Help For The Small Church Pastor Unlocking The Potential Of Your Congregation:

Help for the Small-church Pastor Steve R. Bierly,1995 Churches with fewer than 150 people will always be a bastion of Christianity despite today s megachurch emphasis Pastors dealing with the strengths problems and opportunities of smaller churches will value Bierly s timely guidance and encouragement Knowing what makes small churches tick helps their leaders invest time and energy wisely into the kind of growth that matters *How to Thrive As a Small-Church Pastor* Steve R. Bierly,1998 Practical and encouraging wisdom to help small church pastors understand why they often feel the way they do abounds in this book as well as tips on how to recover personal well being and the joy of a small church ministry

Pastoring the Small Church Eric Moore,2013-10-17 With humor and candor Eric Moore addresses common challenges that the pastor of the small church encounters on a daily basis As the pastor of a small church he shares stories from his own experience and provides biblical and common sense solutions to the issues that pastors face If you pastor a small church then you are a key part of God s program This book will encourage and remind you of the importance of your calling Effective Small Churches in the Twenty-first Century Carl S. Dudley,2003 Dudley s work in *Making the Small Church Effective* 1978 broke new ground in understanding the dynamics of life in the small congregation In this revised edition Dudley revisits the small church posing new questions reflective of the considerable changes that have swept over small churches in the last two decades Among the most significant recent developments are shifts in institutional loyalty and individual s sense of identity in relation to larger groups and organizations Dudley explores the key components that contribute to a small congregation s sense of unity and that motivate its members to more faithfully live out their faith **Invitation to Educational Ministry**

George Hillman,Sue Edwards,2018-09-25 Because teaching is at the heart of Christian ministry the editors of *Invitation to Educational Ministry* have assembled a team of seasoned experts to present a comprehensive plan of Christian education This volume will help church staff parachurch leaders and small group teachers become more effective influential and creative After laying a biblical and practical foundation for Christian education the contributors provide specific guidance on teaching a variety of individuals and groups including children adults singles seniors and non Christians The final section shares valuable insights on leading small groups teaching innovatively and overseeing a healthy educational ministry among other topics Each chapter is designed to equip educators with the most relevant information and includes many useful features Real life case studies Scriptural support Explanations of key terms and concepts Practical suggestions Resources for additional study Sidebars illustrating best principles and practices **Jesus the Pastor** John W. Frye,2010-08-03 A personal

and practical guide to help pastors find Jesus as their mentor For decades Paul has been the model for today s pastors But Pastor John Frye says we must instead look to Jesus as our model While we may lift Christ up as Savior as we bow down to him as Lord as we marvel at his offices of Prophet Priest and King as we walk with him as Friend we seem to ignore him as the supreme Senior Pastor Sharing thought provoking biblical insights and personal experiences Frye calls other pastors to

become apprentices to Jesus himself He is the One who invites pastors to watch him in action and draw close so he can shape who they are and how they fulfill their ministry Why have pastors and churches not been driven to Jesus as the central and controlling focus for the pastoral vocation and ministry in the local church He s been relegated to other dimensions of Christian and local church experience Jesus is shoved into our shadows as we read our management books do our cultural surveys attend our leadership seminars and applaud or criticize one another s endeavors John Frye in Jesus the Pastor

The Little Church that Could Steven E. Burt,Hazel Ann Roper,2001 Filled with case studies and practical helps this guide addresses everything from congregational life cycles to size related dynamics Healthy Esteem Tony Pappas,Anthony Pappas,2002-04 Positive self esteem is important for any congregation but for the small membership congregation it is sometimes difficult to maintain Through discussion and humor presented in a satirical mystery play Pappas helps small congregations remember the history and strengths of the small church Healthy Esteem provides practical steps for creating and maintaining healthy self regard and respect in small congregations Books in Print Supplement ,2002 **Baptist Bulletin** ,1996 **Subject Guide to Books in Print** ,1991 **Subject Guide to Children's Books in Print** 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Church of God Evangel** ,1992 **Organic Outreach for Churches** Kevin G. Harney,2018-05-22 Nearly all churches and ministries consider themselves dedicated to evangelism and many explicitly include outreach in their mission statements But few are actually bearing fruit Kevin Harney diagnoses this problem and offers guidance for multiplying the outreach impact of churches Organic Outreach for Churches provides direction for local congregations to weave evangelism into the fabric of the church Commitment to the Great Commission is not simply about sending money and prayers to missions or holding occasional events to reach out although these things are good Organic outreach happens when evangelistic vision and action become the domain of every ministry and the commitment of every person in the congregation This will not happen accidentally There is huge spiritual and practical resistance to such changes But the only way evangelism will become an organic part of a church is when every leader and each member is gripped by a commitment to proclaiming the gospel This book is a roadmap for pastors and leaders who wish to infuse evangelistic passion into every aspect of their church s life Reverse Mentoring Earl Creps,2008-10-14 Earl Creps is known for his work in connecting the younger generation of postmoderns with their Boomer predecessors The author of Off Road Disciplines Creps in this new book takes up the topic of how older church leaders can learn from younger leaders who are more conversant with culture technology and social context In addition to making the benefits of what he calls reverse mentoring apparent he also makes it accessible by offering practical steps to implement this discipline at both personal and organizational levels particularly in communication evangelism and leadership Creps new book is a topic of interest both inside and outside the church as older leaders realize that they re not getting it when it comes to technologies iPod IM blogging or cultural issues such as the fact that younger people see the world in an entirely different way Creps has

been personally involved in reverse mentoring for several years and has spoken and written on the subject extensively He has pastored three churches one Boomer one Builder on X er and is currently a church planter in Berkeley California He has also served as a consultant and a seminary professor and administrator holding a PhD in Communication Studies and a D Min from the Assemblies of God Theological Seminary *Missional Renaissance* Reggie McNeal,2009-02-03 Reggie McNeal s bestseller *The Present Future* is the definitive work on the missional movement i e the widespread movement among Protestant churches to be less inwardly focused and more oriented toward the culture and community around them In that book he asked the tough questions that churches needed to entertain to begin to think about who they are and what they are doing in *Missional Renaissance* he shows them the three significant shifts in their thinking and behavior that they need to make that will allow leaders to chart a course toward being missional 1 from an internal to an external focus ending the church as exclusive social club model 2 from running programs and ministries to developing people as its core activity and 3 from professional leadership to leadership that is shared by everyone in the community With in depth discussions of the what and the how of transitioning to being a missional church readers will be equipped to move into what McNeal sees as the most viable future for Christianity For all those thousands of churches who are asking about what to do next after reading *The Present Future* *Missional Renaissance* will provide the answer **Congressional Record** United States.
