Hellraiser No 11:

The Hellraiser Films and Their Legacy Paul Kane,2015-05-07 Best selling horror novelist Clive Barker s 1987 film Hellraiser has become an undisputed horror classic spawning a movie franchise that to date includes eight films Exploring not only the cinematic interpretations of the Hellraiser mythos but also its intrusion into other artistic and cultural forms this volume begins by identifying the unconventional sources of Barker s inspiration and following Barker from his pre Hellraiser cinematic experience through the filming of the horror classic It examines various themes such as the undermining of the traditional family unit and the malleability of the flesh found throughout the film series and the ways in which the representation of these themes changes from film to film The religious aspects of the films are also discussed Characters central to the franchise and the mythos are examined in detail

New York Magazine ,1987-09-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Every Fire Needs a Little Bit of Help Jarrod Shanahan,2025-09-02 A decade of American society coming apart Every Fire Needs a Little Bit of Help collects a decade of reflections on recent US struggles Occupy Wall Street Black Lives Matter and the George Floyd Rebellion alongside accounts of the rise of Trumpism the alt right an apocalyptic shift in popular culture to paint a dense and complex portrait of a decade of protracted social crisis Jarrod Shanahan reports from the ground On the streets in 2014 from the depths of the Rikers Island penal complex inside the alt right underground and the carnival of Trump rallies and in the line of fire in Kenosha Wisconsin in 2020 among other scenes that Shanahan accessed not as a credentialed observer but an active participant prisoner infiltrator activist The resulting essays outline the pitfalls and opportunities facing those seeking to reverse the suicidal course of capitalist society and build a liberated world

New York Magazine ,1987-10-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Theology and Horror Brandon R. Grafius,John W. Morehead,2021-03-02 Scholars of religion have begun to explore horror and the monstrous not only within the confines of the biblical text or the traditions of religion but also as they proliferate into popular culture This exploration emerges from what has long been present in horror an engagement with the same questions that animate religious thought questions about the nature of the divine humanity s place in the universe the distribution of justice and what it means to live a good life among many others Such exploration often involves a theological conversation

Theology and Horror Explorations

of the Dark Religious Imagination pursues questions regarding non physical realities spaces where both divinity and horror dwell Through an exploration of theology and horror the contributors explore how questions of spirituality divinity and religious structures are raised complicated and even sometimes answered at least partially by works of horror Clive Barker's Dark Worlds Phil and Sarah Stokes,2022-10-18 A deep dive into the creative world and personal archive of the master of horror Clive Barker from Hellraiser and Candyman to today I ve seen the future of horror and his name is Clive Barker In the mid 1980s Stephen King inducted a young English novelist into the world of great genre writers and since then this genius creator has only continued to expand his field of activity Created by his two most loyal collaborators Phil and Sarah Stokes Clive Barker s Dark Worlds is the first book to shed light on the massive scope of Barker s creative work With the help of Barker himself this book contains exclusive insight from those who have worked with him creatively and professionally alongside analyses of his works and comments over four decades from industry contemporaries and friends such as Ramsey Campbell Quentin Tarantino Neil Gaiman China Mi ville Peter Straub Armistead Maupin J G Ballard Wes Craven and many more The book spans Barker s world highlighting classics such as the character Pinhead an icon in the pantheon of horror cinema the Hellraiser series of ten films and a forthcoming HBO miniseries and the cult films Nightbreed and Candyman the latter of which was rebooted as a Jordan Peele production in 2021 In literature Barker has written the horror anthology series Books of Blood which was recently adapted by Hulu as well as numerous fantasy sagas Weaveworld and The Great and Secret Show have become instant genre classics and Abarat is a beloved bestselling series for young adults In the world of comics Barker has partnered with major publishers such as Marvel and BOOM Studios This tireless creator has also dipped his toes into the worlds of toys video games and art and his incredible collection of paintings drawings and photographs have been exhibited in galleries over the world Strike and Destroy Stjepan G. Mestrovic,2012 In a spontaneous combustion theory of war crimes Jeremy Morlock and 11 other soldiers were charged with having murdered 3 Afghans as if they just spontaneously did monstrous things But in an extraordinary court martial the Defense showed that in fact the atrocities originated in a failure of leadership and a dysfunctional brigade climate Dr Stjepan Mestrovic a professional sociologist who has testified in the trial explains **The Spaces and Places of Horror** Francesco Pascuzzi,Sandra Waters,2020-01-16 This volume explores the complex horizon of landscapes in horror film culture to better understand the use that the genre makes of settings locations spaces and places be they physical imagined or altogether imaginary In The Philosophy of Horror No 1 Carroll discusses the geography of horror as often situating the filmic genre in liminal spaces as a means to displace the narrative away from commonly accepted social structures this use of space is meant to trigger the audience s innate fear of the unknown This notion recalls Freud s theorization of the uncanny as it is centered on recognizable locations outside of the Lacanian symbolic order In some instances a location may act as one of the describing characteristics of evil itself In A Nightmare on Elm Street teenagers fall asleep only to be dragged from their

