Victor M. Corman

Hell For Leather A Modern Cricket Journey:

Hell for Leather Robert Winder, 1997 *The Little Wonder* Robert Winder, 2013-04-11 John Wisden at his peak known as The Little Wonder was a key member of the England cricket team who in 1859 sailed across the Atlantic on the world's first overseas cricket tour. In 1864 after his retirement Wisden published the first edition of the book that would make his name immortal. He printed full and accurate scores along with indispensable facts about the Derby, the St Leger, the university rowing matches and other interesting information including potted histories of the Wars of the Roses. The 1864 edition is now valued at anything up to 25 000 and Wisden Cricketers Almanack has been published continuously ever since. Not for nothing is it known as the cricketer's bible. The Almanack has despite some close shaves never missed a year. In 1937 it was just 48 hours from liquidation and in the Second World War a German bomber set fire to the company's headquarters destroying its records. And yet somehow the yellow since 1938 book has retained its antique rugged character. It is a labour of love collection of records for cricket obsessives but also a hearty eccentric. It loves to count the number of wides in a season but also delights in relating tales from far flung pavilions. Through the telling of Wisden's story we also glimpse the history of English and world cricket. The book is a window onto the game's most charismatic characters its high points, lows and political storms. In *The Little Wonder* Robert Winder traces the central role the game has played in national life for so long. The book's 150th anniversary in 2013 is the ideal time to tell the extraordinary story of Wisden's and cricket's journey from Victorian times to the modern world. New every year it feels as though it has been with us for ever.

The English Jeremy Paxman, 2001-10-02 The acclaimed author of *On Royalty* explores the mysteries of English identity in this witty argumentative book bursting with good things. *The Daily Telegraph* A Sunday Times Top Ten Bestseller. Being English used to be easy. As the dominant culture in a country that dominated an empire that dominated the world they had little need to examine themselves and ask who they were. But something has happened over the past century. A new self confidence seems to have taken hold in Wales and Scotland while others try to forge a new relationship with Europe. What exactly sets the English apart from their British compatriots? Is there such a thing as an English race? Renowned journalist and bestselling author Jeremy Paxman traces the invention of Englishness to its current crisis and concludes that for all their characteristic gloom about themselves the English may have developed a form of nationalism for the twenty first century. Paxman's irrepressibly witty bit of Anglo scholarship offers stirring insights. *Vanity Fair*

The Final Act Of Mr Shakespeare Robert Winder, 2010-11-04 In the spring of 1613 Mr William Shakespeare a gentleman farmer in Warwickshire returns to London. It is a ceremonial visit he has no further theatrical ambitions. But the city is still reeling from the terrorist panic of the Gunpowder Plot of 1605 and fate soon forces him to take up his pen again. It was never possible to write about Henry VII while his granddaughter Elizabeth was Queen but now he must. It is a perilous enterprise. King James I's spies are everywhere. There is no evidence that Shakespeare wrote Henry VII but in a compelling piece of historical recreation Robert Winder asks what if he did. And after

400 years he gives us a unique world premi re a brand new full length Shakespeare play incorporated brilliantly into this extraordinary novel THE FINAL ACT OF MR SHAKESPEARE is an exhilarating portrait of England s greatest author not in love but raging against the dying of the light It is an outrageous tour de force of theatrical imagination full of the spirit of the Bard

CURRENT CONTENTS ,1997 **Half-Time** Robert Winder,2015-05-21 Set against the backdrop of depression era politics 1934 was an annus mirabilis for English sport Within just a few days of each other Hedley Verity Henry Cotton and Fred Perry all triumphed in their field To a sporting audience still groaning through the quagmire left by the Great Depression greedy for inspiring distractions these heroic events made for a heady spectacle England s Ashes Test victory at Lord s later known as Verity s match saw Australia seeking revenge after the Bodyline series of 1932 33 but Verity bowled England to a famous innings victory taking 15 wickets 14 in one day That same day Cotton set out on the first qualifying round of the British Open He went on to set a new Open record with a game so sparkling the Daily Express called it the best round of golf ever played And within a fortnight Perry had beaten Australia s Jack Crawford in the Wimbledon final England had an extraordinary national hatrick Together these three contests and these three singular life stories weave a vivid portrait of an England that has faded from view Half Time celebrates a time of intense and rapid social and cultural change a time that was both the last hurrah of the ancien regime and the stirring of something new And moving through it famous actors on a grand stage are three very English heroes *The British National Bibliography* Arthur James Wells,1998

The Guardian Index ,1999 Typisch englisch Hans-Dieter Gelfert,2002 *New Statesman* ,1999-04 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 *People of Today* ,2006 **The Bookseller and the Stationery Trades' Journal** ,1896 Official organ of the book trade of the United Kingdom *Publishers' circular and booksellers' record* ,1892 **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1892 **London Theatre Record** ,1990 *Publishers' Circular and Booksellers' Record of British and Foreign Literature, Volume 57, July to December 1892* ,1892 **The Saturday Evening Post** ,1915 Publishers' Circular and General Record of British and Foreign Literature, and Booksellers' Record ,1892 **New York Magazine** ,1987-11-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
