Heavens Will Be Shaken:

Οὐρανὸν Οὐρανία. The Shaking and Translating of Heaven and Earth. A sermon on Heb. xii. 27 preached to the ... House of Commons ... on April 19, a day set apart for extraordinary humiliation John OWEN (D.D.),1793 **The Shaking and**

Translating of Heaven and Earth John Owen,1797 *The Sequence* Steven R. Bates,2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn't Today's typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i.e Paul's letters to the Thessalonians the Olivet Discourse and John's visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there's only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it's theoretically impossible Scripture's six sequences only confirm one sequence and it is the one which has been presented in The Sequence **Revelation 1-22 MacArthur New Testament Commentary Two Volume Set** John