bedrooms into Freddy Krueger's labyrinthine lair an inescapable boiler room that enhances Freddie's powers and makes him invincible In other scenarios the action may take place in a distant little known country to isolate characters Roth's Hostel films or as a way to mythicize the very origin of evil Bava's Black Sunday Finally anxieties related to the encroaching presence of technology in our lives may give rise to postmodern narratives of loneliness and disconnect at the crossing between virtual and real places in Kurosawa's Pulse the internet acts as a gateway between the living and spirit worlds creating an oneiric realm where the living vanish and ghosts move to replace them This suggestive topic begs to be further investigated this volume represents a crucial addition to the scholarship on horror film culture by adopting a transnational comparative approach to the analysis of formal and narrative concerns specific to the genre by considering some of the most popular titles in horror film culture alongside lesser known works for which this anthology represents the first piece of relevant scholarship

Secret Lives of the Civil War Cormac O'Brien,2014-04-15 Legendary Heroes of U S History As You ve Never Seen Them Before Secret Lives of the Civil War features irreverent and uncensored profiles of men and women from the Union and the Confederacy complete with hundreds of little known and downright bizarre facts You ll discover that Mary Todd Lincoln claimed to receive valuable military strategies from ghosts in the spirit world Jefferson Davis once imported camels for soldiers stationed in the American southwest Ulysses S Grant spent much of the Vicksburg campaign on a horse named Kangaroo James Longstreet fought the Battle of Antietam wearing carpet slippers William T Sherman was the victim of two shipwrecks on the same day Harriet Tubman experienced frequent and bizarre hallucinations Stonewall Jackson was a notorious hypochondriac he always sat up straight fearing that slouching would compress his vital organs With chapters on everyone from William Quantrill a guerilla leader whose skull later ended up in the basement of a fraternity house to Rose O Neal Greenhow perhaps the South s most glamorous spy Secret Lives of the Civil War features a mix of famous faces and unsung heroes American history was never this much fun in school *Insurance Post of Chicago* ,1914 New York Magazine ,1987-10-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to

reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The Forbidden Body Douglas E. Cowan, 2022-05-17 Throughout history the religious imagination has attempted to control nothing so much as our bodies what they are and what they mean what we do with them with whom and under what circumstances how they may be displayed or more commonly how they must be hidden Religious belief and mandate affect how our bodies are used in ritual practice as well as how we use them to identify and marginalize threatening religious Others This book examines how horror culture treats religious bodies that have stepped or been pushed out of their proper place Unlike most books on religion and horror This book explores the dark spaces where sex sexual representation and the sexual body come together with religious belief and scary stories Because these intersections of sex horror and the religious imagination force us to question the nature of consensus reality supernatural horror especially as it concerns the body often shows us the religious imagination at work in real time It is important to note that the discussion in this book is not limited either to horror cinema or to popular fiction but considers a wide range of material including literary horror weird fiction graphic storytelling visual arts participative culture and aspects of real world religious fear It is less concerned with horror as a genre which is mainly a function of marketing and more with the horror mode a way of storytelling that finds expression across a number of genres a variety of media and even blurs the boundary between fiction and non fiction This expanded focus not only deepens the pool of potential examples but invites a much broader readership in for a swim

Every Chart Topper Tells a Story Sharon Davis, 2012-01-06 The seventies witnessed great changes not only in dress style but also in music The psychedelia of the late sixties had mutated into glam rock by the early seventies while the latter half of the decade is best remembered for the punk and disco explosions which gripped both Britain and America The number one singles of the decade are recalled in *Every Chart Topper Tells a Story* The Seventies from artists as diverse as Gary Glitter David Bowie Jimi Hendrix Diana Ross The Bee Gees T Rex Commodores Donny Osmond The Three Degrees and Abba It is the ideal volume both for those wanting a trip down memory lane and for serious music connoisseurs
