Jurik, 2012-08-15 *Justice Provocateur* focuses on *Prime Suspect* a popular British television film series starring Oscar and Emmy award winning actress Helen Mirren as fictional London policewoman Jane Tennison Gray Cavender and Nancy C Jurik examine the media constructions of justice gender and police work in the show exploring its progressive treatment of contemporary social problems in which women are central protagonists They argue that the show acts as a vehicle for progressive moral fiction fiction that gives voice to victim experiences locates those experiences within a larger social context transcends traditional legal definitions of justice for victims and offers insights into ways that individuals might challenge oppressive social and organizational arrangements Although *Prime Suspect* is often seen as a uniquely progressive feminist inspired example within the typically more conservative male dominated crime genre Cavender and Jurik also address the complexity of the films gender politics Consistent with some significant criticisms of the films they identify key moments in the series when Tennison's character appears to move from a successful woman who has it all to a post feminist stereotype of a lonely aging career woman with no strong family or friendship ties Shrewdly interpreting the show as an illustration of the tensions and contradictions of women's experiences and their various relations to power *Justice Provocateur* provides a framework for interrogating the meanings and implications of justice gender and social transformation both on and off the screen *Prime Suspect* Deborah Jermyn, 2017-11-07 April 7 1991 saw the broadcast of the first instalment of *Prime Suspect* a new crime series by screenwriter Lynda La Plante starring Helen Mirren as DCI Jane Tennison The drama focused on the desperate efforts of the Metropolitan Police to catch and convict a serial killer targeting women in a series of particularly gruesome attacks while Tennison battles male colleagues who resent her taking charge of the case Over seven series *Prime Suspect* went on to tackle issues such as racism homophobia and child abuse establishing La Plante as a leading TV dramatist winning multiple industry accolades for its stars and production team including a clutch of BAFTAs and EMMYs and gaining

distribution all over the world Deborah Jermyn's study examines exactly what made *Prime Suspect* so distinctive and controversial and the role it played in transforming the TV crime drama Jermyn places the series in the context of earlier TV crime series particularly those such as *Juliet Bravo*, *The Gentle Touch* and *Cagney* its unflinching portrayal of the bodies of murder victims and its cinematic shooting style Recognising *Prime Suspect* as one of the most striking acclaimed and influential texts in British television history Jermyn acknowledges the key roles played by the original screenwriter Lynda La Plante and by Helen Mirren as Jane Tennison
