**Hedge of Wild Almonds** Hope Hay Hewison, 1989      The Daily Discoveries of a Bible Scholar and Manuscript Hunter: A Biography of James Rendel Harris (1852-1941) Alessandro Falcetta, 2018-05-31 This is the first full biography of James Rendel Harris 1852 1941 Bible and patristic scholar manuscript collector Quaker theologian devotional writer traveller folklorist and relief worker Drawing on published and unpublished sources gathered in the United States Europe and the Middle East many of which were previously unknown Alessandro Falcetta tells the story of Harris s life and works set against the background of the cultural and political life of contemporary Britain Falcetta traces the development of Harris s career from Cambridge to Birmingham the story of his seven journeys to the Middle East and of his many campaigns from religious freedom to conscientious objection The book focuses upon Harris s innovative contributions in the field of textual and literary criticism his acquisitions of hundreds of manuscripts from the Middle East his discoveries of early Christian works in particular the Odes of Solomon his Quaker beliefs and his studies in the cult of twins His enormous output and extensive correspondence reveal an indefatigable genius in close contact with the most famous scholars of his time from Hort to Harnack Nestle the Sisters of Sinai and Frazer      Chinese Labour in South Africa, 1902-10 R. Bright, 2013-11-01 This book explores the decision of the British Empire to import Chinese labour to southern Africa despite the already tense racial situation in the region It enables a clearer understanding of racial and political developments in southern Africa during the reconstruction period and places localised issues within a wider historiography      **Memorializing the Anglo-Boer War of 1899-1902** Valerie B. Parkhouse, 2015-01-28 Memorializing the Anglo Boer War of 1899 1902 is a study of a group of memorials to soldiers who fought in a now nearly forgotten war and deals with the many factors influencing why there was such an unprecedented number of memorials compared to those to previous conflicts like the Crimean War fifty years earlier One of the most important issues was the impact of changes in the organization of the British Army in the late 1800s particularly the creation of locally based regiments heavily manned by volunteers drawn from local communities The book includes a detailed commentary on the social conditions in England that also account for the unprecedented number of commemorations of this conflict It discusses the variety of forms memorials took informal drinking fountains Spion Kop stands at football stadiums formal stained glass windows statues etc and the numerous and diverse places where they were located cathedrals town squares public schools and universities The growth of the national press and the rise of literacy is dealt with in detail as well as the telegraph whose invention meant that news became available overnight Space is given to discuss the expression of Victorian prosperity in public works The part played by the established church is well documented and an insight is given into the contribution of Imperialism patriotism and jingoism All these factors explain the motivation for the memorials creation The book is illustrated with photographs and articles from newspapers of the day Appendices cover those who are not commemorated lost memorials those who unveiled the memorials colonial involvement and more

Memorializing the Anglo Boer War of 1899 1902 will appeal particularly to social historians and students of military and social history *Journal of the Botanical Society of South Africa* Botanical Society of South Africa,1927 **Theology at War and Peace** Mark D. Chapman,2016-10-14 This book is the first detailed discussion of the impact of the First World War on English theology Assessing the close relationships between English and German theologians before the First World War Chapman then explores developments throughout the war A series of case studies make use of a large amount of unpublished material showing how some theologians sought to maintain relationships with their German colleagues while others especially from a more Anglo Catholic perspective used the war as an opportunity to distance themselves from the liberal theology which was beginning to dominate the universities before the war The increasing animosity between Britain and Germany meant that relations were never healed English theology became increasingly insular dividing between a more home grown variety of liberalism and an ascendant Anglo Catholicism Consequently this book offers useful insights into the development of theology in the twentieth century and will be of keen interest to scholars and students of the history of theology *The Creation of Modern Quaker Diversity, 1830-1937* Stephen W. Angell,Pink Dandelion,David Harrington Watt,2023-04-28 The period from 1830 to 1937 was transformative for modern Quakerism Practitioners made significant contributions to world culture from their heavy involvement in the abolitionist and women s rights movements and creation of thriving communities of Friends in the Global South to the large scale post World War I humanitarian relief efforts of the American Friends Service Committee and Friends Service Council in Britain The Creation of Modern Quaker Diversity 1830 1937 explores these developments and the impact they had on the Quaker religion and on the broader world Chapters examine the changes taking place within the denomination at the time including separations particularly in the United States that resulted in the establishment of distinct branches and a series of all Quaker conferences in the early twentieth century that set the agenda for Quakerism Written by the leading experts in the field this engaging narrative and penetrating analysis is the authoritative account of this period of Quaker history It will appeal to scholars and lay Quaker readers alike and is an essential volume for meeting libraries In addition to the editors the contributors include Joanna Clare Dales Richard Kent Evans Douglas Gwyn Thomas D Hamm Robynne Rogers Healey Julie L Holcomb Sylvester A Johnson Stephanie Midori Komashin Emma Jones Lapsansky Isaac Barnes May Nicola Sleafwood Carole Dale Spencer and Randall L Taylor

