Wiegand,Marija Dalbello,2015-05-26 A broad comparative history of librarianship this intriguing work goes beyond the standard focus on institutions and collections to help you explore the part modern librarianship played and continues to play in forming Western cultures Previous histories of libraries in the Western world the last of which was published nearly 20 years ago concentrate on libraries and librarians This book takes a different approach It focuses on the practice of librarianship showing you how that practice has contributed to constructing the heritage of cultures To do so this

groundbreaking collection of essays presents the history of modern librarianship in the context of recent developments of the library institution professionalization of librarianship and innovation through information technology Organized by region the book addresses the widely recognized international impact of Anglo American librarianship and its continuing influence over the past century combining critical analysis with chronological histories of modern librarianship in Europe North America Australia New Zealand and Africa An introductory chapter explains the origins of the project and a concluding chapter examines the effects of digitization on modern librarianship in the 21st century

Public Goods versus Economic Interests Freia Anders,Alexander Sedlmaier,2016-07-15 Squatting is currently a global phenomenon A concomitant of economic development and social conflict squatting attracts public attention because implicitly or explicitly it questions property relations from the perspective of the basic human need for shelter So far neglected by historical inquiry squatters have played an important role in the history of urban development and social movements not least by contributing to change in concepts of property and the distribution and utilization of urban space An interdisciplinary circle of authors demonstrates how squatters have articulated their demands for participation in the housing market and public space in a whole range of contexts and how this has brought them into conflict and or cooperation with the authorities The volume examines housing struggles and the occupation of buildings in the Global North but it is equally concerned with land acquisition and informal settlements in the Global South In the context of the former squatting tends to be conceived as social practice and collective protest whereas self help strategies of the marginalized are more commonly associated with the southern hemisphere This volume s historical perspective however helps to overcome the north south dualism in research on squatting

Advanced Techniques in Minimally Invasive and Robotic Colorectal Surgery Ovunc Bardakcioglu,2014-12-01 Laparoscopic colectomy has been introduced in the early 90ies as a new technique with proven improvement in short and long term outcome Despite significant patient benefits the overall adoption rate remains low On the other hand significant more advanced techniques such as single incision laparoscopy robotics and transanal access surgery have been introduced in the last several years and are rapidly evolving Therefore a significant gap between the practicing community surgeon and innovator seems to exist Advanced Techniques in Minimally Invasive and Robotic Colorectal Surgery bridges that gap and provides a foundation summarizing and organizing all classic and new techniques in minimally invasive colorectal surgery available in literature and from masters within the field It provides tips and tricks that allow the user to move up the learning curve manage difficult scenarios overcome challenges increase the utilization of minimal invasive techniques and decrease the conversion to open surgery By enhancing the surgical tool box the surgeon will be able to progress from the novice to the master Rather than describing operative procedures which may be very biased by an individual author the guide provides alternative building blocks of various difficulty for different procedures which can be then tailored to the patient and surgeon s own comfort level and experience Advanced Techniques in Minimally Invasive and Robotic Colorectal Surgery will serve as

a inspirational guide for the innovator of the future It will allow surgeons of all levels to better adapt to inevitable changes in future techniques and will be of great value to general surgeons colon and rectal surgeons minimally invasive surgeons as well as residents and fellows

Revise Modern World History for Edexcel Specification A Barry Doherty,2001 This revision guide offers targeted exam preparation for the Specification A Edexcel exam There are sample questions as well as examiners comments and guidance on how to pinpoint key facts and use accumulated knowledge constructively

Anthropology of Nursing Karen Holland,2019-09-09 This book aims to introduce nurses and other healthcare professionals to how anthropology can help them understand nursing as a profession and as a culture Drawing on key anthropological concepts the book facilitates the understanding and critical consideration of nursing practice as seen across a wide range of health care contexts and which impacts the delivery of appropriate care for service users Considering the fields in which nurses work the book argues that in order for nurses to optimize their roles as deliverers of patient care they must not only engage with the realities of the cultural world of the patient but also that of their own multi professional cultural environment The only book currently in the field on anthropology of nursing this book will be a valuable resource for nursing students at all academic levels especially where they can pursue specific modules in the subject as well as those other students pursuing medical anthropology courses As well as this it will be an essential text for those post graduate students who wish to consider alternative world views from anthropology and their application in nursing and healthcare in addition to their undertaking ethnographic research to explore nursing in all its fields of practice History ,1977
