The Poems of Browning: Volume Four John Woolford, Daniel Karlin, Joseph Phelan, 2014-05-12 The Poems of Robert Browning is a multi volume edition of the poetry of Robert Browning 1812 1889 resulting from a completely fresh appraisal of the canon text and context of his work The poems are presented in the order of their composition and in the text in which they were first published giving a unique insight into the origins and development of Browning's art Annotations and headnotes in keeping with the traditions of Longman Annotated English Poets are full and informative and provide details of composition publication sources and contemporary reception Volumes one 1826 1840 and two 1841 1846 presented the poems from his Browning's early years while volume three 1847 61 covered the period of his marriage to Elizabeth Barrett and residence in Italy Volume four 1862 71 deals with the decade following Elizabeth's death and Browning's return to England These years saw the appearance of some of his most significant work and a steady rise in his critical reputation In *Dramatis Personae* 1864 Browning uses his characteristic dramatic mode to expose predicaments of thought and feeling in characters ranging from Shakespeare's Caliban to the cheating medium Mr Sludge other poems dramatize Browning's complicated feelings about the deceptions and self deceptions of romantic love *Balaustion's Adventure* 1871 is an engaging reworking of Euripides *Alceste* whose theme the resurrection of a beloved lost wife has poignant personal resonance for Browning while *Prince Hohenstiel Schwangau* published in the same year offers a thinly veiled account of the life and actions of Napoleon III the recently deposed Emperor of France over whom Browning and Elizabeth had quarrelled In these two long poems Browning can be seen engaged in the dialogue with Elizabeth that was to shape much of his work during the remainder of his writing life **Canada's Governors General, 1847-1878** Barbara Jane Messamore, 2006-01-01 Oft ignored in the study of Canadian history or dismissed as a vestige of colonial status the governor general's office provides essential historical insight into Canada's constitutional evolution In the nineteenth century as today individual governors general exercised considerable scope in interpreting their approach to the office The era 1847 1878 witnessed profound changes in Canada's relationship with Britain and in this new book Barbara J Messamore explores the nature of these changes through an examination of the role of the governor general Guided by outmoded instructions and constitutional conventions that were not yet firmly established the governors general of the time Lord Elgin Sir Edmund Head Lord Monck Lord Lisgar and Lord Dufferin all wrestled with the implications of colonial self government The imprecision of the viceregal

role made the character of the appointee especially important and biographical details are thus essential to an understanding of how the new experiment of colonial self government was put into practice Messamore's book marries constitutional history and biography providing illumination on some of the key figures of nineteenth century Canadian politics **Dictionary Catalog of the Henry W. and Albert A. Berg Collection of English and American Literature** Berg Collection, New York Public Library, 1969 **Ireland** Stephen Lucius Gwynn, 1928 **Texas Review**, 1922 *Southwest Review*, 1921

Dangerous Muse Nancy Schoenberger, 2012-07-18 Caroline Blackwood was born into the Guinness family in 1931 the daughter of the Fourth Marquess and Marchioness of Dufferin and Ava Brought up on the ancestral estate in Northern Ireland Blackwood moved easily among the Anglo Irish aristocracy the Soho bohemians of postwar England and the liberal intelligentsia of 1960s New York She was on intimate terms with some of the most celebrated artists and writers of her time An unpredictable beauty known for her wit and her courage she has been called a muse to genius But her marriages to three brilliant men the painter Lucian Freud the composer Israel Citkowitz and the poet Robert Lowell were as troubled as they were inspiring During her marriage to Lucian Freud Caroline became part of an artistic and literary group that included Francis Bacon and Cyril Connolly who was infatuated with her but eventually Freud's gambling caused irrevocable problems between them Caroline was also in the grips of her own unfolding tragedy a fatal attraction to alcohol that would plague the rest of her life Upon the breakup of her first marriage she moved to America where she met her second and third husbands Once regarded as the obvious successor to Aaron Copland Israel Citkowitz had stopped composing long before he met Caroline While he and Caroline had three children together it was her subsequent seven year marriage to Robert Lowell that she considered her main marriage Her life with Lowell was probably the most difficult time of her life as she dealt with his increasingly frequent and worsening attacks of mania And to Lowell she was not only an inspiration but—as he described in his Pulitzer prize winning book of verse *The Dolphin* she was also a mermaid who dines upon the bones of her winded lovers In 1977 Robert Lowell fled London to return to his former wife Elizabeth Hardwick He died from a heart attack in the backseat of a taxi clutching *Girl in Bed* Lucian Freud's haunting portrait of Caroline Blackwood was an artist in her own right Her literary talents were dark and satiric her ten books of fiction and nonfiction betrayed an extraordinary eye for human physiognomy attire and behavior Arguably her best book *Great Granny Webster* described the comic terrors of her upbringing in Northern Ireland and was shortlisted for the Booker Prize She herself died of cancer on Valentine's Day 1996 at the age of sixty four *Dangerous Muse* is the first biography of Lady Caroline Blackwood Drawing upon numerous interviews and unpublished letters from Blackwood's mother Maureen Dufferin and friends and family including Andrew Harvey Jonathan Raban John Richardson and Caroline's sister Perdita Blackwood Nancy Schoenberger eloquently captures one of the most original and provocative figures in contemporary letters of the twentieth century *The Hills of Hell and Other Verses* Desmond Mountjoy, 1911 *Official Guide to County Down and the Mourne Mountains* Robert Lloyd
