**Helen in Egypt** Hilda Doolittle,1974 The fabulous beauty of Helen of Troy is legendary But some say that Helen was never in Troy that she had been conveyed by Zeus to Egypt and that Greeks and Trojans alike fought for an illusion A fifty line fragment by the poet Stesichorus of Sicily c 640 555 B C what survives of his Pallinode tells us almost all we know of this other Helen and from it H D wove her book length poem Yet Helen in Egypt is not a simple retelling of the Egyptian legend but a recreation of the many myths surrounding Helen Paris Achilles Theseus and other figures of Greek tradition fused with the mysteries of Egyptian hermeticism *Helen in Egypt* Hilda Doolittle,2013-06-15 A fifty line fragment by the poet Stesichorus of Sicily c 640 555 B C what survives of his Pallinode tells us almost all we know of this other Helen and from it H D wove her book length poem The fabulous beauty of Helen of Troy is legendary But some say that Helen was never in Troy that she had been conveyed by Zeus to Egypt and that Greeks and Trojans alike fought for an illusion A fifty line fragment by the poet Stesichorus of Sicily c 640 555 B C what survives of his Pallinode tells us almost all we know of this other Helen and from it H D wove her book length poem Yet Helen in Egypt is not a simple retelling of the Egyptian legend but a recreation of the many myths surrounding Helen Paris Achilles Theseus and other figures of Greek tradition fused with the mysteries of Egyptian hermeticism Helen in Egypt Doolittle, Hilda,1998 *Helen in Egypt* Hilda Doolittle,1985

Die Ägyptische Helena Richard Strauss,2005 **Helen of Troy and Her Shameless Phantom** Norman Austin,2018-09-05 Like the male heroes of epic poetry Helen of Troy has been immortalized but not for deeds of strength and honor she is remembered as the beautiful woman who disgraced herself and betrayed her family and state Norman Austin here surveys interpretations of Helen in Greek literature from the Homeric period through later antiquity He looks most closely at a revisionist myth according to which Helen never sailed to Troy but remained blameless while a libertine phantom or ghost impersonated her at Troy Comparing the functions of contradictory images of Helen Austin helps to clarify the problematic relations between beauty and honor and between ugliness and shame in ancient Greece Austin first discusses the canonical account of the Iliad and the Odyssey Helen as the archetype of woman without shame He next considers

different versions of Helen in the Homeric tradition Among these he shows how Sappho presents Helen as an icon of absolute beauty while she defends her own preference of eros over honor and her choice of woman as the object of desire Austin then turns to three major authors who repudiated the traditional Helen of Troy the lyric poet Stesichorus and the dramatist Euripides who embraced the alternative myth of Helen's phantom and the historian Herodotus who claimed to have found in Egypt a Helen story that dispenses with both Helen and the phantom Austin maintains that the conflicting motives that prompted these writers to rehabilitate Helen led to further revisions of her image though none have endured as a credible substitute for the Helen of epic tradition

Helen in Egypt. By H. D. [i.e. Hilda Doolittle, afterwards Aldington.] Introduction by Horace Gregory afterwards ALDINGTON DOOLITTLE (Hilda), H. **Lyric Trade** Julia Bloch, 2024-04-29 Sometimes the word lyric seems to appear everywhere either it's used interchangeably with the word poetry or it attaches to descriptions of literature art film and even ordinary objects in order to capture some quality of aesthetic appeal or value or meaning This book is not yet another attempt to define the lyric but instead to dig into what the word might be standing in for This book shows how lyric's taxonomical slipperiness its ideological baggage its historical misconstruals and debates whether it ought to be considered a genre a mode a style a structure of address a remnant of classicism or romanticism or modernism or something else mobilize its specialness its exemplarity its distinct power and its frequent circulation especially in poetry and poetics This book argues that long poems in particular that take up lyric the genre that they have supposedly rejected do so in order to reimagine the shape of the speaking subject This book asks What does lyric mean and why should it matter to poets and readers Is it a meaningful term a useful term Is it somehow more meaningful or useful than the other kinds of words that animate and describe poetry Is it maybe more important to consider the way the term is used the work it does This book reads lyric as the site at which poets reimagine identity or exchange innovation for limiting tropes of the subject or to do both of these things within a single work or to do something else entirely with the putative links between

expression presence and subjectivity This book does not offer a single fixed definition of lyric because it is interested more in the ways lyric is imagined within the texts themselves This book is also interested in undoing some of the habits of thought that recur throughout the discourse of genre by reimagining formalism     Winter Love Jacob Korg, 2003 Ezra Pound and Hilda Doolittle who used the pseudonym H D are among the most important American modernist poets In this comparative study Jacob Korg examines their intertwined lives from an early romantic relationship when both writers were in their early twenties through the ongoing friendship and artistic dialogue that helped shape their work Drawing on unpublished letters and manuscripts as well as published works Korg offers a fresh view of two American artists and a wholly unexpected portrait of Pound examined here for the first time through the context of a female modernist