Volunteers on the Veld Stephen M. Miller,2007 This book spotlights Britain s citizen army to show who these volunteers were why they enlisted how they were trained and how they quickly became disillusioned when they found themselves committed not to the supposed glories of conventional battle but instead to a prolonged guerrilla war **The Quaker Renaissance and Liberal Quakerism in Britain, 1895-1930** Joanna Dales,2020-07-20 Many Quakers who reached maturity towards the end of the nineteenth century found that their parents religion had lost its connection with reality New discoveries in science and biblical research called for new approaches to Christian faith Evangelical beliefs dominant among

nineteenth century Quakers were now found wanting especially those emphasising the supreme authority of the Bible and doctrines of atonement whereby the wrath of God is appeased through the blood of Christ Liberal Quakers sought a renewed sense of reality in their faith through recovering the vision of the first Quakers with their sense of the Light of God within each person They also borrowed from mainstream liberal theology new attitudes to God nature and service to society The ensuing Quaker Renaissance found its voice at the Manchester Conference of 1895 and the educational initiatives which followed gave to British Quakerism an active faith fit for the testing reality of the twentieth century

**Millicent Garrett Fawcett** Melissa Terras, Elizabeth Crawford, 2022-06-09 Courage calls to courage everywhere is the best known phrase associated with Millicent Garrett Fawcett 1847 1929 the leading UK suffragist and campaigner of the late 19th and early 20th centuries But what is the source of her quote and what is its context This book reproduces Fawcett s essential speeches pamphlets and newspaper columns to tell the story of her dynamic contribution to public life Thirty five texts and 22 images are contextualised and linked to contemporary news coverage as well as to historical and literary references These speeches articles artworks and photographs cover both the advances and the defeats in the campaign for women s votes They also demonstrate a variety of the topics and causes Fawcett pursued the provision of education for women feminist history a love of literature and Fawcett s own attempt at fiction purity and temperance the campaign against employment of children the British Army s approach to the South African War the Unionist cause against Home Rule for Ireland and the role of suffrage organisations during World War I Here is a rich intertextual web of literary works preferred reading material organisations contacts friends and sometimes enemies that reveals Fawcett the individual throughout 61 years of campaigning The first scholarly appraisal of Fawcett in over 30 years this is essential reading for those wishing to understand the varied political social and cultural contributions of Dame Millicent Garrett Fawcett Praise for Millicent Garrett Fawcett Selected writings Millicent Fawcett s influence in the suffrage movement is often overlooked in favour of the more radical suffragette Emmeline Pankhurst Millicent was hugely important concentrating on non violent rational persuasion This book explains the work of this dogged suffragist Dame Jenni Murray former president Fawcett Society Millicent Garrett Fawcett Selected writings invites the reader to delve into the life and passions of this great suffragist leader Millicent Fawcett paved the way for women to take their place in public life that s why I m so proud that in 2018 her sculpture was unveiled in London becoming Parliament Square s first ever statue of a woman The statue depicts Millicent holding a banner bearing the powerful quote Courage Calls to Courage Everywhere This book explores important aspects of the rich and too often untold history of women s rights including the origins of that inspirational quote Sadiq Khan Mayor of London This is a vital collection of the vital speeches of a vital person You need to read this to understand the history of Millicent Fawcett and if you don t understand the history of Millicent Fawcett you don t understand one of the most important developments in modern civilisation Lord Daniel Finkelstein Millicent Fawcett is one of the pivotal voices in UK political history Her work

paved the way for every woman who has ever taken her place in a parliament anywhere on these islands When any of us talk about standing on the shoulders of giants Millicent Fawcett was that giant of female empowerment Baroness Ruth Davidson Millicent Fawcett was one of the most influential figures of her age yet history has tended to overlook her Extraordinarily astute and forward thinking she inspired women to change their world by giving them a political voice and the confidence to use it Thanks to this collection which is both scholarly and accessible we can now hear her own voice as never before She continues to inspire us to speak out on behalf of women s progress everywhere Jane Robinson Senior Associate Somerville College Oxford author of Ladies Can t Climb Ladders The Pioneering Adventures of the First Professional Women Terras and Crawford have brought together a powerful and accessible collection of contributions from Millicent Garrett Fawcett whose speeches and writings gave a political voice to the women of her generation This book allows us to follow the footsteps of a momentous albeit often overlooked suffragist who blazed the trail we now walk Nicola Sturgeon First Minister of Scotland

**On Refuge** Richard Gough,1997 A refuge provides a place of safety a place which constitutes the necessary conditions for making work But what are the conditions of making work for the displaced exiled or the migrant artist when the place and conditions for work have perhaps been erased On Refuge looks at how such altered conditions affect the work of performance and considers how performance constructs its own production and survival The contributors address issues of territory and asylum home and exile locality and migration as they affect both artists themselves and the forms evident in contemporary performance

**Identity and Networks** Deborah Fahy Bryceson,Judith Okely,Jonathan Meir Webber,2007 Contrary to the negative assessments of the social order that have become prevalent in the media since 9 11 this collection of essays focuses on the enormous social creativity being invested as collective identities are reconfigured It emphasizes on the reformulation of ethnic and gender relationships and identities in public life

