Held In Trust The National Trust In Scotland:

Held in Trust Iain Crawford,1986 **The Public General Acts ... and the Church Assembly Measures** Great Britain,1943 'Magnificent Castle' of Culzean and the Kennedy Family Michael Moss,2019-08-06 Culzean Castle on the Ayrshire coast is the most visited property of the National Trust for Scotland This lavishly illustrated book tells the whole history of the castle **Funding Religious Heritage** Anne Fornerod,2016-03-09 This collection brings together a group of highly respected law and religion scholars to explore the funding of religious heritage in the context of state support for religions The importance of this state support is that on the one hand it illustrates the potential tensions between secular and religious values whilst on the other it constitutes a relevant tool for investigating the question of the legitimacy of such financial support The funding logically varies according to the national system of state religion relationships and this is reflected in the range of countries studied including Belgium Bulgaria Denmark France Italy The Netherlands Spain Turkey and the United Kingdom The book provides clarity in the assignment of funds to religious heritage as well as seeking to define the limit of what relates to the exercise of worship and what belongs to cultural policy It is clear that the main challenge for the future lies not only in managing the dual purpose of religious monuments but also in re using these buildings which have lost their original purpose This collection will appeal to those interested in cultural heritage management as well as law and religion scholars The views expressed during the execution of the RELIGARE project in whatever form and or by whatever medium are the sole responsibility of the authors The European Union is not liable for any use that may be made of the information contained therein The Rough Guide to Great Britain (Travel Guide eBook) Rough Guides,2018-08-04 Discover Rough Guides home patch with the most incisive and entertaining guidebook on the market Whether you plan to tuck into a balti in Birmingham get your thrills at Blackpool Pleasure Beach or tackle Scotland s majestic North Coast 500 The Rough Guide to Great Britain will show you the ideal places to sleep eat drink shop and visit along the way Independent trusted reviews written with Rough Guides trademark blend of humour honesty and insight to help you get the most out of your visit with options to suit every budget Full colour maps throughout navigate the medieval lanes of York or Bath s Georgian streets without needing to get online Stunning images a rich collection of inspiring colour photography Things not to miss Rough Guides rundown of Britain s best sights and experiences Itineraries carefully planned routes to help you organize your trip Detailed regional coverage whether off the beaten track or in more mainstream tourist destinations this travel guide has in depth practical advice for every step of the way Areas covered include London and the southeast the Cotswolds Bath Bristol and the southwest East Anglia the Midlands and the Peak District Leeds Manchester and the northwest Yorkshire Newcastle and the northeast Cardiff and South Wales Snowdonia Edinburgh and the Lothians Glasgow and the Clyde the Scottish Highlands and Islands Attractions include Hampton Court Palace Oxford s colleges the Eden Project Manchester s Northern Quarter Hadrian s Wall the Lake District Portmeirion Welsh castles Edinburgh Festival and

choosing this lifestyle secondly the role of the National Trust as both guardian and interpreter of these houses and their collections and finally and most importantly the influence of textiles to contribute to the appearance of interiors and their physical attributes that carry historical resonances of the past The importance of preserved textiles in establishing the visual character of historic houses is a neglected area and therefore the prominence given to textiles in this project constitutes an original contribution to the study of these houses Drawing upon a range of primary sources including literature produced by the National Trust for their sites and documentary sources for the families and their houses such as diaries letters and household accounts the study takes a broad approach that will be of interest to all those with an interest in material culture heritage collecting studies and cultural history
