Hedda Louella A Dual Biography:

How to be a Movie Star William J. Mann, 2009 A narrative account of Elizabeth Taylor's career with particular attention paid to how the consummate movie star influenced and crafted her image over the years **She Damn Near Ran the Studio** Jacqueline R. Braitman, 2020-10-19 Best known as the woman who ran MGM Ida R. Koverman 1876-1954 served as talent scout, mentor, executive secretary, and confidante to American movie mogul Louis B. Mayer for twenty-five years. She Damn Near Ran the Studio: The Extraordinary Lives of Ida R. Koverman is the first full account of Koverman's life and the true story of how she became a formidable politico and a creative powerhouse during Hollywood's Golden Era. For nearly a century, Koverman's legacy has largely rested on a mythical narrative, while her more fascinating true life story has remained an enduring mystery until now. This story begins with Koverman's early years in Ohio and the sensational national scandal that forced her escape to New York, where she created a new identity and became a leader among a community of women. Her second incarnation came in California, where she established herself as a hardcore political operative challenging the state's progressive impulse. During the Roaring Twenties, she was a key architect of the Southland's conservative female-centric partisan network that refashioned the course of state and national politics and put Herbert Hoover in the White House. As the political boss of Los Angeles County, she was the premiere matchmaker in the courtship between Hollywood and national partisan politics, which, as Mayer's executive secretary, was epitomized by her third incarnation as one of the most formidable women in Hollywood, whose unparalleled power emanated from her unique perch inside the executive suite of Metro-Goldwyn-Mayer. Free to adapt her managerial skills and political know-how on behalf of the studio, she quickly drew upon her artistic sensibilities as a talent scout, expanding MGM's catalog of stars and her own influence on American popular culture. Recognized as one of the invisible power centers in both MGM and the city of Los Angeles, she nurtured the city's burgeoning performing arts by fostering music and musicians and the public financing of them. As the lioness of MGM royalty, Ida Koverman was not just a naturalized citizen of the Hollywood kingdom; at times during her long reign, she damn near ran the studio. *Writing Under the Influence* Aubrey Malone, 2017-12-21 Writers and alcohol have long been associated, for some, the association becomes unmanageable. Drawing on rare sources, this collection of brief biographies traces the lives of 13 well-known literary drinkers, examining how their relationship with alcohol developed and how it affected their work, for better or worse. Focusing on examples like F. Scott Fitzgerald, Ernest Hemingway, Edna St. Vincent Millay, Charles Bukowski, and Raymond Carver, the combined biographies present a study of the classic figure of the over-indulging author. **Making Movies Black** Thomas Cripps, 1993 Surveys the involvement of Blacks in the American cinema from World War II to the 1950s, discussing the attention to black life in films such as *Cabin in the Sky*, *Pinky*, and *Intruder in the Dust*. It also depicts the rise of black film stars such as Sidney Poitier. **Winchell** Neal Gabler, 1995-09-26 Hailed as the most important and entertaining biography in recent memory, Gabler's account of the life of fast-talking gossip columnist and radio broadcaster

Walter Winchell fuses meticulous research with a deft grasp of the cultural nuances of an era when virtually everyone who mattered paid homage to Winchell Time of photos **The Bad & the Beautiful** Sam Kashner, Jennifer MacNair, 2002 Looks at the scandals morals and sleaze of 1950 s Hollywood *Chaplin in the Sound Era* Eric L. Flom, 2009-01-13 Charles Chaplin s sound films have often been overlooked by historians despite the fact that in these films the essential character of Chaplin more overtly asserted itself in his screen images than in his earlier silent work Each of Chaplin s seven sound films City Lights 1931 Modern Times 1936 The Great Dictator 1940 Monsieur Verdoux 1947 Limelight 1952 A King in New York 1957 and A Countess from Hong Kong 1967 is covered in a chapter length essay here The comedian s inspiration for the film is given along with a narrative that describes the film and offers details on behind the scenes activities There is also a full discussion of the movie s themes and contemporary critical reaction to it **They Knew Marilyn Monroe** Les Harding, 2012-09-07 Taking an innovative approach to the life and legend of Marilyn Monroe 1926 1962 this biographical dictionary concentrates on her circle of friends acquaintances and coworkers 1618 in all Distilled from hundreds of celebrity biographies are references to and quotes about the iconic Hollywood sex symbol from such diverse personalities as architect Frank Lloyd Wright Israeli diplomat Abba Eban beat poet Jack Kerouac novelist Somerset Maugham jazz singer Ella Fitzgerald counterculture guru Timothy Leary and evangelist Aimee Semple McPherson to name but a few All of these remarkable people have in one way or another crossed paths with the magnificent Monroe The entries in this volume with source listings for further reading and research confirm the fact that Marilyn Monroe remains a figure of enduring fascination five decades after her death [Marilyn Revealed](#) Ted Schwarz, 2009-01-16 At the age of 36 Marilyn Monroe died a Hollywood movie star and became an American legend This work combines the actress s personal confessions along with interviews with friends and contemporaries to reveal the truth behind this Hollywood icon [Hollywood's High Noon](#) Thomas Cripps, 1996-11-13 A lively narrative history of Hollywood s classical age Over the last twenty five years the field of cinema studies has offered a dramatic reassessment of the history of film in general and of Hollywood in particular Writers have drawn on the methodologies of a number of disciplines literary criticism sociology psychology women s studies and minority and gay studies to deepen our understanding of motion pictures the film industry and movie theater audiences In Hollywood s High Noon noted film historian Thomas Cripps offers a lively narrative history of Hollywood s classical age that brings the insights of recent scholarship to students and general readers From its origin during the First World War to the beginning of its decline in the 1950s Cripps writes Hollywood operated as did other American industries movies were created by a rational production system regulated by both government and privately organized interests and subject to the whims of a fickle marketplace Yet these films did offer consumers something unique in darkened movie palaces across the country audiences projected themselves their hopes and ideas onto silver screens profoundly mediating their reception of Hollywood s flickering images Beginning with turn of the century moving picture pioneer Thomas Edison Cripps traces the invention of

Hollywood and the development of the studio system He explores the movie going experience the struggle for social control over the movies through censorship the impact of sound on the style and content of films alternatives to Hollywood s oligopoly including race films and documentaries the paradoxical predictability and subversive creativity of genre pictures and Hollywood s self proclaimed shining moment during the Second World War Cripps concludes with a discussion of the collapse of the studio system after the war due in equal parts to suburbanization the emergence of television and government anti trust action

Hedda Louella A Dual Biography Introduction

In today's digital age, the availability of Hedda Louella A Dual Biography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hedda Louella A Dual Biography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hedda Louella A Dual Biography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hedda Louella A Dual Biography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hedda Louella A Dual Biography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hedda Louella A Dual Biography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Hedda Louella A Dual Biography books and manuals is Open Library. Open Library

is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hedda Louella A Dual Biography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
