Hello Sailor The Hidden History Of Gay Life At Sea:

Hello Sailor! Paul Baker, Jo Stanley, 2003 Reveals an aspect of maritime history not previously documented *Hello Sailor!* Paul Baker, 2003 *Hello Sailor!* Paul Baker, Jo Stanley, 2015-10-23 When gays had to be closeted ships were the only places where homosexual men could not only be out but also camp And on some liners to the sun and the New World queens and butches had a ball They sashayed and minced their way across the world's oceans Never before has the story been told of the masses These are the thousands of queer seafarers mainly stewards who sometimes even outnumbered the straight men in the catering departments of ships that were household names and the pride of the British fleet Hello Sailor uniquely shows what it was like to be queer at sea at a time when land meant straightness *Gendered Journeys, Mobile Emotions* Gillian Reynolds, 2016-04-22 It is increasingly acknowledged that an analysis of emotions is necessary to fully understand the social world and recent research on transport travel and mobilities has begun to consider the gendered nature of public and personal life in relation to this sphere The focus of this multidisciplinary and auto biographical volume is the emotional relationship that individuals and groups have with different means of travel Attention is given to a variety of travel experiences including travelling in trains planes cars buses and ships as well as biking cycling running and walking from the perspective of travellers and those who earn their living in assisting these experiences of others Imaginary travel and the relationships between art and travel are also considered Adopting innovative approaches to experiential material ranging from personal memories to empirical research *Gendered Journeys Mobile Emotions* opens up and illuminates an interdisciplinary debate about the gendered emotive and emotional nature of travelling **A new naval history** Quintin Colville, James Davey, 2018-12-17 This volume brings together a diverse selection of the latest academic research in the field of naval history No longer confined to analyses of ships and battles it is the first publication to capture a new form naval history that engages with race sexuality gender material culture popular culture and fine art Edited by two leading historians of the Royal Navy it will become a defining book in the field **Fighting Proud** Stephen Bourne, 2017-06-30 In this astonishing new history of wartime Britain historian Stephen Bourne unearths the fascinating stories of the gay men who served in the armed forces and at home and brings to light the great unheralded contribution they made to the war effort *Fighting Proud* weaves together the remarkable lives of these men from RAF hero Ian Glead a Flying Ace twice honoured for bravery by King George VI to the infantry officers serving in the trenches on the Western Front in WWI many of whom led the charges into machine gun fire only to find themselves court martialled after the war for indecent behaviour Behind the lines Alan Turing's work on breaking the enigma machine and subsequent persecution contrasts with the many stories of love and courage in Blitzed out London with new wartime diaries and letters unearthed for the first time Bourne tells the bitterly sad story of Ivor Novello who wrote the WWI anthem *Keep the Home Fires Burning* and the crucial work of Noel Coward who was hated by Hitler for his work entertaining the troops *Fighting Proud* also includes a wealth of long suppressed wartime

photography subsequently ignored by mainstream historians This book is a monument to the bravery sacrifice and honour shown by a persecuted minority who contributed during Britain's hour of need Capitalism and the Sea Liam

Campling,Alejandro Colás,2021-01-05 Winner of the IPEG 2022 Book Prize The global ocean has through the centuries served as a trade route strategic space fish bank and supply chain for the modern capitalist economy While sea beds are drilled for their fossil fuels and minerals and coastlines developed for real estate and leisure the oceans continue to absorb the toxic discharges of our carbon civilization warming expanding and acidifying the blue water part of the planet in ways that will bring unpredictable but irreversible consequences for the rest of the biosphere In this bold and radical new book Campling and Colás analyse these and other sea related phenomena through a historical and geographical lens In successive chapters dealing with the political economy ecology and geopolitics of the sea the authors argue that the earth's geographical separation into land and sea has significant consequences for capitalist development The distinctive features of this mode of production continuously seek to transcend the land sea binary in an incessant quest for profit engendering new alignments of sovereignty exploitation and appropriation in the capture and coding of maritime spaces and resources *The Gay State* Garrett Graham,2010-05-12 For the first time in all of human history conditions are such that the world is ready to receive its first majority Gay Nation State Forces are coming together in a manner never before seen that enables the LGBT citizens of the world to rise up and proclaim their freedom their liberty and their rightful place in a world equal among all nations As a homage to Theodor Herzl Thomas Paine and other visionaries who yearned for freedom The Gay State is a proclamation that the world of tomorrow can be far better than the world we have today International political and Gay equality activist Garrett Graham has created a literary work that has launched a global movement to end the savage and brutal oppression that has sought to persecute and indeed exterminate the Homosexual community For Graham his willing dreamers have become readers his readers have become believers The momentum for Gay independence and Gay nationalism is spreading around the globe And now the believers are coalescing in their lands of birth as doers and are working to form a political structure that will lead to concrete action to give future generations from every darkened corner of the globe the freedom and peace the LGBT citizenry has long been denied Bishop Desmond Tutu the South African Cleric was correct when he emphatically declared I am not interested in picking up crumbs of compassion thrown from the table of someone who considers himself my master I want the full menu of rights Cultural Histories of Sociabilities, Spaces and Mobilities Colin Divall,2015-10-06 For the majority of us the opportunity to travel has never been greater yet differences in mobility highlight inequalities that have wider social implications Exploring how and why attitudes towards movement have evolved across generations the case studies in this essay collection range from medieval to modern times and cover several continents Odd men out John-Pierre Joyce,2022-09-20 From government ministers and spies to activists drag queens and celebrities Odd men out charts the tumultuous history of gay men in 1950s and 60s Britain It takes us from the earliest

