Heaven Lies About Us:

Heaven Lies about Us Eugene McCabe, 2005-01 In these twelve stories Eugene McCabe plumbs the soul of the Irish border counties where confusion divided loyalties and heightened emotions are part of everyday life whether that life is lived in the aftermath of the Great Hunger or in the face of sectarian bitterness suspicion and conflict A master of arresting dialogue and intimate characterisation celebrated as a major playwright and author of one of the most important Irish novels of the last fifty years McCabe demonstrates his outstanding gift for short fiction in this revelatory and haunting collection

Drawers of Power from the Heavenlies Dr. D. K. Olukoya, 2013-12-16 Many people suffer today because of gross ignorance concerning what is actually going on in the spiritual realm Some of the stubborn problems that men are struggling with today were actually programmed into human lives through certain hidden powers These powers carry out their activities in the day and in the night through association with very powerful spiritual strongholds The Importance of this message is to show you that many problems are caused by powers which rule the day and the night These powers have continued to perpetrate all forms of wickedness in the lives of millions if not billions of men and women You will experience a great change in your life the moment you begin to understand and control the powers that rule the day and the night *The Collected Works of Witness Lee, 1985, volume 2* Witness Lee, *The Collected Works of Witness Lee 1985 volume 2* contains messages given by Brother Witness Lee from January 6 through September 22 1985 In early January Brother Lee returned to Anaheim California from Irving Texas He visited Irvine California on January 5 and then returned to Anaheim before traveling to Taipei Taiwan a few days later He returned to Anaheim near the beginning of March and remained there until the beginning of April at which time he went again to Taipei for about two months At the beginning of June he returned to Anaheim and except for a brief visit to Berkeley California at the end of August he remained in Anaheim until the end of September The contents of this volume are divided into seven sections as follows 1 Seven messages given in Anaheim California on January 6 through September 22 These messages are included in this volume under the title Various Lord's Day Meetings in Anaheim 2 Eight messages given in Taipei Taiwan on January 22 through 25 These messages were previously published in Chinese and English in a book entitled *The Proper Aggressiveness of the Lord's Serving Ones* They are included in this volume under the same title 3 Eight messages given in Taipei Taiwan on January 28 through February 1 These messages were previously published in Chinese and English in a book entitled *The Fullness of God* They are included in this volume under the same title 4 Five messages given in Taipei Taiwan on April 8 through 12 These messages were previously published in Chinese and English in a five chapter standalone book entitled *On Home Meetings* The contents of this book were taken primarily from outlines and handwritten notes After the publication of this book in 1986 audio recordings were located that provided a fuller record of the content of Brother Lee's speaking The edited transcripts of these recordings are

included in The Collected Works of Witness Lee 1985 volume 1 as chapters 10 through 14 in the section entitled Crucial Words of Leading in the Lord's Recovery Book 6 Everyone Functioning for the Increase of the Church These updated chapters replace the contents in the previously published edition of On Home Meetings Therefore the chapters printed in The Collected Works of Witness Lee 1985 volume 1 are not printed in this volume 5 Twenty messages given in Taipei Taiwan on April 8 through May 3 These messages were previously published in Chinese and English in a book entitled The Vision Living and Work of the Lord's Serving Ones They are included in this volume under the same title 6 Fourteen messages given in Taipei and Taichung Taiwan and Anaheim California on April 16 through July 8 These messages were previously published in Chinese and English in a thirteen chapter book entitled The Propagation of the Gospel and the Administration of the Church They are included in this volume under the same title 7 A message given in Taipei Taiwan on April 18 This message was translated from Chinese and is included in this volume under the title Fellowship with Elders and Co workers in Taipei In The Heavenlies H.A. Ironside, 2014-09-05 There is nothing redundant in God's Word Men write books and very frequently pad them in order to give quantity as well as quality but there is nothing like that in the Bible God's words are tried as silver tried in a furnace of earth purified seven times and therefore we may well give our most careful attention to every item and every expression used What is the outstanding theme of the Epistle to the Ephesians It opens up the truth of the privileges and responsibilities of the church as the body and bride of Christ It brings before us our position as believers who have been quickened raised and seated in Christ in heavenly places There are very remarkable similarities between certain Old Testament books and New Testament Epistles The Epistle to the Romans for instance corresponds to the book of Exodus the letter to the Hebrews is the counterpart of Leviticus and the Epistle to the Ephesians is the New Testament book of Joshua In Joshua we have the people of Israel entering the possession of their inheritance In Ephesians believers are called to enter now by faith into the possession of that inheritance which eventually we shall enjoy in all its fullness We are far richer than we realize All things are ours and yet how little we appropriate It is said in the prophecy of Obadiah that when the Lord returns and His kingdom is established the people of Israel shall possess their possessions This is a challenge to us Do you possess your possessions Or are your heavenly estates like castles in Spain about which you dream but never really possess I trust the Spirit of God may lead us into the present enjoyment of our inheritance in Christ For our purpose the Epistle may be divided very simply without breaking it up into many portions that would be difficult to carry in our memories We shall divide it into two parts the first three chapters giving us the doctrine and the last three the practical outcome the first division gives us our inheritance and the last the behavior that should characterize those who are so richly blessed Often that is the divine order of Scripture instruction in the truth first practice in accordance with the truth afterwards H A I **Expository Notes on Paul's Letter to the Ephesians** John Allfree, 2017-11-05 This is a reprint of Bro John Allfree's notes on the Epistle to the Ephesians They were first produced in 1973 to accompany series of talks given at a Bible Study Weekend in Toronto They

achieved a limited circulation in North America and were then serialise in the Bible Student Magazine and in 1978 were published in book form by VCE Publications Canada They have been out of print for some years but have been reprinted in response to requests for their republication The book represents an attempt to expound the principal themes of the Epistle to the Ephesians and is not intended to be an exhaustive exegetical verse by verse commentary The final chapter seeks to extract from the apostle s words counsel to meet the needs of the 21st century disciple and encouragement to those who seek to be strong in the Lord and in the power of his might

The Heavenlies in Ephesians M. Jeff Brannon, 2011-11-03 The expression in the heavenlies appears five times in Ephesians and is not found at any other point in the New Testament The two appearances which have provoked the most debate are the session of earthly believers in 2:6 and the presence of the spiritual forces of evil in 6:12 M Jeff Brannon conducts a lexical exegetical and conceptual analysis of the expression arguing against the prevailing interpretation of the term and provides in depth examinations of three significant concepts associated with it namely the redeemed on earth having a heavenly status evil powers in heaven and the cosmology of Ephesians Brannon uses a wide range of sources Greek Jewish the Apostolic Fathers and the Septuagint Brannon concludes that there is no basis for a distinction between the terms heavens and in the heavenlies in Ephesians He also asserts that Qumran and apocalyptic texts can shed light upon and assist in a proper understanding of the difficult passages in which the expression appears
