bread pudding from Vietnam anise crackers from Barcelona More than two hundred recipes that resonate with the joys and flavors of everyday baking at home and around the world Inexperienced home bakers can confidently pass through the kitchen doors armed with Naomi and Jeffrey s calming and easy to follow recipes A relaxed easy handed approach to baking is they insist as much a part of home baking traditions as are the recipes
