Superstar Billy Graham Billy Graham,Keith Elliot Greenberg,2006 The man of the hour the man with the power too sweet to be sour That was how Superstar Billy Graham described himself and who could argue Graham was perhaps the single most influential performer of the past thirty years and the mark of that influence can be found in Superstars ranging from Hulk Hogan to Scott Steiner His outrageous ring attire and Muhammad Ali style interviews were a breath of fresh air during an era when sports entertainment was much more bare bones than it is today Just as fans flocked to see the Superstar compete in the ring so they loved to listen to him pontificate on the microphone even if he was bad mouthing the Superstars they held dear With his equally colourful manager the Grand Wizard at his side Graham toppled Bruno Sammartino from his WWE Championship perch for the last time on April 30 1977 He went on to hold the prize for nearly ten months the longest reign for any ring villain in WWE history to this day Clad in tie dye and feather boas the Superstar was a sign of things to come and boasted a chiselled muscular physique that was very unique at the time During the late 1980s he made a brief return to WWE competition and even enjoyed stints as a manager and broadcaster Graham has experienced it all and he s going to be talking about it in this book with stories about all the legendary wrestlers including Sammartino Jimmy Superfly Snuka and Sergeant Slaughter that no true wrestling fan will want to miss **Weekly**

Translating Rome Robert M. Cummings,2010 In his translations of three major works from the Roman world collected in a single volume for the first time Robert Graves brings the classical world to life As Robert Cummings demonstrates in his introduction Graves sometimes overrides the demands of accuracy his interpretations of and responses to his material are at times idiosyncratic but Whatever complaints are lodged against Graves s translations he remains after fifty years eminently readable It is the novelist s narrative virtuosity his flair for catching a character s individual voice and above all his endless curiosity about the world that make these translations so compelling they also mirror Graves s interest in myth in *The White Goddess* and his imaginative recreations of the classical world in *I Claudius* and *Claudius the God* *The Golden Ass* is an essential work in European literature a magical sometimes bawdy adventure to which Graves responds with exuberant delight In contrast Lucan s *Pharsalia* an account of the civil war between Julius Casear and Pompey raises for Graves issues of the writer s moral responsibility the rejection of rhetoric that in his own time he writes had sent poets marching through the Waste Land after the Great War *The Twelve Caesars* exemplifies the writer s responsibility to the truthful record in its vivid accounts of the corruptions of arbitrary power Book Jacket

Sports Illustrated The 50th Anniversary Book Editors of Sports Illustrated, 2004-10-26 This colorful book celebrating fifty years of America's most prominent sports magazine is certainly more practical than hoarding 2 500 issues The six part book plays to the strength of the magazine The Stories and The Photographs sections are the largest The 35 articles are truncated often just whetting your appetite for more The companion book *Fifty Years of Great Writing* offers many of these in their full glory On the other hand the pictures are often bigger than they were in the magazine or could ever have been with the smaller size Lose minutes staring at Michael Jordan or Walter Payton frozen in midair Examine the juxtaposition of a close play at the plate with the bizarre styles of a 60s women's track team Try not to be swept away at a shot of Bill Russell and Wilt Chamberlain defining basketball If you have picked up the special issues released during SI's anniversary year you already seen a decent portion of this book The notable new writing is Richard Hoffer's essay about the world both sports and at large when the magazine began in 1954 and senior editor Frank Deford's pitch perfect introduction about why the magazine is special and how it grew up in the age of television The section most folks will spend their coffee table moments is The Covers a listing of the entire magazine's cover images both in chronological order and grouped in similar topics Scandals Presidents Deja Vu Punctuated by the best sport quotes SI's Signs of the Apocalypse fascinating lists of athletes and teams that were on the cover the most times and other sport tidbits through the ages this area is sure to launch a thousand sport memories Yes all the swimsuit covers are in one place too One quibble why is their Sports Person of the Year in the book not the same as their well known Sportsman of the Year Doug Thomas
