of Religion Asbury Theological
Seminary**

Hell The Logic Of Damnation:

Hell Jerry L. Walls, 1992-08-31 Jerry L Walls cogently argues that some traditional views of hell are still defensible and can be believed with intellectual and moral integrity Focusing on the issues from the standpoint of philosophical theology he explores the doctrine of hell in relation to both the divine nature and human nature He argues with respect to divine nature that some versions of the doctrine are compatible not only with God's omnipotence and omniscience but also with a strong account of His perfect goodness The concept of divine goodness receives special attention since the doctrine of hell is most often rejected on moral grounds In addition Walls maintains that the doctrine of hell is intelligible from the standpoint of human freedom since the idea of a decisive choice of evil is a coherent one The Logic of Damnation Jerry L. Walls, 1989

Heaven, Hell, and Purgatory Jerry L. Walls, 2015-01-27 Will heaven be boring How can a good and loving God send people to hell Is there such a place as purgatory If so why is it necessary if we're saved by grace Questions about the afterlife abound Given what is at stake they are the most important questions we will ever consider Recent years have seen a surge of Christian books written by people claiming to have received a glimpse of the afterlife and numerous books films and TV shows have apocalyptic or postapocalyptic themes Jerry Walls a dynamic writer and expert on the afterlife distills his academic writing on heaven hell and purgatory to offer clear biblical theological and philosophical grounding for thinking about these issues He provides an ecumenical account of purgatory that is compatible with Protestant theology and defends the doctrine of eternal hell Walls shows that the Christian vision of the afterlife illumines the deepest and most important issues of our lives changing the way we think about happiness personal identity morality and the very meaning of life **The**

Oxford Handbook of Eschatology Jerry L. Walls Professor of Philosophy of Religion Asbury Theological Seminary, 2007-10-31 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance In other religions too eschatological concerns were central After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise In addition to its popular resurgence in recent years some of the world's most important theologians have returned eschatology to its former position of prominence The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence **Horrendous Evils**

and the Goodness of God Marilyn McCord Adams, 2018-09-05 When confronted by horrendous evil even the most pious believer may question not only life's worth but also God's power and goodness. A distinguished philosopher and a practicing minister Marilyn McCord Adams has written a highly original work on a fundamental dilemma of Christian thought: how to reconcile faith in God with the evils that afflict human beings. Adams argues that much of the discussion in analytic philosophy of religion over the last forty years has offered too narrow an understanding of the problem. The ground rules accepted for the discussion have usually led philosophers to avert their gaze from the worst horrendous evils and their devastating impact on human lives. They have agreed to debate the issue on the basis of religion-neutral values and have focused on morals, an approach that Adams claims is inadequate for formulating and solving the problem of horrendous evils. She emphasizes instead the fruitfulness of other evaluative categories such as purity and defilement, honor and shame, and aesthetics. If redirected philosophical reflection on evil can, Adams's book demonstrates, provide a valuable approach not only to theories of God and evil but also to pastoral care.

The Cambridge Companion to C. S. Lewis Robert MacSwain, Michael Ward, 2010-09-09 A comprehensive single-volume study surveying C. S. Lewis's career as an academic, Christian thinker, and creative writer.

The Inescapable Love of God Thomas Talbott, 2014-11-17 Will the love of God save us all? In this book Thomas Talbott seeks to expose the extent to which the Western theological tradition has managed to twist the New Testament message of love, forgiveness, and hope into a message of fear and guilt. According to the New Testament proclamation, he argues, God's love is both unconditional in its nature and unlimited in its scope; hence no one need fear, for example, that God's love might suddenly turn into loveless hatred at the moment of one's physical death. For God's love remains the same yesterday, today, and forever. But neither should one ignore the New Testament theme of divine judgment, which Talbott thinks the Western theological tradition has misunderstood entirely. He argues, in particular, that certain patterns of fallacious reasoning, which crop up repeatedly in the works of various theologians and Bible scholars, have prevented many from appreciating St. Paul's explicit teaching that God is merciful to all in the end. This second edition of Talbott's classic work is fully revised, updated, and substantially expanded with new material.

Satan and the Problem of Evil Gregory A. Boyd, 2001-10-08 Gregory Boyd seeks to defend his scripturally grounded trinitarian warfare theodicy with rigorous philosophical reflection and insights from human experience and scientific discovery.

