Guide to Natural Ventilation in High Rise Office Buildings Antony Wood, Ruba Salib, 2013 This guide sets out recommendations for every phase of the planning construction and operation of natural ventilation systems in these buildings including local climatic factors that need to be taken into account how to plan for seasonal variations in weather and the risks in adopting different implementation strategies All of the recommendations are based on analysis of the research findings from richly illustrated international case studies This is the first technical guide from the Council on Tall Buildings and Urban Habitat s Tall Buildings Sustainability Working Group looking in depth at a key element in the creation of tall buildings with a much reduced environmental impact while taking the industry closer to an appreciation of what constitutes a sustainable tall building and what factors affect the sustainability threshold for tall

High-Performance Building Vidar Lerum, 2008 Publisher description Chicago Makes Modern Mary Jane Jacob, Jacquelynn Baas, 2012-12-15 Chicago is a city dedicated to the modern from the skyscrapers that punctuate its skyline to the spirited style that inflects many of its dwellings and institutions from the New Bauhaus to Hull House Despite this the city has long been overlooked as a locus for modernism in the arts its rich tradition of architecture design and education disregarded Still the modern in Chicago continues to thrive as new generations of artists incorporate its legacy into fresh visions for the future Chicago Makes Modern boldly remaps twentieth century modernism from our new century perspective by asking an imperative question How did the modern mind deeply reflective yet simultaneously directed help to dramatically alter our perspectives on the world and make it new Returning the city to its rightful position at the heart of a multidimensional movement that changed the face of the twentieth

century Chicago Makes Modern applies the missions of a brilliant group of innovators to our own time From the radical social and artistic perspectives implemented by Jane Addams John Dewey and Buckminster Fuller to the avant garde designs of L szl Moholy Nagy and Mies van der Rohe the prodigious offerings of Chicago s modern minds left an indelible legacy for future generations Staging the city as a laboratory for some of our most heralded cultural experiments Chicago Makes Modern reimagines the modern as a space of self realization and social progress where individual visions triggered profound change Featuring contributions from an acclaimed roster of contemporary artists critics and scholars this book demonstrates how and why the Windy City continues to drive the modern world **Glass Construction Manual** Christian
