Goossen, 1969 Helen Frankenthaler Alison Rowley, 2007-10-24 This extraordinary examination of the work of colour field painter Helen Frankenthaler overturns assumptions about the artist whose work has been burdened by its label as the bridge between Pollock and what was possible Trained as a painter Alison Rowley brings a keen eye to Frankenthaler's paintings returning to the fore the artist's debt not only to Jackson Pollock but also to Cezanne and speculating for the first time as to her artistic responses to wider political events in particular the Rosenberg trial Making a fascinating case too for the connections between the breakthrough work *Mountains and Sea* and Lily Briscoe's painting in Virginia Woolf's novel *To the Lighthouse* this beautifully written book provides crucial new insights into Frankenthaler's practice as a painter who is also a woman **Fierce Poise** Alexander Nemerov, 2021-03-23 A National Book Critics Circle finalist One of *Vogue*'s Best Books of the Year A dazzling biography of one of the twentieth century's most respected painters Helen Frankenthaler as she came of age as an artist in postwar New York The magic of Alexander Nemerov's portrait of Helen Frankenthaler in *Fierce Poise* is that it reads like one of Helen's paintings His poetic descriptions of her work and his rich insights into the years when Helen made her first artistic breakthroughs are both light and lush seemingly easy and yet profound His book is an ode to a truly great artist who some seventy years after this story begins we are only now beginning to understand Mary Gabriel author of *Ninth Street Women* At the dawn of the 1950s a promising and dedicated young painter named Helen Frankenthaler fresh out of college moved back home to New York City to make her name By the decade's end she had succeeded in establishing herself as an important American artist of the postwar period In the years in between she made some of the most daring head turning paintings of her day and also came into her own as a woman traveling the world falling in and out of love and engaging in an ongoing artistic education She also experienced anew and left her mark on the city in which she had been raised in privilege as the daughter of a judge even as

she left the security of that world to pursue her artistic ambitions Brought to vivid life by acclaimed art historian Alexander Nemerov these defining moments from her first awed encounter with Jackson Pollock s drip paintings to her first solo gallery show to her tumultuous breakup with eminent art critic Clement Greenberg comprise a portrait as bold and distinctive as the painter herself Inspired by Pollock and the other male titans of abstract expressionism but committed to charting her own course Frankenthaler was an artist whose talent was matched only by her unapologetic determination to distinguish herself in a man s world Fierce Poise is an exhilarating ride through New York s 1950s art scene and a brilliant portrait of a young artist through the moments that shaped her **Helen Frankenthaler** ,1969 **Helen Frankenthaler** E.
