has a purpose but no one can fathom it for the bodies are discovered in different states Clarice Starling a young trainee at the F B I Academy is surprised to be summoned by Jack Crawford Chief of the Bureau s Behavioral Science section Her assignment to interview Dr Hannibal Lecter a brilliant psychiatrist and grisly killer now kept under close watch in the Baltimore State Hospital for the Criminally Insane Lecter's insight into the minds of murderers could help track and capture Buffalo Bill Smart and attractive Starling is shaken to find herself in a strange intense relationship with the acutely perceptive Lecter His cryptic clues about Buffalo Bill and about her launch Clarice on a search that every reader will find startling harrowing and totally compelling American Cream Catherine Tudish, 2007-08-14 When Catherine Tudish's story collection Tenney's Landing was published in 2005 Margot Livesey said Tudish casts an irresistible spell and David Huddle said Tenney's Landing conjures up a place and a people with that magical vividness we found in Porter Welty Cheever and Updike Here in her first novel Tudish has fashioned a masterful and intimate portrait of a woman returning midlife to the small farming community where she grew up After Nathan Rownd is injured in a tractor accident his daughter Virginia leaves her suburban life and returns to Tenney's Landing with her teenage son to work the family farm She struggles with the long periods of separation from her husband and begrudgingly relearns the insistent exhausting cadence of farm chores But when Nathan decides to sell the farm Virginia realizes how deep her connection to the land is and begins to question who she is and where she belongs Catherine Tudish's writing is a tribute to small town America In simple elegant prose she captures the rhythms of everyday life and the moments of truth and transformation that are found there American Cream is a tender and wise novel by a writer of unusual sensitivity and grace A Season of Grief Bill Valentine, 2014-01-14 This unique book celebrates a long term interracial relationship and details the everyday struggles of a surviving partner trying to carry on in a radically changed world A Season of Grief chronicles the author's emotional descent after the violent death of his partner of 21 years Bill Valentine's journal of fear anger denial and loneliness captures the glimmers of hope moments of serendipity and mysterious coincidences that emerged from his full time devotion to grief following the death of Joe Lopes Lopes died along with 264 others when American Airlines Flight 587 crashed in November 2001 in route to the Dominican Republic It was the second deadliest accident in U S aviation history He is a word always on my lips as I try to work him into a conversation He is a memory that I strive to keep alive So yes in this sense he is not gone But in reality he is He is gone as my lover He is gone as my life partner He is gone as my soul mate the only person to whom I periodically bared my soul He is gone as my best friend the only person to whom I ever attached that label So pardon me while I still hang on to the notion that he is not here with me Pardon me while I cling stubbornly to the insistence that he is gone Valentine's candid and thoughtful account of his heartbreaking efforts to make sense of his partner's death and survive in a world without him is by turns funny frightening sobering and surprising In the nine months following the tragedy of Flight 587 Valentine finds every waking moment of his life affected by his partner's absence from mundane household chores to major life decisions A Season

of Grief is a story told in darkness and light of hurt and healing love and loneliness but mostly of a man who learns to live with his partner s absence through the persistent surprising evidence of his presence Our job on earth is to live with uncertainty ambiguity and hope We are given a limited tool set but one in my opinion that s sufficient for the job Sufficient to allow us to be engaged in life to love grieve work play celebrate and despair We have a remarkable ability to rebound and grow We have been granted the capacity for wonder and laughter especially at ourselves These last two gifts were bestowed generously on Joe and he in turn taught me how vital they are Making a strong case for gay marriage A Season of Grief chronicles Valentine s struggles to be recognized as a surviving spouse including a historic lawsuit with Lambda Legal Defense and Education fund against the New York State Workers Compensation Board Valentine and Lopes took every conceivable step to formalize their relationship including New York City Domestic Partnership but the Workers Compensation Board and a New York State appeals court refused to recognize Valentine as a legal surviving spouse Grief doesn t come with a set of instructions But A Season of Grief can help guide you through the lonely journey that follows the death of a loved one Valentine s memoir is a testament to the healing power of reality and the enduring nature of love