The Last Things Donald G. Bloesch, 2010-03-23 In *The Last Things* Donald G. Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God, the return of Jesus Christ, the life hereafter, the millennial hope, the final judgment, hell, heaven, purgatory, and paradise. Wrestling with biblical texts that often take metaphorical form, Bloesch avoids rationalistic reductionism as well as timid agnosticism. While he acknowledges mystery and even paradox, Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church. *The Last Things* is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of

God yet to be consummated The triumph of the grace of Jesus Christ and the dawning of hope beckon us to reach out in the power of the Spirit to receive that blessed future and the promise to renew the life of the church universal today *The Palgrave Handbook of the Afterlife* Yujin Nagasawa, Benjamin Matheson, 2017-10-12 This unique Handbook provides a sophisticated scholarly overview of the most advanced thought regarding the idea of life after death Its comprehensive coverage encompasses historical religious philosophical and scientific thinking Starting with an overview of ancient thought on the topic The Palgrave Handbook of the Afterlife examines in detail the philosophical coherence of the main traditional notions of the nature of the afterlife including heaven hell purgatory and rebirth In addition and breaking with traditional conceptions it also explores the most recent exciting advance digital models Later sections include analysis of various possible metaphysical accounts that might make sense of the afterlife including substance dualism emergent dualism and materialism and the science of near death experiences as well as the links between human psychology and our attitude to the afterlife Key features Grounded in the most advanced philosophical theological and scientific thinking Contributions by eminent scholars from the world s top universities Balanced treatment of fundamental issues that are relevant to everyone Diverse approaches ranging from the religious to the scientific from the optimistic to the pessimistic A major section on the meaning of the afterlife which includes chapters on fear purpose evil and issues regarding identity The Palgrave Handbook of the Afterlife is essential reading for scholars researchers and advanced students researching attitudes to and effects of beliefs about death and life after death from philosophical historical religious psychological and scientific perspectives

Image, Incarnation, and Christian Expansivism Mark S. McLeod-Harrison, 2017-04-17 I am the way the truth and the life says Jesus Yet the kingdom of heaven consists of all tribes races and peoples How do people of tribes who ve never heard the word of Christ enter the kingdom of God A strictly exclusivist account of the gospel seems to keep many people out of the kingdom of heaven An inclusivist approach is more consonant with Scripture and the love of God Yet standard models of inclusivism are problematic In this book McLeod Harrison a Christian philosopher considers what s wrong with both narrow exclusivist and narrow inclusivist accounts of the gospel and proposes a broad inclusivism called expansivism An expansive account of the gospel helps us understand the uniqueness and the openness of the gospel together Narrow exclusivism can lead to existential crises Narrow inclusivism appears to make not preaching the gospel better for those who ve never heard it Expansivism makes human access to the gospel unique to the individual person and enables Christian theologians to provide lots of different potentially conflicting and yet true accounts of the theological underpinnings of the salvation provided by Christ Screening the Afterlife Christopher Deacy, 2012-03-12 Screening the Afterlife is a unique and fascinating exploration of the last things as envisaged by modern filmmakers Drawing on a range of films from Flatliners and What Dreams May Come to Working Girl and The Shawshank Redemption it offers the first comprehensive examination of death and the afterlife within the growing field of religion and film Topics addressed include the survival of personhood after death

the language of resurrection and immortality Near Death Experiences and Mind Dependent Worlds the portrayal of heaven and hell Students taking courses on eschatology will find this a stimulating and thought provoking resource while scholars will relish Deacy s theological insight and understanding **Ex Auditū - Volume 20** Klyne Snodgrass,2005-02-12 Ex Auditū began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today s Church Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors EDITOR Dr Stephen Chester Associate Professor of New Testament North Park Theological Seminary EDITOR EMERITUS Dr Klyne R Snodgrass Paul W Brandel Professor of New Testament Studies at North Park Theological Seminary ASSOCIATE EDITOR Dr D Christopher Spinks Acquisitions Editor at Wipf and Stock Publishers EDITORIAL BOARD Terence E Fretheim Luther Seminary St Paul MN Richard B Hays Duke Divinity School Durham NC Jon R Stock Wipf and Stock Publishers Eugene OR Miroslav Volf Yale Divinity School New Haven CT John Wipf Wipf and Stock Publishers Eugene OR SUBSCRIPTION INFORMATION Individuals U S A and all other countries in U S funds 20 00 Students 12 00 Institutions 30 in the U S and 40 for international shipments in U S funds To subscribe Send pertinent information to Wipf and Stock Publishers at orders.wipfandstock.com and indicate your preferred method of payment Back issues are available through Wipf and Stock Publishers Symposium on the Theological Interpretation of Scripture at North Park DETAILS For more information about the symposium click [here](#) INQUIRIES Other inquiries should be addressed to one of the following Dr Dennis Edwards Associate Professor of New Testament North Park Theological Seminary 3225 W Foster Ave Chicago IL 60625 Telephone 773 244 6238 Email sdredwards@northpark.edu Chris Spinks Acquisitions Editor Wipf and Stock Publishers 199 W 8th Ave Ste 3 Eugene OR 97401 Telephone 541 344 1528 Fax 541 344 1506 Email chris@wipfandstock.com