tentative steps towards decriminalisation to the liberation movement of the early 1970s Along the way it catalogues shocking repression including laws against homosexual activity and the use of brutal medical treatments Odd men out draws on medical data and opinion polls broadcast recordings theatrical productions and extensive interviews with key players as well as an in depth analysis of the Wolfenden Report and the circumstances surrounding its creation It brings to life pivotal moments in gay mens cultural representation ranging across the West End and emerging writers like Joe Orton the British film industry the BBC national newspapers fashion catalogues and music magazines Celebrating the joy of gay lives as well as the hardships Odd men out preserves the voices of a disappearing generation who revolutionised what it meant to be a gay man in twentieth century Britain

Love's Next Meeting Aaron Lecklider,2023-05-02 How queerness and radical politics intersected earlier than you thought Well before Stonewall a broad cross section of sexual dissidents took advantage of their space on the margins of American society to throw themselves into leftist campaigns Sensitive already to sexual marginalization they also saw how class inequality was exacerbated by the Great Depression witnessing the terrible bread lines and bread riots of the era They participated in radical labor organizing sympathized like many with the early prewar Soviet Union contributed to the Republicans in the Spanish Civil War opposed US police and state harassment fought racial discrimination and aligned themselves with the dispossessed Whether they were themselves straight gay or otherwise queer they brought sexual dissidence and radicalism into conversation at the height of the Left s influence on American culture Combining rich archival research with inventive analysis of art and literature Love s Next Meeting explores the relationship between homosexuality and the Left in American culture between 1920 and 1960 Aaron S Lecklider uncovers a lively cast of individuals and dynamic expressive works revealing remarkably progressive engagement with homosexuality among radicals workers and the poor Leftists connected sexual dissidence with radical gender politics antiracism and challenges to censorship and obscenity laws through the 1920s and 1930s In the process a wide array of activists organizers artists and writers laid the foundation for a radical movement through which homosexual lives and experiences were given shape and new political identities were forged Love s Next Meeting cuts to the heart of some of the biggest questions in American history questions about socialism about sexuality about the supposed clash still making headlines today between leftist politics and identity politics What emerges is a dramatic sexually vibrant story of the shared struggles for liberation across the twentieth century

Coastal Environments in Popular Song Glenn Fosbraey, 2022-12-30 This book examines how popular music is able to approach subjects of bio politics climate change solastalgia and anthropomorphisation alongside its more common diet of songs about love dancing and break ups all while satisfying its primary remit of being entertaining and listenable Nearly a thousand books have been published on bioethics since Van Rensselaer Potter's *Bioethics Bridge to the Future* 1971 with a marked increase in the past 20 years However not one of these books has focused itself on popular music something Christopher Partridge describes as central to the construction of our identities central to our sense of self central to our well being and therefore central to our social relations This edited collection examines popular music through a range of topics from romance to climate change *Coastal Environments in Popular Song* is perfect for students scholars and researchers alike interested in bioethics social history and the history of music

Sea-changes: Melville - Forster - Britten Hanna Rochlitz, 2012 E M Forster first encountered Billy Budd in 1926 Some twenty years later he embarked on a collaboration with Benjamin Britten and Eric Crozier adapting Melville's novella for the opera stage The libretto they produced poignantly reaffirms the Forsterian creed of salvation through personal relationships This study presents an extensive exploration of Forster's involvement in the interpretation transformation and re creation of Melville's text It situates the story of the Handsome Sailor in the wider context of Forster's literary oeuvre his life and his life writings In detailed readings Billy Budd becomes a lens through which the themes patterns and leitmotifs of Forsterian thought and creative imagination are brought into focus A close re examination of the libretto sketches serves to shed new light on the collaborative process in which Melville's story was changed to fit an archetypal array of plot and character types that is central to Forster's own storytelling

