## **Hell On The Rhine:**

Hell on the Rhine Clinical Lecturer in Child and Adolescent Psychiatry Duncan Harding, Duncan Harding, 2004 It is almost by accident that the Americans capture the Ludendorff Bridge at Remagen on 7 March 1945 It certainly isn't part of the Allied masterplan and Field Marshal Montgomery who has long been planning his offensive across the Rhine is not amused that they've stolen his thunder

**Hell's Highway** George Koskimaki, 2013-05-07 The author of *The Battered Bastards of Bastogne* does a superb job of telling the history of the 101st Airborne Division during Operation Market Garden Kepler's Book Reviews *Hell's Highway* is a history most of which has never before been written It is adventure recorded by those who lived it and put into context by an author who was also there It is human drama on an enormous scale told through the personal stories of 612 contributors of written and oral accounts of the Screaming Eagles part in the attempt to liberate the Netherlands Koskimaki is an expert in weaving together individual recollections to make a compelling and uniquely first hand account of the bravery and deprivations suffered by the troops and their hopes fears triumphs and tragedies as well as those of Dutch civilians caught up in the action There have been many books published on Operation Market Garden and there will surely be more This book however gets to the heart of the action The big picture which most histories paint here is just the context for the real history on the ground

*Hell's Cartel* Diarmuid Jeffreys, 2010-01-05 The remarkable rise and shameful fall of one of the twentieth century's greatest conglomerates At its peak in the 1930s the German chemical conglomerate IG Farben was one of the most powerful corporations in the world To this day companies formerly part of the Farben cartel the aspirin maker Bayer the graphics

supplier Agfa the plastics giant BASF continue to play key roles in the global market IG Farben itself however is remembered mostly for its infamous connections to the Nazi Party and its complicity in the atrocities of the Holocaust After the war Farben s leaders were tried for crimes that included mass murder and exploitation of slave labor In Hell s Cartel Diarmuid Jeffreys presents the first comprehensive account of IG Farben s rise and fall tracing the enterprise from its nineteenth century origins when the discovery of synthetic dyes gave rise to a vibrant new industry through the upheavals of the Great War era and on to the company s fateful role in World War II Drawing on extensive research and original interviews Hell s Cartel sheds new light on the codependence of industry and the Third Reich and offers a timely warning against the dangerous merger of politics and the pursuit of profit The Divine Comedy Dante (Alighieri),1892 **The Divine**

**Comedy of Dante Alighieri** Dante Alighieri,1892 **Paradise. 3d ed** Dante Alighieri,1898 *World War II and My Military Memories* Murray Coffey,2016-05-17 World War II and My Military Memories takes the reader from the author s beginnings in the small town of Myrtle Mississippi where he heard many stories about the First World War from his three uncles Then to the ROTC getting an education at a tough war college then into the service and lots of specialized training and on to combat in Europe in World War II while serving most of the time in the 89th Infantry Division There are stories about the Battle of the Bulge the Rhine River Crossing in Germany liberation of the Ohrdruf Concentration Camp and the then unknown horrors of the Holocaust After the war came service in the Occupation Army with numerous escapades some serious and many that were fun and humorous Later came the Reserves a near miss on the Korean War then completing an education and building a career after the war and finally a trip back to Europe to re live old memories many years later that included a visit to East Germany before the Berlin wall came down **Hell's Folly** William Moody,2003 HELL S FOLLY this is my story There will be many old soldiers that will remember the incidents differently than I do There will be many Military Historians that will disagree with me in accordance to OFFICIAL RECORDS including the Government of the United States Archives This is unfortunately what happens in any war It is the nature of the beast PART ONE The story begins in Camp Howze outside of Gainesville Texas circa July 1944 Private Moody had just been Court Martialed for Sleeping on Guard in a Mustard Gas Training Area adjacent to Camp Howze Because it was so late in the day when Private Moody was released to the Provost Marshal he was allowed to sleep in the troop area for that one night so the proper paper work could be processed early the next morning Six months confinement at hard labor forfeiture of 2 3rds of the soldier s monthly pay for six months and reduction to Private from Private First Class were the exact words the President of the court droned Little did I realize how much it would change my life and my outlook on life itself In the Post Stockade Moody schemed with his cellmate to escape to Canada but when the 103rd Infantry Division was alerted for the European Theatre he was offered the option of freedom and combat or escape and being hunted for the rest of his life he chose the former and was released the next day Out of the Stockade it was pack this pack that throw that away you won t need it where we re going by his platoon sergeant

Sergeant Denny We were soon headed to New York on a train where Moody played poker for four straight days and nights and won nearly seven thousand dollars He went from a poverty stricken prisoner to a rich free soldier In New York he began to make errors in judgment mostly caused by money a need for sex before going to Europe and just plain youthful stupidity regarding Army regulations Further in the book Acting Corporal Hell had many feelings that he had never intimated in our days back in Camp Howze Texas We were good friends but we never discussed the fact that he was German or what that might mean to him or to me for that matter When we started south toward Austria I thought the trip would be a lark some fun times maybe a German girl or two But there was something different in Clarence Hell s mind Dachau To me Dachau meant nothing at that time It was just a German word that I didn t understand But to millions of Europeans and German immigrants in the United States it was synonyms for Death Torture and Human Misery The first night we tried to get an hour or two of sleep along side of the Autobahn hidden by some brush but it was miserable The second day out we headed west That in itself meant nothing to me It was the first day of May 1945 and Hell had directed the Jeep driver straight into Dachau Germany I was flabbergasted I couldn t believe what I was seeing Hell had no authority to do this He was in direct disobedience of orders We rode around the compound for around 30 minutes finding nothing No German Guards no prisoners It was as if the whole garrison had packed up and migrated somewhere I was just breathing a sigh of relief when the Jeep driver Private Feinartz spotted prisoners in one of the outer compounds Hell ordered Feinartz to stop We dismounted the jeep and walked toward the gate The situation was spooky and smelly The inmates looked like Ghosts in striped pajamas We were 50 feet away from them but they stunk to the high heavens and they started toward us Unfortunately Hell had already used his grease gun to shoot the chain off the wrought iron gate We were about to be hugged and kissed by these poor pitiful people PART TWO Others have contributed to my story Part II Their words have been relate