Chad Pecknold pecknold.cua.edu Advertising inquiries Charles Roth Jr charlie.spireads.com Subscription inquiries journals.rowman.com ISSN 1063 8512 **The Great Divide and the Salvation Paradox** David P. Griffith, 2022-04-07 The church in its first centuries split on whether Christ saved everyone or a few Universalism versus Exclusivism In the sixth century the church settled the issue seemingly and held that Universalism was heresy This book reviews this history as well as what provoked it Scripture on its face gives two contradictory accounts of salvation s extent everyone is ultimately saved and everyone is not In contrast to both Exclusivism and Universalism the book takes Scripture s two accounts of salvation s extent as true that is as a paradox This is the approach the church has taken with other scriptural paradoxes Saying one God is three or one Son is both God and man appeared to be contradictory too but to embrace Scripture entirely these were seen as paradoxical The Trinity modeled how one can be three and the hypostatic union modeled how one can be two For the paradox of salvation s extent the answer lies in the individual s divisibility in the afterlife one can be two That is in ultimate salvation each individual can be both saved and unsaved The Evangelical Universalist Gregory MacDonald, Robin A. Parry, 2012-05-11 Can an orthodox Christian committed to the historic faith of the church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible Gregory MacDonald argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology This second edition contains a new preface providing the backstory of the book two extensive new appendices a study guide and a Scripture index *Routledge Companion to Philosophy of Religion* Chad Meister, Paul Copan, 2013-01-17 The Routledge Companion to Philosophy of Religion Second Edition contains nine new entries and is an indispensable guide and reference source to the major themes movements and topics in philosophy of religion Free Will in Philosophical Theology Kevin Timpe, 2013-11-21 Free Will in Philosophical Theology takes the most recent philosophical work on free will and uses it to elucidate and explore theological doctrines involving free will Rather than being a work of natural theology it is a work in what has been called clarification using philosophy to understand develop systematize and explain theological claims without first raising the justification for holding the theological claims that one is working with Timpe s aim is to show how a particular philosophical account of the nature of free will an account known as source incompatibilism can help us understand a range of theological doctrines **A Trinitarian Theology of Religions** Gerald Robert McDermott, Harold A. Netland, 2014 How are Christians to think of non Christian religions How are they to relate to people who do not share their faith Two senior scholars survey the field of theology of religions from an evangelical perspective and propose fresh approaches to long debated questions such as salvation revelation the relationship between culture and religion conversion

and social action The Cambridge Companion to Christian Philosophical Theology Charles Taliaferro, Chad Meister, 2010
This Companion offers an up to date overview of the beliefs doctrines and practices of the key philosophical concepts at the heart of Christian theology The sixteen chapters commissioned specially for this volume are written by an internationally recognized team of scholars and examine topics such as the Trinity God's necessary existence simplicity omnipotence omniscience omnipresence goodness eternity and providence the incarnation resurrection atonement sin and salvation the problem of evil church rites revelation and miracles prayer and the afterlife Written in non technical accessible language they not only offer a synthesis of scholarship on these topics but also suggest questions and topics for further investigation

This Captivating World of E-book Books: A Detailed Guide Unveiling the Benefits of E-book Books: A Realm of Convenience and Versatility E-book books, with their inherent portability and ease of access, have freed readers from the constraints of physical books. Gone are the days of lugging bulky novels or meticulously searching for specific titles in shops. E-book devices, sleek and portable, seamlessly store an wide library of books, allowing readers to immerse in their preferred reads whenever, anywhere. Whether commuting on a busy train, lounging on a sunny beach, or simply cozying up in bed, E-book books provide an exceptional level of ease. A Literary Universe Unfolded: Exploring the Wide Array of Kindle Hell The Logic Of Damnation Hell The Logic Of Damnation The Kindle Store, a digital treasure trove of bookish gems, boasts an extensive collection of books spanning varied genres, catering to every readers taste and preference. From gripping fiction and mind-stimulating non-fiction to classic classics and contemporary bestsellers, the E-book Store offers an exceptional abundance of titles to explore. Whether seeking escape through engrossing tales of fantasy and adventure, diving into the depths of past narratives, or broadening ones knowledge with insightful works of science and philosophical, the Kindle Store provides a doorway to a literary world brimming with endless possibilities.
