Benjamin Lockhart worked in the aerospace industry in Florida for almost four decades. But all of the years being tossed around in a high stress industry environment had taken its toll. Lockhart was physically tired and emotionally exhausted and ready for something a little less stressful. And so he and his wife Martha picked up stakes and moved to South Central Pennsylvania where they purchased a small farm property and prepared to live out the remainder of their days in the peaceful Pennsylvania countryside. It didn't turn out exactly as planned. Following a motorcycle accident and near death experience, Lockhart found that he could now hear animals talking in his mind. And he was astounded to discover they had a great deal to say. Benjamin Lockhart's *Animal Farm* is a visionary tale of the End of Days when animals which have historically been natural enemies, predator and prey, unexplainably come together in idyllic harmony alongside man on a Pennsylvania farmstead. The paradigm shift presents a formidable challenge for Benjamin Lockhart and his neighbors. It isn't an easy transition and Lockhart struggles on a daily basis protecting the animals he befriends and ensuring their safety. For Lockhart and his wife, it's just one amazing surprise after another. *Jamboree Activity Guide* A Jackie Holderness, Neil Griffiths, 2005
