## **Heikki Heikkinen And Other Stories Of Upper Peninsula Finns:**

**Heikki Heikkinen** Lauri Anderson,1995 The Finns of the Upper Peninsula of Michigan are a unique group profiled by Lauri Anderson who describes their comic aspect as well as the tragic moments of their lives **Wild Games** Dennis Ray Cutchins,Eric Alden Eliason,2009 Humans understand at least some of what it means to be human both literally and figuratively in reference to wild animals Our relationships with wildlife have traditionally been expressed in terms of hunting more recently these relationships have also been manifest as efforts to prevent hunting Hunting and fishing traditions are in fact under fire by critics at the same time that they are receding of their own accord perhaps becoming even more endangered than any of the pursued animals These traditions form the major focus of Wild Games a new collection of essays that looks at the folklore and culture of various hunting and fishing practices documenting the central importance of hunting to many rural societies even in modern times Editors Dennis Cutchins and Eric Eliason contend that hunters often don't perceive of themselves as separate from the wild but rather identify strongly with a natural order integrated with rather than standing apart from the fluctuation of ecosystems And they frequently don't see wild animals as set apart but understand them as food sources competitors friendly rivals and even equals Featuring contributions from a variety of distinguished scholars and writers including an essay by the noted folklorist Simon Bronner on the culture of the deer camp a fascinating account of coyote tracking by Eric Eliason and an examination of the role of gender in outdoor life by Diane Humphrey Lueck this book shows how the traditions of hunting and fishing tend to bind hunter and prey into ancient patterns that often defy contemporary culture Book Jacket **Great Lakes and Midwest Catalog** Partners Book Distributing,2007 **The Writers Directory** ,2013 *Forkroads* ,1996 **Suomen kirjallisuus** ,1996 **Finnish Americana** ,1990 Maggie Walz and the Early Finns on Drummond Island Beth Maki,2016-01-26 Maggie Walz was a Finnish American lady of many hats Not only was she a newspaper publisher teacher ticket agent sponsor of many of her countrymen and women temperance leader and suffragette but also a United States land agent Drummond Island lies the furthest east you can go in the Upper Peninsula of Michigan In May 1905 land was available there for homesteading The dream of many Finns was to own their own land They no longer wanted to have to work in the depths of the mines with all of its dangers A number of Finns traveled with Maggie from the Copper Country to Marquette There she and six others filed homestead patent papers They all then continued on to Scammon Cove on the Island They were going to start their utopian community This is the story of those first Finnish homesteaders and the others who followed The author Beth Maki is the granddaughter of one of those first homesteaders Jacob and Liisa Heikkinen Six children were born to the Heikkinens while living on Drummond Among them was Beth's Mother Allie Many Finns with Drummond Island connections shared their pictures and stories with Beth This book with 259 pictures 3 fold out maps and many family's stories is a compilation of information received and data that the author has been able to glean from census records land patent applications and other sources There is still more to the story

It is the hope that this book will continue the conversation about those Finns who are only represented by a name

Immerse yourself in the artistry of words with is expressive creation, Discover the Artistry of **Heikki Heikkinen And Other Stories Of Upper Peninsula Finns** .
