

The image is a movie poster for "Hellraiser: Bloodline". It features the character Pinhead, a pale man with a shaved head and numerous sharp pins protruding from it. He is wearing a dark, intricately detailed leather suit. He is suspended in the air by two thick metal chains. In his right hand, he holds a small, light-colored bird. The background is dark and atmospheric, with a blue, ethereal glow emanating from behind him. At the bottom of the poster, the title "HELLRAISER" is written in large, bold, black letters with a metallic sheen, and "BLOODLINE" is written below it in smaller, red, bold letters. At the very bottom, there is a block of small white text providing production credits, and on the right side, the "LE STUDIO CANAL+" logo is visible.

Cowan,2022-05-17 From creature features to indie horror flicks find out what happens when sex horror and the religious imagination come together Throughout history religion has attempted to control nothing so much as our bodies what they are and what they mean what we do with them with whom and under what circumstances how they may be displayed or more

commonly how they must be hidden Yet we remain fascinated obsessed even by bodies that have left or been forced out of their proper place The Forbidden Body examines how horror culture treats these bodies exploring the dark spaces where sex and the sexual body come together with religious belief and tales of terror Taking a broad approach not limited to horror cinema or popular fiction but embracing also literary horror weird fiction graphic storytelling visual arts and participative culture Douglas E Cowan explores how fears of bodies that are tainted impure or sexually deviant are made visible and reinforced through popular horror tropes The volume challenges the reader to move beyond preconceived notions of religion in order to decipher the religious imagination at play in the scary stories we tell over and over again Cowan argues that stories of religious bodies out of place are so compelling because they force us to consider questions that religious belief cannot comfortably answer Who are we Where do we come from Why do we suffer And above all do we matter As illuminating as it is unsettling The Forbidden Body offers a fascinating look at how and why we imagine bodies in all the wrong places

*Gothic Things* Jeffrey Andrew Weinstock, 2023-07-04 SHORTLISTED THE ALLAN LLOYD SMITH PRIZE FOR BEST MONOGRAPH Offering an innovative approach to the Gothic *Gothic Things* Dark Enchantment and Anthropocene Anxiety breaks ground with a new materialist analysis of the genre highlighting the ways that since its origins in the eighteenth century the Gothic has been intensely focused on ominous matter and thing power In chapters attending to gothic bodies spaces books and other objects *Gothic Things* argues that the Gothic has always been about what happens when objects assume mysterious animacy or potency and when human beings are reduced to the status of just one thing among many more powerful others In exploring how the Gothic insistently decenters the human Jeffrey Andrew Weinstock reveals human beings to be enmeshed in networks of human and nonhuman forces mostly outside of their control *Gothic Things* thus resituates the Gothic as the uncanny doppelgänger of twenty first century critical and cultural theory lurking just beneath the surface and sometimes explicitly surfacing as it haunts considerations of how human beings interact with objects and their environment In these pages the Gothic offers a dark reflection of the contemporary nonhuman turn expressing a twenty first century structure of feeling undergirded by anxiety over the fate of the human spectrality monstrosity and apocalypse Substituting horror for hope the Gothic Weinstock explains has been a philosophical meditation on human relations to the nonhuman since its inception raising significant questions about how we can counter anthropocentric thought in our quest to live more harmoniously with the world around us
