closely with the natural world and who wishes to become a powerful force for change in the world **Earth Wisdom**

Glennie Kindred,2011-12-05 Deepen your connection to the Earth by learning to work with the natural cycles of the year an inspirational guidebook from an expert in healing techniques and Celtic wisdom Our relationship to the Earth has changed We have become more aware of how our actions can affect the balance of Nature Earth Wisdom is a potent reminder to appreciate the natural vitality unity and intelligence of all life Covering everything from tree lore and Celtic festivals to Moon energies and herbalism it includes imaginative ways to experience the seasonal cycles and ways to heal and develop our relationship with the Earth the trees and the plants through practical and heart centered interaction This book inspires us to restore our own connections to the Earth encouraging us to follow our own personal spirituality and intuitive wisdom In so doing it increases our potential for creating positive change in our lives and in the world New English Interiors Elizabeth

Metcalfe,2024-10-01 Of the countless interior design trends that come and go every year there is one that endures the ever evolving English style Explore the homes of 22 of England s most exciting creatives with interiors writer Elizabeth Metcalfe and photographer Dean Hearne An inspiration to people across the world this is a style rich with colour pattern and a certain eccentricity Wallpapers fabrics charming details and lovingly collected objects are all among the key components of a style that embraces individuality and benefits from its layers being allowed to evolve slowly New English Interiors explores the exclusive homes of England s most exciting creatives from interior designers and illustrators to artists and antique dealers From fashion stylist and designer Lucinda Chambers colourful kaleidoscope of a home in west London to illustrator Fee Greening s earthy toned cottage in Dorset this is a celebration of colour and pattern in its infinite variety Other interiors featured belong to the likes of designer Cath Kidston artists Annie Morris and Idris Khan and designers Luke Edward Hall and Duncan Campbell While they range aesthetically from the bold and theatrical to the more earthy and homespun there is one thing that unites them all they are deeply personal visual moodboards for their owners None of them are static either these interiors are ever evolving and that is part of their joy From small city flats to country cottages this promises to be the perfect inspiration for anyone who might want to live with glorious layers of colour and pattern It s a lesson on how to let our personalities guide how we decorate our homes **Seven Plants to Save the World** Karl Elliot-Gough,2025-05-27 A path

defining exploration of herbs which using only seven key plants provides a revolutionary guide on how you can support the planet and all humankind Born from nearly a decade of working solely and closely with these seven plants Karl Elliot Gough s groundbreaking book presents a new paradigm for understanding our relationship with plants encouraging all who work with herbs and nature to embark on a journey of sustainability prosperity and health With a blend of traditional and scientific research Elliot Gough uses these seven key plants nettle dandelion yarrow plantain cannabis hawthorn and blackberry in a pioneering analysis of the ways in which the bounty of nature can transform not only the health of the individual but also act as a guide in developing a more sustainable respectful and abundant world Seven Plants to Save the World is a bold

testimony to the limitless opportunities that the plants can offer humanity outlining the surprising possibility of systemic change through which the world can become harmonious and sustainable with everyone thriving as opposed to hardly surviving The book begins with seven monographs of the individual plants which explore their folklore and traditional usage the scientific evidence a range of industrial applications along with information on foraging harvesting recipes and more The second half of the book presents an innovative compendium of solutions in which plants are instrumental in sustaining and developing global systems for the benefit of the planet and humanity These systems include healthcare economics industry agriculture and culture Elliot Gough unpicks how plants can guide us in developing a more sustainable future within these systems benefiting the planet as a whole Seven Plants to Save the World provides readers with a path to feel emboldened and optimistic in a world which often seeks to suppress systemic change as well as offering real and practical guidance in implementing such change in our own lives and communities for the good of the planet and every living thing **Hedgerow**

Harvest Jan Orchard,1988 Aimed at using the abundance of produce to be found in hedgerows woodlands and meadows this delightful collection of recipes is the ideal inspiration for all cooks and country lovers Choose from a wide selection of fruits berries nuts mushrooms leaves herbs and even flowers to make soups jams preserves snacks sauces and drinks and all for free More than 70 recipes cover a wide selection of the hedgerow s natural harvest and are presented with anecdotes and country folklore

So You Want to Start a Hedge Fund Ted Seides,2016-01-12 Helpful Accessible Guidance for Budding Hedge Funds So You Want to Start a Hedge Fund provides critical lessons and thoughtful insights to those trying to decipher the industry as well as those seeking to invest in the next generation of high performers This book foregoes the sensational headline grabbing stories about the few billionaire hedge fund managers to reach the top of the field Instead it focuses on the much more common travails of start ups and small investment firms The successes and failures of a talented group of competitive managers all highly educated and well trained show what it takes for managers and allocators to succeed These accounts include lessons on funding team development strategy performance and allocation The hedge fund industry is concentrated in the largest funds and the big funds are getting bigger In time some of these funds will not survive their founders and large sums will get reallocated to a broader selection of different managers This practical guide outlines the allocation process for fledgling funds and demonstrates how allocators can avoid pitfalls in their investments So You Want to Start a Hedge Fund also shows how to Develop a sound strategy and raise the money you need Gain a real world perspective about how allocators think and act Structure your team and investment process for success Recognize the patterns of successful start ups The industry is approaching a significant crossroads Aggregate growth is slowing and competition is shifting away from industry wide growth at the expense of traditional asset classes to market share capture within the industry So You Want to Start a Hedge Fund provides guidance for the little funds the potential future leaders of the industry

The Crimson Hedge Megan Holloway,2024-12-04 Behind the pristine hedges of Crestwood Hills lies a chilling secret This idyllic community with its emerald lawns and picture perfect homes isn t governed by elected officials but by the iron fist of the Homeowners Association Their symbol of power The Crimson Hedge a winding wall of blood red roses a beautiful yet menacing warning to those who dare to stray from the HOA s meticulously crafted vision of perfection Ellen Kepler seeking refuge from a troubled past arrives in Crestwood with her family seduced by the promise of order and safety But the unsettling harmony is shattered by the death of a rebellious artist a single crimson rose left on her freshly turned grave Ellen recognizing the chilling signs of enforced conformity knows this was no accident Samuel Hansen the HOA president rules Crestwood with a disarming smile and an iron will He s not just enforcing rules he s weaving a web of fear where even the smallest infraction can have devastating consequences Children are rewarded for reporting their parents neighbors spy on one another and dissent is met with swift and brutal corrective measures As Ellen digs deeper she uncovers a pattern of disappearances each preceded by a seemingly trivial HOA violation Her own family becomes entangled in the HOA s web her children seduced by Hansen s insidious charm Her husband initially

dismissive of her fears witnesses a chilling late night HOA procession masked figures tending the Crimson Hedge under the flickering gaslight and finally sees the terrifying truth Ellen discovers Hansen s ultimate goal a purification ritual at the heart of the Crimson Hedge a ceremony requiring a sacrifice She races to expose the HOA s secrets and save her family but escape is a treacherous path They are trapped surrounded by watchful eyes their children caught in the HOA s insidious embrace Under the summer solstice sun the Crimson Hedge pulses with an unnatural vibrancy A desperate rebellion ignites the carefully constructed order of Crestwood Hills crumbling into chaos But freedom comes at a cost Can Ellen and her family escape the HOA s grasp or will they become another chilling secret buried beneath the crimson roses
