death was definitely an accident Her husband Bob had absolutely no intention of killing her But it was almost certain that a
court of law would see things differently particularly after Bob had sex with Maryanne s corpse and that was why Bob Wilson
decided not to call in the police but to seek an alternative solution to the problem he d gotten himself into A solution that
unfortunately only made matters a whole lot worse for him But to backtrack a little to the genesis of this momentous disaster
Everything began because Bob Wilson was working too hard and as a result was neglecting his loving wife Maryanne And so
Maryanne asked their upstairs neighbor Jennifer for help Jennifer Haskins apparently knew a little magic and so she cast a
spell on Bob one that would help Maryanne get laid on a more regular basis like every night if she so desired What could

Murder Along the Cape Fear David T. Morgan, 2005 Murder Along the Cape Fear is the story of Fayetteville and Fort Bragg North Carolina during the twentieth century Seen through the eyes of a native son this is the tale of one a distinguished historian who lived through some of it and heard about much of it from friends and relatives In this hundred year journey the town was profoundly impacted by the establishment of Fort Bragg 10 miles to its west Throughout this hundred year history murder seems to be the scarlet thread that stitched the town into infamy The book demonstrates that Fayetteville was by no means innocent prior to the coming of Fort Bragg Nor did all of the crime and evil emanate from Fort Bragg after 1918 As for murder there was an abundance of killing that had no connection with Fort Bragg but the most sensational murder case of the century involved Jeffrey MacDonald a Green Beret Army captain and physician who received three life terms in federal prison for killing his pregnant wife and two daughters While many other Fort Bragg soldiers were involved with murders along the Cape Fear murders were also committed by transient civilians and local citizens like the famous inventor of the M 1 carbine Marshall Carbine Williams and Velma Barfield who poisoned her mother and three other people In all about two dozen murder cases some highly publicized and some not are woven into this story about a North Carolina town in the twentieth century Engagingly told this book is a wonderful blend of history lore and murder

Murder in the First-Class Carriage Kate Colquhoun,2013-04-30 This story of a real life Victorian mystery is a meticulously researched true crime account its final revelation is a showstopper The New York Times In July 1864 Thomas Briggs was traveling home after visiting his niece and

her husband for dinner He boarded a first class carriage on the 9 45 pm Hackney service of the North London railway A short time later two bank clerks entered the compartment and noticed blood pooled in the seat cushions and smeared all over the floor and windows But there was no sign of Thomas Briggs All that remained was his ivory knobbed walking stick his empty leather bag and a bloodstained hat that strangely did not belong to Mr Briggs The race to identify the killer and catch him as he fled on a boat to America was eagerly followed by the public on both sides of the Atlantic The investigation and subsequent trial became a fixture in New York newspapers and a frequent distraction from the Civil War that ravaged the nation In *Murder in the First Class Carriage* Gold Dagger Award nominee Kate Colquhoun tells the gripping tale of a crime that shocked an era A suspenseful well paced account of a baffling mystery The Washington Post Deploying her skill as a historian Colquhoun turns a single curious murder case into a fascinatingly quirky portrait of the underside of mid Victorian London I found it unputdownable Daily Telegraph
