Heaven On Wheels:

Heaven on Wheels Firdaus Kanga,1990 **Wisdom on Wheels** Donald V. Huard Ph.D.,2020-09-16 During the time of a global pandemic it s very difficult to maintain a positive attitude about America s future Daily and even hourly our citizens are being bombarded with the tragic depressing news that stresses the massive loss of life and the severe economic downturn resulting in high unemployment and family instability As a handicapped former professor of psychology now nearing ninety years of age Dr Don Huard lives his life on a variety of wheels those on his walker those on his electric scooter and those on his wheel chair He calls on others to look ahead optimistically pointing to the potential power of a positive attitude He chooses to stress recovery recovery that will occur in time Having survived the Asian flu pandemic in the early 1950s Don struggled with personal depression as a frail 115 lb eighteen year old military draftee during the Korean conflict Forty plus years of teaching and counseling young college students has resulted in some thoughtful consideration of the value of an optimistic mental outlook and its supportive influence not only for college students but also for those of advancing age even those who are handicapped and traveling on wheels Inexcusable Chris Lynch,2008-06-20 I am a good guy Good guys don t do bad things Good guys understand that no means no and so I could not have done this because I understand Keir Sarafian knows many things about himself He is a talented football player a loyal friend a devoted son and brother Most of all he is a good guy And yet the love of his life thinks otherwise Gigi says Keir has done something awful Something unforgivable Keir doesn t understand He loves Gigi He would never do anything to hurt her So Keir carefully recounts the events leading up to that one fateful night in order to uncover the truth Clearly there has been a mistake But what has happened is indeed something inexcusable **Love** Steven Curtis Lance,2009-01-01 Through a thousand nights of love into a thousand days of poetry love came to me wearing its thousand faces and thrillingly whispering words into my heart I wanted to remember them and to share them with you so I wrote them all down with the uttermost care as my uttermost offering by love and for love with all of my heart Those words were these poems which are this book of a thousand nights of love into a thousand days of poetry written down with the uttermost care to remember and to share And even and especially when it might not seem so all these words in all their thousand ways share as their source and destination love wearing its thousand faces and thrillingly whispering words these words into your heart through mine I made this book for you and it is yours now It had to be called LOVE because it is Take it Love Steven *Sleaze* L. A. Morse,2014-04-01 Next to Sam Hunter Dirty Harry looks like Mother Theresa New York Daily News Los Angeles private eye Sam Hunter doesn t have a soft side Everything about him is as hard as a knuckle to the face So when a call for help comes in from a trashy porn magazine it s not out of the goodness of his heart that Sam takes the case It has more to do with the curves of the magazine s sizzling hot editor The magazine is called Sleaze and that s exactly what has made it the target of a fanatical cult one willing to shed blood to cleanse its holy land Soon Sam finds out that morality and sin aren t so black and white as his investigation slides

down a path towards X rated videos a Tijuana corpse and thugs that want Sam dead Unfortunately for them they've chosen a hard man to kill From L A Morse the Edgar Award winning author of THE FLESH EATERS and THE OLD DICK and THE BIG ENCHILADA comes another electrifying tale of Sam Hunter a low down dirty fighter who takes a hit and hits back harder

Slaughterhouse-Five Kurt Vonnegut, 1991-11-03 Kurt Vonnegut's masterpiece Slaughterhouse Five is a desperate painfully honest attempt to confront the monstrous crimes of the twentieth century Time Selected by the Modern Library as one of the 100 best novels of all time One of The Atlantic's Great American Novels of the Past 100 Years Slaughterhouse Five an American classic is one of the world's great antiwar books Centering on the infamous World War II firebombing of Dresden the novel is the result of what Kurt Vonnegut described as a twenty three year struggle to write a book about what he had witnessed as an American prisoner of war It combines historical fiction science fiction autobiography and satire in an account of the life of Billy Pilgrim a barber's son turned draftee turned optometrist turned alien abductee As Vonnegut had Billy experiences the destruction of Dresden as a POW Unlike Vonnegut he experiences time travel or coming unstuck in time An instant bestseller Slaughterhouse Five made Kurt Vonnegut a cult hero in American literature a reputation that only strengthened over time despite his being banned and censored by some libraries and schools for content and language But it was precisely those elements of Vonnegut's writing the political edginess the genre bending inventiveness the frank violence the transgressive wit that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it Authors as wide ranging as Norman Mailer John Irving Michael Crichton Tim O'Brien Margaret Atwood Elizabeth Strout David Sedaris Jennifer Egan and J K Rowling have all found inspiration in Vonnegut's words

Jonathan Safran Foer has described Vonnegut as the kind of writer who made people young people especially want to write George Saunders has declared Vonnegut to be the great urgent passionate American writer of our century who offers us a model of the kind of compassionate thinking that might yet save us from ourselves More than fifty years after its initial publication at the height of the Vietnam War Vonnegut's portrayal of political disillusionment PTSD and postwar anxiety feels as relevant darkly humorous and profoundly affecting as ever an enduring beacon through our own era's uncertainties
