people fled Estonia in the face of the Red Army's advance most of them believed the Soviet occupation would be short lived and they would soon be able to return home A comprehensive study of a common yet neglected phenomenon this book tells the stories of the hoards of valuable belongings hidden by these Estonian escapees The sheer variety of objects including those that remain buried those that vanished and those that were recovered touches upon all levels of history from personal memories to high politics In essence this work of contemporary archaeology not only reflects upon the intimate relationship between material culture and memory but also demonstrates how events on the world stage can shape the fate of individual families across generations *Looking at Children: Field Experiences in Child Study* Richard Goldman, 1976-08 Looking at

researching the rainforests one of whom later became Carter's husband. A Peruvian filmmaker did in fact turn the ordeal into a television movie but Carter professes not to know the title or release date. She has no time for such things; she's too busy continuing to live a life most of us can only imagine. It was her adventurous spirit that led Carter to set up her agency Envoy Travel in 1971 in Lubbock, Texas, where her husband has established himself as an associate dean at Texas Tech University. Lest you think married life and operating a thirty-six-year-old business has tamed her, Carter kayaks every morning and a few days after we spoke she was on her way to a polar bear expedition in Churchill, Canada. Whatever you do in life is a big commitment so it needs to be fun, says Carter, who's been to all seven continents. I love this business. There is nothing more fun in life than talking about destinations. And Carter has a lot of stories to tell so much so that she landed the cover of *Travel Agent* in 1992 and in 1995 self-published a book *Travel Like a Millionaire Without Being One* which is being updated for a second printing. Her zest for life is infectious. She personally runs select small group trips leading people on a pilgrimage to Santiago, Spain, and taking others to the Arctic Circle to stay with Eskimos. Many of the local operators she uses have been discovered and vetted through her own travels. Wherever I go I make friends, Carter says, who also works with such suppliers as Abercrombie, Kent, Butterfield, Robinson, and Clipper Adventures. I went to India and my goal was to experience yoga with the best teacher there. I checked the prices and it was 850 a night. I thought I'm not going to spend that kind of money. She left for India and on the way met a yoga teacher who invited her to dinner. It turned out that the family is the number one yoga family in India; even the Clintons have studied with them, Carter shares. They live very, very basic but the simplicity of their lifestyle is something that we all can learn from.

*OtherSpace* Wes Platt, 2003-02-10. For millennia the Kamir and their creation the Il Ri Kamm Hive Mind have warred against each other and their allies. Now in the 31st Century the crew of the VES Minerva are charged with the mission of bearing a small boy to a desolate, deadly world where the two ancient races will face each other in a final showdown. If the Minerva succeeds the two races will annihilate each other and OtherSpace faster than light drives will cease functioning. If the Minerva fails corporeal life will be destroyed. OtherSpace Storm Warning is a snapshot of the shared epic that has been told online in real time since 1998 by participants from around the world. The universe and several key characters are the creation of Wes Platt but the characters of participants help flesh out and spark critical events that shape the history of the text-based improvisational storytelling environment. Having overrun much of Europe and North Africa, Germany's glorious military has no spare horses for frivolous childhood dreams. Stubborn as any good German, Helga contrives several ill-fated attempts to ride. By late 1944 Helga has no choice but to forgo her dream and face a terrible reality. Her country is losing the war.
