Arcana Coelestia, Vol. 12 Emanuel Swedenborg, 2015-07-26 Excerpt from Arcana Coelestia Vol 12 The Heavenly Arcana Contained in the Holy Scripture or Word of the Lord Unfolded 9974 Those who believe that they merit heaven by the goods which they do do goods from themselves and not from the Lord 9975 None of the goods which men do from themselves are good because they are done for the sake of self being done for the sake of reward thus from these works they have regard in the first place to themselves but the goods which men do from the Lord are all good because they are done for the sake of the Lord and for the sake of the neighbour thus in these goods they have regard in the first place to the Lord and the neighbor 9976 Therefore those who place merit in works love themselves and those who love themselves despise the neighbour and even are angry with God Himself if they do not receive the hoped for reward for they do the works for the sake of the reward 9977 From this it is evident that their works are not from heavenly love thus not from true faith for the faith which regards good from self and not from God is not true faith Such cannot receive heaven into themselves for heaven with man is from heavenly love and true faith 9978 Those who place merit in works cannot fight against the evils

which are from the hells for no one can do this from himself but the Lord fights and conquers for those who do not place merit in works About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
