James Polchin,2024-06-11 Polchin knows the era and brings to his account a wealth of colorful supporting detail With its layers of taboos and public spectacle the case feels a century later as relevant as ever Marisa Meltzer The New York Times Book Review From Edgar Award finalist James Polchin comes a thrilling examination of the murder that captivated Jazz Age America with echoes of the decadence and violence of The Great Gatsby On the morning of May 16 1922 a young man s body was found on a desolate road in Westchester County The victim was penniless ex sailor Clarence Peters Walter Ward the handsome scion of the family that owned the largest chain of bread factories in the country confessed to the crime as an act of self defense against a violent gang of shadow men blackmailers who extorted their victims moral weaknesses From the start one question defined the investigation What scandalous secret could lead Ward to murder For sixteen months the media fueled a firestorm of speculation Unscrupulous criminal attorneys fame seeking chorus girls con artists and misogynistic millionaires harnessed the power of the press to shape public perception New York governor and future presidential candidate Al Smith and editor of the Daily News Joseph Medill Patterson leveraged the investigation to further professional ambitions Famous figures like Harry Houdini Arthur Conan Doyle and F Scott Fitzgerald weighed in As the bereaved working class Peters family sought to bring the callous Ward to justice America watched enraptured Capturing the extraordinary twists and turns of the case Shadow Men conjures the excess and contradictions of the Jazz Age and reveals the true crime origins of the media led voyeurism that reverberates through contemporary life It s a story of privilege and power that lays bare the social inequity that continues to influence our system of justice Arkansas Godfather Graham Nown,2013-04-01 Owney Madden lived a seemingly quiet life for decades in the resort town of Hot Springs Arkansas while he was actually helping some of America s most notorious gangsters rule a vast criminal empire In 1987 Graham Nown first told Madden s story in his book The English Godfather in which he traced Madden s boyhood in England his immigration to New York City and his rise to mob boss Nown also uncovered a love story involving Madden and the daughter of the Hot Springs postmaster Before his arrival in Hot Springs Madden was one of the most powerful gangsters in New York City and former owner of the famous Cotton Club in Harlem The story of his life shows us a world where people can break the law without ever getting

caught and where criminality is so entwined in government and society that one might wonder what is legality and what isn't

*Firebrands* Gioia Diliberto, 2024-10-30 Guaranteed to change how you picture Prohibition this lively history turns the spotlight on four women in the immediate aftermath of winning the vote who played influential roles on all sides of the Eighteenth and Twenty First Amendments In the popular imagination the story of Prohibition in America is a story of men and male violence one full of federal agents fighting gangsters over the sale of moonshine In contrast *Firebrands* is the story of four Jazz Age dynamos all women who were forces behind the passage the enforcement the defiance and ultimately the repeal of the Eighteenth Amendment They battled each other directly and they learned to marshal clout with cowed and hypocritical legislators almost all of them men Their clash over Prohibition stands as the first significant exercise of women's political power since women gained the right to vote and their influence on the American political scene wouldn't be equaled for decades In Gioia Diliberto's fresh and timely take on this period of history we meet Ella Boole the stern and ambitious leader of the Woman's Christian Temperance Union who campaigned fiercely to introduce Prohibition and fought desperately to keep it alive We also meet Mabel Walker Willebrandt the most powerful woman in America at the time who served as the top federal prosecutor charged with enforcing Prohibition Diliberto tells the story too of silent film star Texas Guinan who ran New York speakeasies backed by the mob and showed that Prohibition was not only absurd but unenforceable And she follows Pauline Morton Sabin a glamorous Manhattan aristocrat who belatedly recognized the cascading evil in Prohibition and mobilized the movement to kill it These women led their opposing forces of Wets and Drys across a teeming landscape of bootleggers gangsters federal agents temperance fanatics and cowardly politicians many of them secret drunks Building on the momentum of suffrage they forged a path for the activists who followed during the great civil rights battles of the mid twentieth century Yet they have been largely lost to history In *Firebrands* Diliberto finally gives these dynamic figures their due creating a varied and dramatic portrait of women wielding power in politics society and popular culture
