Summers, 2019-08-01 Fins to feet a silenced voice and a villain that must be stopped How much do you really know about The Little Mermaid fairytale As a Siren with a strong Voice Nimue has always looked forward to joining the Protectors and using her Voice to help others But not all is as it seems in the Siryian Sea Her father Varun hates the humans and will stop at nothing to see them destroyed When he orders Nimue to help the other Protectors sink any ship that crosses their borders Nimue puts all her strength into saving a ship and the humans on it despite the odds against her For her defiance Nimue s Voice is taken from her And now she has only two options of getting her Voice back finding True Love s Kiss or convincing her mother to reclaim the throne Not one to believe in true love Nimue puts her hope in her mother But before she makes it very far she is captured by humans sailing in the opposite direction of where she needs to go Forced to stay with them until they make it to land Nimue must rely on her outcast sister to find their mother and set things right Unwilling to give in to her frustrations she finds herself interacting with the humans and feeling drawn to the ship s handsome young captain Although True Love s Kiss starts to look like a valid option as the mutual attraction between Brandt and Nimue grows the strange cultural customs of these islanders clash with her own in a way that may make it impossible Can Nimue convince Brandt to kiss her and free her Voice And if she succeeds will she be willing to pay the price The *Once upon a Story* series consists of interconnected standalones that can be read in any order **Echoes of a Silent Song** Amanda Wen, 2025-10-21 A split time romance from an award winning author When a choral composer and conductor falls victim to creative block he resorts to his fallback plan of teaching high school choir Callum Knight s goal at Peterson High is simple rediscover his muse extract himself from teaching and get back to Boston as quickly as possible As the long suffering accompanist at the high school Peterson native Blair Emerson has watched the revolving door of choir directors and their negative impact on her choirs over the last few years She is less than impressed when a disheveled Callum stumbles in on his first day But then they discover an unsigned unfinished and handwritten choral composition by a clear musical genius Blair recalls rumors of Iris a Peterson student from the 1970s who composed music but was found dead during her senior year Blair and Callum work to determine if the piece is hers and the truth they uncover shakes both of them to the core With rhythm and flair Amanda Wen takes readers on an unexpected journey into the depths of a small town s history in this riveting first book in the *Melodies and Memories* duology **Dispatches From the People's War in Nepal** Li Onesto, 2004-11-20 A Maoist revolution has been raging in Nepal since 1996 In 1999 Li Onesto became the first foreign journalist to travel deep into the guerrilla zones Allowed unprecedented access she interviewed political leaders guerrilla fighters villagers in areas under Maoist control and relatives of those killed by government forces Millions in Nepal now live in areas under guerrilla control Peasants are running grass roots institutions exercising what they

call people's power. Li Onesto describes these transformations: the establishment of new governing committees and courts, the confiscation and re-division of land, new cultural and social practices, and the emergence of a new outlook. Increasingly, the UK and US have directly intervened to provide political and military support to the counter-insurgency efforts of the Nepalese regime. Onesto analyzes this in the context of the broader international situation and the war on terrorism. **Catherine Coulter: The Song Novels 1-6** Catherine Coulter, 2012-04-03 These six novels by the 1 New York Times bestselling author of *The Valcourt Heiress* are filled with all the romance and danger of medieval England and the timeless passions that play out between men and women. **WARRIOR S SONG FIRE SONG EARTH SONG SECRET SONG ROSEHAVEN THE PENWYTH CURSE** **Silent Song** Paula Lindsay, 1991 *The Maoist Insurgency in Nepal* Mahendra Lawoti, Anup Kumar Pahari, 2009-10-13 The book deals with the dynamics and growth of a violent 21st century communist rebellion initiated in Nepal by the Communist Party of Nepal Maoist CPN M. It contextualizes and explains why and how a violent Maoist insurgency grew in Nepal after the end of the Cold War in contrast to the decline of other radical communist movements in most parts of the world. Scholars from diverse disciplinary backgrounds employ a wide variety of approaches and methods to unravel different aspects of the rebellion. Individual chapters analyze the different causes of the insurgency, factors that contributed to its growth, the organization, agency, ideology, and strategies employed by the rebels and the state, and the consequences of the insurgency. New issues are analysed in conjunction with the insurgency, such as the role of the Maoist student organization, Maoist's cultural troupes, the organization and strategies of the People's Army, and the Royal Nepal Army indoctrination and recruitment of rebels and international factors. Based on original field work and a thorough analysis of empirical data, this book fills an existing gap in academic analyses of the insurgency in Nepal. *Social Transformation in Post-conflict Nepal* Punam Yadav, 2016-04-28 The concept of social transformation has been increasingly used to study significant political, socio-economic, and cultural changes affected by individuals and groups. This book uses a novel approach from the gender perspective and from bottom up to analyse social transformation in Nepal, a country with a complex traditional structure of caste, class, ethnicity, religion, and regional locality, and the experience of the ten-year People's War, 1996-2006. Through extensive interviews with women in post-conflict Nepal, this book analyses the intended and unintended impacts of conflict and traces the transformations in women's understandings of themselves and their positions in public life. It raises important questions for the international community about the inevitable victimization of women during mass violence but it also identifies positive impacts of armed conflict. The book also discusses how the Maoist insurgency had empowering effects on women. The first study to provide empirical evidence on the relationship between armed conflict and social transformation from gender's perspectives, this book is a major contribution to the field of transitional justice and peacebuilding in post-armed conflict Nepal. It is of interest to academics researching South Asia, Gender, Peace, and Conflict Studies, and Development Studies. *Women, Peace and Security in Nepal* Åshild Kolås, 2017-07-06 This book sheds new

