Nazi Germany Lily E. Hirsch,2011-12-27 Examines the complicated history of a Jewish cultural organization supported by Nazi Germany *The Twisted Muse : Musicians and Their Music in the Third Reich* Department of History York University Michael Kater Distinguished Research Professor,1996-12-19 Is music removed from politics To what ends beneficent or malevolent can music and musicians be put In short when human rights are grossly abused and politics turned to fascist demagoguery can art and artists be innocent These questions and their implications are explored in Michael Kater s broad

survey of musicians and the music they composed and performed during the Third Reich Great and small from Valentin Grimm a struggling clarinetist to Richard Strauss renowned composer are examined by Kater sometimes in intimate detail and the lives and decisions of Nazi Germany's professional musicians are laid out before the reader Kater tackles the issue of whether the Nazi regime because it held music in crassly utilitarian regard acted on musicians in such a way as to consolidate or atomize the profession Kater's examination of the value of music for the regime and the degree to which the regime attained a positive propaganda and palliative effect through the manner in which it manipulated its musicians and by extension German music is of importance for understanding culture in totalitarian systems This work with its emphasis on the social and political nature of music and the political attitude of musicians during the Nazi regime will be the first of its kind It will be of interest to scholars and general readers eager to understand Nazi Germany to music lovers and to anyone interested in the interchange of music and politics culture and ideology Perspectives on Jewish Music Jonathan L. Friedmann, 2009-01-01 Perspectives on Jewish Music presents the research and reflections of leading scholars and practitioners of Jewish secular and sacred music The book's wide ranging topics are examined from a variety of disciplinary approaches including theology ethnomusicology sociology and liturgical studies