Queen and country Emma Vickers, 2015-11-01 The first study of its kind in the UK *Queen and country* examines the complex intersection between same sex desire and the British Armed Forces during the Second World War It illuminates how men and women lived loved and survived in an institution which at least publicly was unequivocally hostile towards same sex activity within its ranks *Queen and country* also tells a story of selective remembrance and the politics of memory exploring specifically why same sex desire continues to be absent from the historical record of the war In examining this absence and the more intimate minutiae of cohesion homosociability and desire this study pushes far beyond traditional military history in order to cast new light on one of the most widely discussed conflicts of the twentieth century

Masculinity, Class and Same-Sex Desire in Industrial England, 1895-1957 Helen Smith, 2015-10-05 *Masculinity Class and Same Sex Desire in Industrial England 1895 1957* explores the experiences of men who desired other men outside of the capital In doing so it offers a unique intervention into the history of sexuality but it also offers new ways to understand masculinity working class culture regionality and work in the period

From Cabin 'Boys' to

Captains Jo Stanley, 2016-04-04 Traditionally a woman's place was never on stormy seas But actually thousands of dancers purserettes doctors stewardesses captains and conductresses have taken to the waves on everything from floating palaces to battered windjammers Their daring story is barely known even by today's seawomen From before the 1750s women fancying an oceangoing life had either to disguise themselves as cabin boys or acquire a co-operative husband with a ship attached Early pioneers faced superstition and discrimination in the briny monasteries Today women captain cruise ships as big as towns and work at the highest level in the global maritime industry This comprehensive exploration looks at the Merchant Navy comparing it to the Royal Navy in which Wrens only began sailing in 1991 Using a wide variety of interviews and sources Jo Stanley vividly reveals the incredible journey across time taken by these brave and lively women salts **Where is Queer?** John Fraser, Joe E Heimlich, 2016-06-16 This is Volume 3 Number 1 Spring 2008 edition of *Museums and Special Issues* reflective discourse journal The complexity and the power associated with language is evident in the many disciplines books courses and talk shows that focus on the disparate ways we use and interpret words This edition looks at What is Queer and attempts to reframe the conversation giving a chance to renegotiate how we talk about gender sexuality and identity as separate and vital concepts **Fabulosa!** Paul Baker, 2020-07-24 A Times Literary Supplement Book of the Year Richly evocative and entertaining Guardian An essential book for anyone who wants to Polari bona Attitude Exuberant richly detailed A delightful read Tatler Polari is a language that was used chiefly by gay men in the first half of the twentieth century It offered its speakers a degree of public camouflage and a means of identification Its colorful roots are varied from Cant to Lingua Franca to dancers slang and in the mid 1960s it was thrust into the limelight by the characters Julian and Sandy voiced by Hugh Paddick and Kenneth Williams on the BBC radio show *Round the Horne* Oh hello Mr Horne how bona to vada your dolly old eek Paul Baker recounts the story of Polari with skill humor and tenderness He traces its historical origins and describes its linguistic nuts and bolts explores the ways and the environments in which it was spoken explains the reasons for its decline and tells of its unlikely reemergence in the twenty-first century With a cast of drag queens and sailors Dilly boys and macho clones *Fabulosa* is an essential document of recent history a fascinating and fantastically readable account of this funny filthy and ingenious language **Colonialism and Male Domestic Service across the Asia Pacific** Julia Martínez, Claire Lowrie, Frances Steel, Victoria Haskins, 2018-11-29 Examining the role of Asian and indigenous male servants across the Asia Pacific from the late 19th century to the 1930s this study shows how their ubiquitous presence in these purportedly humble jobs gave them a degree of cultural influence that has been largely overlooked in the literature on labour mobility in the age of empire With case studies from British Hong Kong Singapore Northern Australia Fiji and British Columbia French Indochina the American Philippines and the Dutch East Indies the book delves into the intimate and often conflicted relationships between European and American colonists and their servants It explores the lives of houseboys cooks and gardeners in the colonial home considers the bell boys and waiters in the grand colonial hotels and follows the stewards

and cabin boys on steamships travelling across the Indian and Pacific Oceans This broad conception of service allows Colonialism and Male Domestic Service to illuminate trans colonial or cross border influences through the mobility of servants and their employers This path breaking study is an important book for students and scholars of colonialism labour history and the Asia Pacific region