light on the important but diverse roles of women in the civil war in Nepal 1996-2006 and the post conflict reconstruction period 2006-2016. Engaging critically with the women peace and security literature, *Women Peace and Security in Nepal* questions the potential of peace processes to become a window of opportunity for women's empowerment while insisting on the vital importance of a gender perspective in the study of conflict, security and peace. After the signing of the 2006 Comprehensive Peace Accord, Nepal experienced a huge leap in women's political representation in the subsequent Constituent Assembly, often portrayed as a landmark victory for women's empowerment in the context of South Asia. Nepali women's mobilization played a key role in this success story, though similar mobilization has failed to produce the same outcomes elsewhere in South Asia. How does Nepal differ from the other cases? Presenting studies of war time and post conflict Nepal through a gender lens, this book critically assesses the argument that war and peacebuilding can add momentum to the transformation of gender roles. Contributing new knowledge on women's disempowerment and empowerment in conflict and peacebuilding, the book also offers insights for contemporary debate on gender and political change in conflict affected societies. This book will be of great interest to students of peace and conflict studies, gender security, South Asia and international relations in general, as well as policy makers and NGOs.

SONG OF MYSELF (The Original 1855 Edition & The 1892 Death Bed Edition) Walt Whitman, 2017-12-06. *Song of Myself* is a poem by Walt Whitman that is included in his work *Leaves of Grass*. It has been credited as representing the core of Whitman's poetic vision. The poem was first published without sections as the first of twelve untitled poems in the first 1855 edition of *Leaves of Grass*. The first edition was published by Whitman at his own expense. In 1856 it was called *A Poem of Walt Whitman, an American* and in 1860 it was simply termed *Walt Whitman*. Walter Whitman (1819-1892) was an American poet, essayist and journalist. His work was very controversial in its time, particularly his poetry collection *Leaves of Grass*, which was described as obscene for its overt sexuality.

Decolonial Travel Avishek Ray, 2024-11-08. This volume brings together scholarship on indigenous forms of travel to decolonize travel theory. It looks at certain minoritarian vernacular traveling cults, very rarely examined, that compel us to rethink on the one hand the conventional tropes of and rationales for travel and on the other hand notions of post coloniality, nationalism and modernity in the context of India. The book illustrates the enduring problematic of the colonial episteme, how it deploys pervasive categories through which travel practices are sought to be understood and why such categories are inadequate in accounting for the vernacular traveling cults in question. In studying the vernacular world, making in and through these cults, this book offers critical insights on how they defy the logics of the imperial categories and why they must be read as expressions of decoloniality. An important contribution to travel studies, the book will be an indispensable resource for students and researchers of South Asian studies, travel theory, Indian literary and cultural studies, cultural history and anthropology, sociology and decoloniality.
