Hellhole Dennis W. Hollinger, 2010-07 Alcatraz has held a terrible secret for centuries, and now someone or something is leaving the Hellhole with murder on its mind. Lives will be in danger, old mysteries will be solved, and one man will pursue those responsible for unleashing this terror. *Hellhole of the Pacific* Richard Wolfe, 2008-06-02 In the 1830s, Koororareka was known as the hell hole of the Pacific. Whalers, sealers, escaped convicts, seamen, traders, and adventurers descended upon this small cove in the Bay of Grog shops, and the oldest profession in the world abounded. At one stage, the town was said to be harbouring a greater number of rogues than any other spot of equal size in the universe. Some whaling captains steered clear.

fearing they'd lose their crews But was Kororareka actually a hell hole How wild was it really In this absorbing book on one of the most lively periods in New Zealand history Richard Wolfe asks new questions confronts existing myths and comes up with some fascinating answers

Hell Holes: To Hell and Back Donald Firesmith, 2020-10-30 The beautiful young photojournalist Aileen O Shannon is not who she seems For centuries she has been a demon hunter a sorceress who has tracked and killed small bands of demons that occasionally crossed into our world But that changed when she joined Dr Jack Oswald's expedition to study one of hundreds of huge holes that mysteriously appeared overnight in the frozen tundra north of the Arctic Circle Instead of small sporadic incursions hordes of demons now pour from these hell holes like water from a sieve With bombing little more than a losing game of whack a mole Earth's armies are unable to destroy the portals When Jack suggests a desperate plan he is drafted to join Aileen and a team of other sorcerers and Army Rangers to travel to the demon homeworld Once there they will unleash a plague virus and set off a nuclear bomb to destroy the portal complex It's a suicide mission But Aileen has given Jack's wife her word to bring him back safely and the demons have already killed three men under her protection Just how far will Aileen go to avoid losing another

Hellhole L. D. Henry,2014-06-02 When a federal penitentiary Hellhole was built in Yuma the native Quechans discovered a way in which they could succeed in the world of the white man they put their uncanny tracking abilities to use catching and returning prison fugitives Immune to the searing heat cunning and tenacious the Indians moved like wraiths pursuing dangerous criminals Of all the Quechans perhaps the greatest tracker was Ho Nas Good He was tall and powerfully strong and in his youth saw nothing wrong in aiding the white man He dreamed of wealth and saw that even an Indian could do

much in the white man's world if he had money. Honas prospered; he was happy with his land, his wealth, and his pretty young wife. Until the day that three of Yuma's toughest prisoners escaped the territorial prison and brutally raped and murdered his wife. When they were caught, the bigoted judge added a paltry few years to their sentences. Honas changed. He became a new man. A man charged with hate, a man powered by the overwhelming desire for revenge. Honas put his whole life and his considerable skills in the service of his revenge. And the terror came to Hellhole.