**The Pacifist Impulse in Historical Perspective** International Conference On The Pacifist Impulse I,Peter Brock,International Conference on the Pacifist Impulse in Historical perspec,1996-01-01 This volume of twenty three essays appears in recognition of the emergence of peace history as a relatively new and coherent field of learning these essays were presented at an international conference The Pacifist Impulse in Historical Perspective Together the essays in this book explore the ideas and activities of persons and groups who for two millennia have rejected war and urged non violent means of settling conflicts

**Holiness: The Soul of Quakerism** Carole Dale Spencer,2007-12-01 No single word conjures up religion spirituality or the sacred more than holiness Yet its meaning in Christian theology and application in Christian practice has been greatly misunderstood Few Quakers today of any persuasion would recognize the mystical depth of meaning the concept had for Quakers down through the centuries Holiness The Soul of Quakerism recovers the essential place of holiness theology in three centuries of Quaker history It explores how Quaker spirituality was shaped in its inception by the experience of union with God otherwise known in the Christian tradition as perfection and examines selected figures from Quaker history who represent different emphases

of holiness in the context of their time and culture      *Reconstructed World* Barbara Roberts,1996-06-18 Born in Leicester England and raised in a working class family Richardson emigrated to northern Manitoba in 1911 She was influential in the women s and peace movements in both countries Devoutly religious she challenged orthodoxy and worked outside the mainstream churches for peace and social justice She cofounded one of the earliest suffrage groups in Manitoba and was a key activist in peace movements during the Boer War and World War I She also served as an information centre for international antiwar news and ran an internationally focused women s peace crusade in World War I from her Manitoba farmhouse via the post and newspaper columns Richardson was also a gifted writer and poet She wrote on a variety of women s movement issues for British and Canadian newspapers and magazines including Woman s Century the magazine of the National Council of Women of Canada Her outcries against war her indictment of militarism and her call for women and men to stand together for justice were powerful messages that still have resonance today Tragically poor health both mental and physical interfered with Richardson s work and prevented her from achieving the recognition attained by feminist contemporaries such as Nellie McClung      **British Quakerism, 1860-1920** Thomas C. Kennedy,2001 In 1860 the British Society of Friends was a peculiar inward looking sect diminishing in numbers and influence By 1920 British Quakerism theologically liberal socially active and radically pacifist emerged from a dramatic confrontation with the Warrior State possessed of economic social and moral influence out of all proportion to its still minuscule size 20 000 This carefully researched study chronicles the story of Quakerism s transformation during one of the most momentous periods in the history of the London now British Yearly Meeting of Friends      **Among Stone Giants** JoAnne Van Tilburg,2003 A portrait of the first woman archaeologist to work in Polynesia documents Routledge s experiences on Easter Island beginning with the launch of the 1913 Mana Expedition and continuing with her emersion into local customs and beliefs and battle with schizophrenia      *The South African War reappraised* Donal Lowry,2017-03-01 This text brings together contributions from scholars in South African and imperial history to examine the international dimensions of the war including a historiographical review of a century of writing on the origins of the war      **Semi-detached Idealists** Martin Ceadel,2000 Britain s semi detached geographical position has helped to give it the world s strongest peace movement Secure enough from invasions to be influenced by an idealistic approach to international relations unlike most of Europe yet too close to the continent for isolationism to be an option as it was in the United States the country has provided favourable conditions for those aspiring not merely to prevent war but to abolish it The period from the Crimean War to the Second World War marked the British peace movement s age of maturity In 1854 it was obliged for the first time to contest a decision and moreover a highly popular one to enter war It survived the resulting adversity and gradually rebuilt its position as an accepted voice in public life though by the end of the nineteenth century its leading associations such as the Peace Society were losing vitality as they gained respectability Stimulated by the First World War into radicalizing and reconstructing itself through the

formation of such associations as the Union of Democratic Control the No Conscription Fellowship and the Fellowship of Reconciliation the movement endured another period of unpopularity before enjoying unprecedented influence during the inter war years the era of the League of Nations Union the Oxford Union's King and country debate the Peace Ballot and the Peace Pledge Union Finally however Hitler discredited much of the agenda it had been promoting the previous century or more This book is the first comprehensive and authoritative study of this subject It covers all significant peace associations and campaigns and is based on an extensive use of archival as well as printed sources Its subject matter is of relevance both to historians of nineteenth and twentieth century British politics and to specialists in international relations interested in the anti realist tradition

The New Imperial Histories Reader Stephen Howe, 2020-07-24 In recent years imperial history has experienced a newfound vigour dynamism and diversity There has been an explosion of new work in the field which has been driven into even greater prominence by contemporary world events However this resurgence has brought with it disputes between those who are labelled as exponents of a new imperial history and those who can by default be termed old imperial historians This collection not only gathers together some of the most important influential and controversial work which has come to be labelled new imperial history but also presents key examples of innovative recent writing across the broader fields of imperial and colonial studies This book is the perfect companion for any student interested in empires and global history
