The Art of Translating Poetry Burton Raffel,1988-01-01 This book by a well known translator and critic is divided into two parts the first dealing with the linguistic and other more technical aspects of translating poetry the second involved with more practice oriented matters The chapters in Part One examine the specific constraints of language and the unavoidable linguistic bases of translation the constraints of specific languages forms and genres and prosody and comparative prosody Part Two looks at the subjective element in translation collaborative translation the translation of oral poetry and the translator s responsibility Languages discussed include Indonesian Japanese Chinese Old and Middle English French German Spanish Italian Persian Russian Latin and Greek The book argues inter alia that literal translation is impossible that no translation can fully create the original but that good literary translation can create a usable approximation that translation is secondary not only to the original work being translated but also to the linguistic and literary nature of the language being translated into that the literary translator s primary responsibility is to the work he is translating that there is nothing ever definitive about any translation that the poetry translator must be a poet and poems should not be translated into prose and that there must be a subjective identification between translator and translated work This is the first attempt to systematize linguistic information about the translation of poetry It is also the first book to range widely over the languages and literatures of the past and the present and European and Asian languages and literatures as well Raffel is the first author to combine in one study linguistic and scholarly knowledge and extensive experience of translation

Ezra Pound J. J. Wilhelm, 2010-11-01 This third and final volume of Wilhelm's life of Ezra Pound commences with Pound's departure from Paris at the height of his writing career for Italy where he hoped to find a quieter life and it takes him to his death in 1972 It tells how he settled in Rapallo and soon found Mussolini's fascism to be amenable to his own political and economic ideas especially during the dark days of the Great Depression As Italy girded itself for World War II Pound was almost haphazardly drawn into the web and he foolishly agreed to broadcast on Radio Rome for the Duce even after the bombing of Pearl Harbor When Italy fell to the Allies Pound was put first into a dreadful American detention camp at Pisa and then was flown to Washington to be tried for treason He escaped conviction on grounds of insanity but he was then remanded to St Elizabeths Hospital where he languished for twelve years Despite the incarcerations Pound produced during this time some of his most magnificent poetry including The Pisan Cantos and numerous excellent translations from the Chinese and Greek He also heavily influenced an entire generation of poets ranging from Robert Lowell to Allen Ginsberg With the help of Archibald MacLeish and Robert Frost Pound was eventually freed in 1958 He returned to Italy where he lived for a time with his wife and daughter During the final years of his life he eventually returned to live with his aged lover Olga Rudge in Venice and Rapallo He died in Venice in 1972 and is buried next to Igor Stravinsky whose work his own strongly resembles since they both fought for liberation from traditional forms
