Hell On High:

The Twenty-First-Century Western Douglas Brode, Shea T. Brode, 2019-12-12 Focusing on twenty first century Western films including all major releases since the turn of the century the essays in this volume cover a broad range of aesthetic and thematic aspects explored in these films including gender and race As diverse contributors focus on the individual subgenres of the traditional Western the gunfighter the Cavalry vs Native American conflict the role of women in Westerns etc they share an understanding of the twenty first century Western may be understood as a genre in itself They argue that the films discussed here reimagine certain aspects of the more conventional Western and often reverse the ideology contained within them while employing certain forms and clichés that have become synonymous internationally with Westerns The result is a contemporary sensibility that might be referred to as the postmodern Western

Free Falling SE Jakes, Stephanie Tyler, 2014-03-10 Sometimes falling in love is the most dangerous thing of all Blue is a thief who lives for adrenaline and danger And when he meets Mick a mercenary he's hit with a buzz of attraction like the rush of a high rise job without a safety rope But after making plans to get together Mick leaves him hanging and Blue vows never again A year later Mick watches helplessly as Blue stumbles into the middle of one of Mick's jobs Risking his cover and their lives Mick saves Blue and cares for him as he recuperates but neither man has any idea how to handle the intimacy this forces them into Once Blue is safe Mick redoubles his efforts to take down the drug lord responsible and disappears Blue goes after him determined to return the favor and rescue the man he loves no matter the cost

Led Zeppelin on track Steve Pilkington, 2022-08-12 Think about Led Zeppelin and the image coming to mind would be of the band straddling the world as the archetypal rock gods defining the 1970s like no other artist did Dig deeper though and there s a lot more to Zeppelin than hard rock and bluster with folk and blues strongly threading through their catalogue from the very beginning This book digs into every Led Zeppelin track recorded during their decade long existence before John Bonham s death brought down the curtain by way of facts anecdotes analysis and a small dose of humour here and there From the likes of *Kashmir* *Stairway To Heaven* and *Whole Lotta Love* and their ilk which have entered the public consciousness down to the deeper cuts which only the fans will know this book covers them all while also taking a look into the stories behind the often ground breaking cover art and the way the albums came to be recorded Celebrating the triumphs and the arguable lower points this is an alternative history of the band told via the most important element the music itself which has influenced so many down the years The history of led Zeppelin is a wild ride This book shows you why Steve Pilkington is a music journalist editor and broadcaster He was editor in chief for the *Classic Rock Society* magazine *Rock Society* and is now co administrator of the rock website *Velvet Thunder* as well as presenting a weekly internet radio show called *A Saucerful Of Prog* Before taking on this work full time he spent years writing for fanzines and an Internet music review site on a part time basis He has recently published books on *Deep Purple* and *Rainbow* The *Rolling Stones* and *Iron Maiden* all for *Sonicbond* and has also written the official biography of legendary guitarist *Gordon Giltrap* He lives in *Wigan Lancashire UK*
